Boston, MA 0211

ABOUT MASSDEVELOPMENT

MassDevelopment, the state’s development finance agency and land bank, works with businesses, nonprofits, banks, and communities to stimulate economic growth. Through these collaborations we help create jobs, increase the number of housing units, revitalize urban environments, and address factors limiting economic growth including transportation, energy, and infrastructure deficiencies. During FY2025, MassDevelopment financed or managed 409 projects generating investment of more than \$4.65 billion in the Massachusetts economy. These projects are estimated to create or support 25,246 jobs and build or preserve 2,867 housing units.

For more information on MassDevelopment, visit our website www.massdevelopment.com.

ABOUT THE MASSACHUSETTS DEPARTMENT OF ENERGY RESOURCES (DOER)

The Massachusetts Department of Energy Resources (DOER) develops and implements policies and programs aimed at ensuring the adequacy, security, diversity, and cost-effectiveness of the Commonwealth's energy supply to create a clean, affordable and resilient energy future. To that end, DOER strives to:

**MASSACHUSETTS
DEPARTMENT OF
ENERGY RESOURCES**

- Ensure deployment of all cost-effective energy efficiency
- Maximize development of clean energy resources
- Create and implement energy strategies to assure reliable supplies and improve the cost of clean energy relative to fossil-fuel based generation
- Support Massachusetts' clean energy companies and spur Massachusetts' clean energy employment

DOER is an agency of the Executive Office of Energy and Environmental Affairs (EEA). For more information on DOER, visit our website www.mass.gov/doer.

1. INTRODUCTION

Property Assessed Clean Energy (PACE) financing gives commercial and industrial building owners access to affordable, long-term financing for energy improvements to their buildings and to commercial and industrial property developers. It promotes investment of clean energy upgrades and energy efficient new construction repaid as a special assessment in the same way that local public benefit projects (sidewalks, sewers upgrades) have been funded for decades. PACE financing serves an important public purpose by encouraging the construction of projects that reduce energy usage and carbon emissions, improve property values, stimulate the economy and create jobs. It is attractive to participants for multiple reasons.

Property Owners:

- no new debt on balance sheet
- no pay-off upon sale of property (assessments run to new owner)
- long-term financing (20-year max), no new mortgage lien

Lenders/Mortgage holders:

- improved cash flow and reduced credit risk from lower operating costs via financing that cannot be accelerated
- capital improvements could also increase collateral property value

Municipalities:

- job creation
- attract new and retain existing properties
- environmental benefits associated with reducing energy consumption and carbon emissions

In Massachusetts, the statute authorizing the PACE financing, M.G.L. c. 23M (the "PACE Act"), allows for the establishment of a commercial Property Assessed Clean Energy program (PACE Massachusetts) to be administered by the Massachusetts Development Finance Agency (MassDevelopment) in consultation with the Massachusetts Department of Energy Resources (DOER).

Under the PACE Act, eligible properties include qualifying commercial or industrial properties, as well as multi-family buildings with five or more units, owned by any person or entity other than a municipality or other governmental entity. Eligible measures that can be financed include improvements that reduce energy consumption, and the installation of renewable energy systems.

PACE Massachusetts financing is different from other conventional forms of energy financing because it is non-recourse financing for energy improvements that is repaid through a voluntary betterment assessment added to the owner's municipal property tax bill. The betterment assessment that is levied on the property at the financing close, cannot be accelerated if a default occurs. The financing is secured by a lien placed on the property. If the property is sold, the repayment obligation (remaining PACE betterment assessments) and lien transfer to the next owner. PACE Massachusetts provides property owners the option to finance projects for longer periods of up to 20 years.

PACE Massachusetts guidelines were developed in accordance with the PACE Act and contain program

requirements that participants must adhere to access financing and contain the terms and conditions that proposed projects must comply with to receive approval. MassDevelopment and DOER may amend these guidelines from time to time. Prospective PACE Massachusetts participants are advised to check they are using the most current version of the PACE Massachusetts guidelines on the MassDevelopment website [MassDevelopment.com/PACE](https://www.massdevelopment.com/pace).

These guidelines will be updated to reflect any statutory changes to the PACE Act. MassDevelopment and DOER will review and approve both existing and new PACE applications in accordance with these program guidelines for three years following the effective date hereof. Six months prior to the end of such three-year period, MassDevelopment and DOER will engage in a review of the effectiveness of these program guidelines.

2. TECHNICAL STANDARDS OVERVIEW

Under PACE Massachusetts, financing is available to support energy improvements to existing eligible properties, i.e., retrofits and new construction projects.

DOER will review project technical applications submitted to MassDevelopment. Project reviews will confirm whether projects meet the eligibility criteria and requirements set forth in the Technical Standards ([Appendix B](#)). The specific eligibility of improvements and the detailed technical requirements are described in more detail in [Appendix B: Technical Standards for Retrofit Projects and New Construction](#).

To ensure that the PACE application process is efficient, Project Developers with questions on the technical guidelines should contact DOER via email at doer.cpace@mass.gov and cc email pace@massdevelopment.com to collaboratively work through issues before and during the application process. DOER will respond via email or arrange a phone call with the Department's staff or DOER's technical consultant to clarify questions about the appropriate technical protocol, the level of documentation required, or other details.

^a G. L. c. 25A, § 6(13) <https://malegislature.gov/Laws/GeneralLaws/PartI/TitleII/Chapter25A/Section6>

3. FINANCIAL STANDARDS OVERVIEW

PACE Massachusetts employs an open market, third party direct financing model that provides property owners the power to choose who will fund their project. It allows multiple capital providers to operate within the PACE Massachusetts program and allows property owners access to the different sources of funds that are available in the commercial PACE market. A Request for Information (RFI) process is undertaken for capital providers that are interested in offering financing for PACE Massachusetts projects. The process and other information relevant for capital provider participation are included in [Appendix C: Financial Standards](#).

The financial standards describe the steps that an applicant goes through to apply for project review and financing approval under PACE Massachusetts. Upon acceptance of an application, MassDevelopment will review for compliance with financial requirements and DOER will review for compliance with the technical requirements. See [Appendix C](#) for the key financial standards criteria. We encourage participants to review the project steps and information that is contained in [Appendix C](#) to help expedite the time needed to develop projects and originate and close financing.

Key components of the PACE Massachusetts financing standards are:

- Written consent is required from any mortgage holder(s) on the property
- Repayment of financing will be made via the municipal property tax collection process for remittance to a MassDevelopment-designated servicer for disbursement to PACE capital providers
- Annual PACE betterment assessment is senior to and has priority over all private mortgage liens on the property (with consent, if applicable) but is junior in priority to a municipal tax lien
- Each municipality must opt into PACE Massachusetts (one time only) by adopting a PACE resolution via the appropriate municipal process.

See [Appendix C](#) for further details on these key components.

APPENDIX A: PACE MASSACHUSETTS APPLICATION

This is the application that must be completed and submitted to MassDevelopment for each proposed project for PACE Massachusetts.

PROPERTY OWNER'S INFORMATION

 Property Owner's Name

 Property Owner's Address

 Telephone Email

Property Owner Type

- Corporation
 Sole Proprietorship
 Nonprofit Corporation
 S-Corporation
 Partnership
 Limited Liability Corporation
 Other (describe):

 Date Property Ownership Began
PRIMARY CONTACT / PREPARER'S INFORMATION *(Authorized representative, if different from Property Owner)*

 Preparer's Name

 Preparer's Company Title

 Address City State Zip Code

 Telephone Email
PROJECT SITE LOCATION

 Project Address City State Zip Code

 County Assessor Parcel ID Number
PROPERTY INFORMATION

 New construction or existing Total gross building square footage

 If existing, year constructed Number of stories

 Is the project permitted If yes, date of construction permit

 Is the project completed If yes, when was it completed

Building Description (if existing, include current use(s), hours of operation)

PROPERTY TYPE

Commercial <input type="checkbox"/>	Industrial/Manufacturing <input type="checkbox"/>
Office <input type="checkbox"/>	Retail <input type="checkbox"/>
Mixed-use <input type="checkbox"/>	Housing/Multi-family (5+ units) <input type="checkbox"/>
Other (please describe below in project description) <input type="checkbox"/>	

PROJECT DESCRIPTION

Proposed improvements include *(check all that apply)*

Electrification <input type="checkbox"/>	Lighting <input type="checkbox"/>	HVAC <input type="checkbox"/>
Solar PV <input type="checkbox"/>	All Electric Space Heating/Heat Pumps <input type="checkbox"/>	Building Management System/Controls <input type="checkbox"/>
Building Envelope <input type="checkbox"/>	Geothermal <input type="checkbox"/>	EV Charging <input type="checkbox"/>
	Other <input type="checkbox"/>	

If other, please describe:

For solar and other renewable technologies, what is the proposed size of the system?

Have you applied for and been awarded energy efficiency or renewable energy financial incentives through Mass Save or your MLP or Massachusetts Clean Energy Center? Yes No

Will the proposed energy improvements be owned by the property owner? Yes No

Will the proposed energy improvements be permanently fixed to the property? Yes No

PROJECT INFORMATION *(for new construction or renewables energy systems alone)*

Retrofit: Energy Efficiency Retrofits	<input type="checkbox"/>
Retrofit: Renewable Energy Improvements	<input type="checkbox"/>
New Construction: Specialized Code	<input type="checkbox"/>
New Construction: Stretch Code	<input type="checkbox"/>
New Construction: Base Code Plus One	<input type="checkbox"/>

TECHNICAL INFORMATION

Name of Project Developer *(if known)*:

TOTAL ESTIMATED PROJECT COSTS

List all anticipated sources of energy efficiency and/or renewables financial incentives)

Total Estimated Construction Costs		\$
Upfront:		
Energy efficiency incentives		\$
Renewable energy incentives		\$
Other: _____		\$
Ongoing:		
Renewable energy incentives		\$
Other: _____		\$
Total Estimated Net Project Costs		\$

Note: Additional technical information will be required; refer to the technical guidelines for more information.

PROPERTY OWNER FINANCIAL INFORMATION

Have you selected a PACE Capital Provider? Yes No

Do you need assistance finding a Capital Provider? Yes No

REQUESTED PACE FINANCING AMOUNT

Senior Lender / Mortgage Holder:

Outstanding mortgage balance: Repayment terms:

Monthly payment: Remaining term of mortgage:

Second Mortgage Holder (if applicable):

Monthly payment: Remaining term of mortgage

What is the assessed value of the property? (*Attach a copy of current property tax bill.*) Year: Assessed Value: \$

Has an appraisal been done on the property in the past three years? Yes No Year: Appraised Value: \$

In the last 3 years, has there been a major renovation? Yes No If so, in what year? Year:

In the next 5 years, are any renovations planned? Yes No

Are there any current betterment assessments on the property? Yes No

Have there been any releases of hazardous materials at or affecting the property? Yes No

Is there a lien under M.G.L. Chapter 21E on the property? Yes No

Do you currently pay property taxes on the property? Yes No

Are all mortgage payments current? Yes No

Have there been any delinquencies in mortgage payments for 60 days or more in the past 24 months? Yes No

Has a foreclosure proceeding been commenced against the property in the prior 24 months? Yes No

Is the property in a bankruptcy proceeding? Yes No

Has the property owner been subject to a bankruptcy proceeding in the past seven years? Yes No

Have your property taxes ever been delinquent (by 30 days or more) in the past 3 years? Yes No

Are there any tax liens or notices of default on the property? Yes No

Does the owner have sufficient net cash flow equal to or greater than the proposed annual PACE assessment? Yes No

IMPORTANT NOTICE

MassDevelopment will be represented by attorneys of their choice in the review of the terms of the transaction documents and in any related legal matters arising prior to the closing of the financing. In addition, MassDevelopment will charge a fee upon closing based upon a predetermined fee schedule. The Department of Energy Resources may also charge a Project Review Fee. By submitting this Application, the Applicant agrees that all incurred fees will be the responsibility of the applicant even if the financing fails to close.

The representations included in this application shall survive the closing of any resulting PACE Massachusetts financing.

The owner agrees that if it participates in PACE Massachusetts, it shall include MassDevelopment in any public relations events or materials related to the project and cooperate with and permit MassDevelopment to publicize its assistance, for marketing and public relations purposes, including, but not limited to, signage, press releases, public events, and promotional materials.

By submitting this request, I represent and certify to the best of my knowledge and belief that the information provided herein, and any exhibits or attachments hereto, is true and complete and accurately describes the proposed project. I agree to promptly inform MassDevelopment of any changes which may occur.

APPENDIX B: TECHNICAL STANDARDS FOR RETROFIT AND NEW CONSTRUCTION PROJECTS

With the Massachusetts Development Finance Agency, pursuant to its authority under G.L. c. 25A, sec. 6(13)¹, the Massachusetts Department of Energy Resources hereby publishes these technical guidelines for the implementation of the Commercial Property Assessed Clean Energy (PACE) program, as set forth in G.L. c. 23M.

¹ G. L. c. 25A, § 6 (13) <https://malegislature.gov/Laws/GeneralLaws/PartI/TitleII/Chapter25A/Section6>

1. Project Eligibility

A. General Eligibility

Energy Improvements that qualify for PACE Massachusetts financing include those related to (1) retrofits that reduce energy consumption or install renewable energy systems, or (2) new construction of a commercial, industrial, or multifamily (five or more units) property, in each case, that are permanently fixed to the property.

B. Projects eligible under PACE Massachusetts include:

- ***Retrofits that reduce energy consumption: energy efficiency and conservation measures including, but not limited to, lighting and lighting control upgrades, heating, ventilation, and air conditioning (HVAC equipment upgrades, building envelope improvements and efficient electrification). Stand-alone energy storage systems as defined in this guideline are also eligible.***
- ***Retrofits related to installation of renewable energy systems (Renewable Energy Improvements): installation of technologies that meet requirements for RPS Class I or technologies that meet requirements as renewable thermal generating units under the APS program, including but not limited to solar photovoltaic panels, wind systems, anaerobic digestion, solar thermal, ground-source heat pumps, air-source heat pumps, and biomass, as defined in Section 4. Energy storage systems paired with eligible Renewable Energy Improvements may qualify for PACE.***
- ***New Construction, as described below, that meets one of the New Construction Pathways, as set forth in Table 1 of this guideline:***
 - New building construction;²
 - Large addition (greater than 20,000 sq ft., or 100% or more of the existing building size) to an existing building;³
 - Alteration Level 3 (affecting greater than 50% of the area) to an existing building;⁴
 - Change of use to an existing building;⁵

² Please see Section C. Timeline for application.

³ As defined in the International Energy Conservation Code (IECC) 2021, Section 202.

⁴ As defined at International Existing Building Code (IEBC) 2021, Section 604.

⁵ As defined in International Energy Conservation Code (IECC) C501.1.

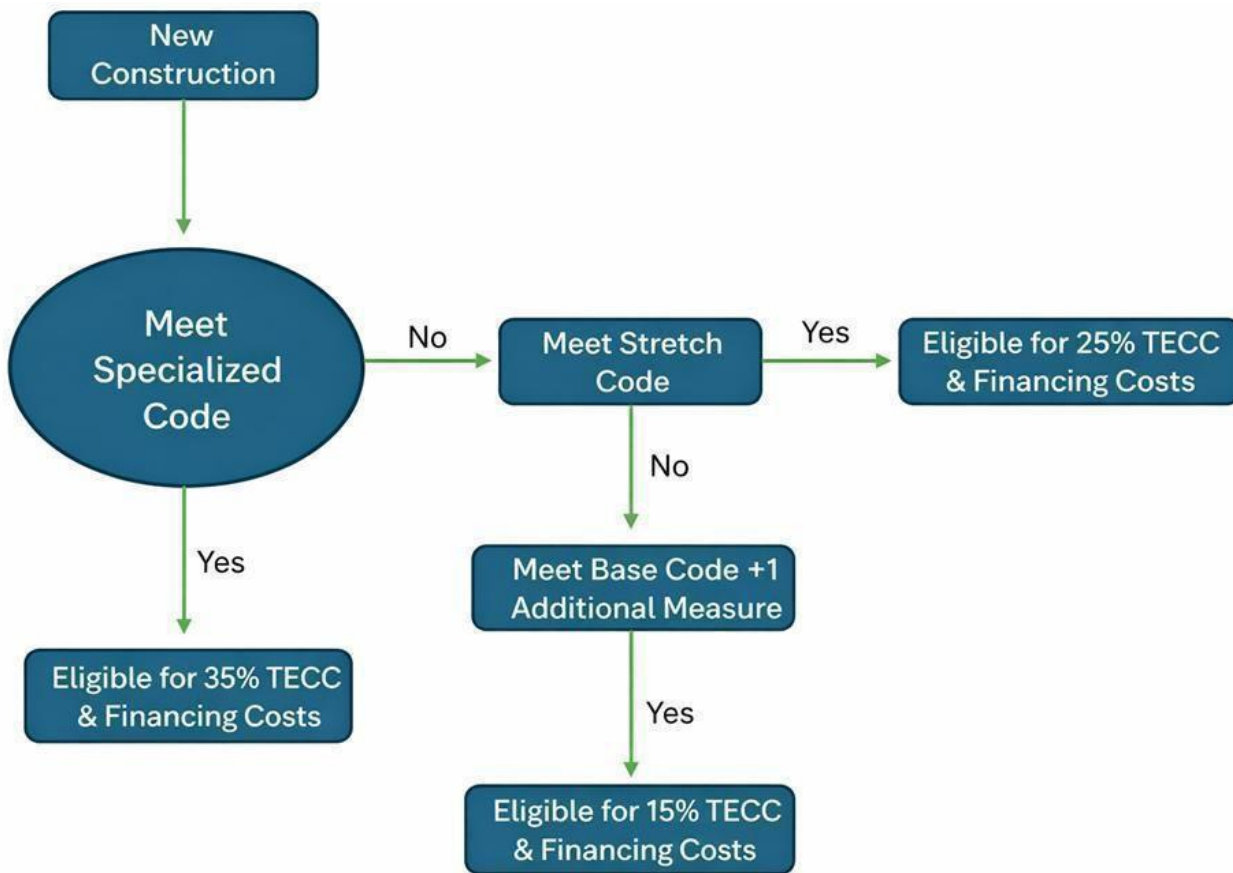

Table 1. Criteria for PACE Massachusetts financing:

RETROFITS OF EXISTING BUILDINGS	QUALIFYING CRITERIA	PACE FINANCING AMOUNT ALLOWED
Energy efficiency retrofits	See list of allowed improvements in Section 1.B. above.	Entire Cost of project and associated financing fees
Renewable Energy Improvements	See list of allowed improvements in Section 1.B. above	Entire Cost of project and associated financing fees
NEW CONSTRUCTION PATHWAYS		
Buildings that meet the Specialized Code Pathway	Building must conform to 225 CMR 23.00, Section CC104 (All-electric pathway) or CC105 (mixed-fuel building pathway)	35% of TECC, and associated financing fees and capitalized interest
Buildings that meet the Stretch Code Pathway	Building must conform to 225 CMR 23.00 (Stretch Energy code)	25% of TECC and associated financing fees and capitalized interest
Buildings that meet the Base Code Pathway	Buildings must conform to CMR 780 and meet one additional requirement above the base code, which may include: <ol style="list-style-type: none"> 1. All-electric space heating; or 2. On-site solar installation 	15% of TECC and associated financing fees and capitalized interest

Massachusetts' building codes are set forth in 225 CMR 23.00. Municipalities select which level of code (base, stretch, or specialized) is in effect for all new buildings and deep retrofits in their communities. A municipality's effective building energy code therefore determines which commercial PACE new construction pathway is the minimum starting point, and projects will be evaluated against the version that is current at the time of permit application. Property owners in a base or stretch code community may also choose to build a project in compliance with a higher new construction pathway to achieve a higher percentage of allowable financing.

The following chart is a guide for identifying the applicable pathway and associated financing amount for a project applying to PACE.

Fig 1. Guide to identifying applicable PACE financing

See Section 1.B. for the definition of new construction projects in PACE.

For projects in communities which change their effective code between the time a project is permitted and/or commences construction, PACE financing will be allowed at the level based on the project's compliance with the energy code which was effective at the time of permitting.

All Passive House (PH) projects permitted prior to May 2023 may seek retroactive PACE financing of up to 60% of TECC of the eligible portion of total building costs, provided that the total financing amount for a qualified project does not exceed 35% of TECC. DOER recognizes that mixed-use building projects will frequently contain a Passive House portion of the building envelope and one or more non-Passive House portion of the building envelope. This clarifies how projects should handle mixed-use building scenarios.

C. Timeline for Application

PACE Massachusetts applications for new construction are encouraged to be submitted prior to permit application. However, an application for PACE Massachusetts project financing may be eligible if within 36 months from receipt of a Certificate of Occupancy, or completion as a retrofit. The project must meet the eligibility and qualifying criteria for the applicable project pathway. The terms of the financing will remain the same.

DOER will consider requests for conditional pre-approvals for new construction projects on submission of:

- A statement from the applicant stating the project is designed to meet the applicable technical requirements of that pathway
- Itemized estimates of costs to be included in the Total Eligible Construction Cost (TECC) categorized by Construction Specifications Institute (CSI) divisions or approved equivalent
- A statement from the Owner that all information in the request is accurate and complete to the best of their knowledge and intentions

Note: A conditional pre-approval is not a final DOER decision on an application. DOER will issue an approval based on review of project details as required in the program technical standards.

D. Eligible Costs⁶

The specific items in a commercial PACE project that are eligible for financing (Retrofits and New Construction, as applicable) are:

- Design and procurement, including engineering and consulting services to prepare a PACE application, as well as legal fees⁷ and other related project costs
- Construction, installation, and implementation of Energy Improvements, including barrier mitigation and Renewable Energy Improvements
- Cost of non-eligible items directly related to the installation of eligible Energy Improvements. Examples of non-eligible items that may be necessary to facilitate a project and therefore may be included in the PACE Massachusetts financing amount include:
 - Asbestos abatement associated with a boiler retrofit

⁶ All energy improvements financed through PACE Massachusetts must be permanently fixed to the property.

⁷ To support a request for legal fees, the documentation must clearly show the legal fees are attributable to eligible construction activities.

- New pads to support new plant equipment, such as a new chiller
- Relocation of equipment associated with the installation of energy saving measures, such as relocating a packaged rooftop unit to better serve redistributed loads within a building
- Rerouting of a fire sprinkler system to accommodate a new HVAC system
- Electrical upgrades associated with the conversion of a gas-fired heating system to electric heat pumps or a new solar photovoltaic (PV) system
- Carports supporting a solar PV array
- Demolition of an existing parking lot and installation of a new parking lot to allow for installation of a bore field associated with a new ground source heat pump system
- Window shading devices.
- Project management
- Related energy audits
 - Feasibility studies
 - Permitting fees for eligible Energy Improvements
 - Commissioning of the installed improvements
 - Measurement and verification reports of the installation and effectiveness of Energy Improvements (including commissioning)
 - Financing and application fees⁸

Total Eligible Construction Costs (TECC) for new construction

The amount of PACE Massachusetts financing for new construction is dependent on the pathway followed in Table 1, and is expressed as a percentage of the TECC. The specific items eligible for inclusion in the TECC are hard and soft costs directly related to a project's design and construction. Costs of any items not permanently affixed to the building are not eligible, e.g., furniture, computers, and appliances. Energy Improvements must be permanently fixed to the property. Power purchase agreements and equipment lease agreements are not eligible for financing.

The TECC for each application is subject to review and approval by DOER and may include the following items:

- 03– Concrete
- 04– Masonry
- 05– Metals
- 06– Woods, Plastic, Composites
- 07– Thermal and Moisture Protection
- 08– Openings
- 09– Finishes
- 14– Conveying Equipment
- 15– Plumbing + HVAC
- 16– Electrical + Lighting (except for electrical upgrades and modifications required and owned by the utility)
- 20– Mechanical Support

⁸ Fully allowable, not subject to TECC calculations, See guidance from Mass Development for eligibility under this item.

- 21 – Fire Suppression
- 22 – Plumbing
- 23 – HVAC (including geothermal drilling and installation costs)
- 25 – Integrated Automation
- 26 – Electrical
- 27 – Communications
- 28 – Electronic Safety and Security
- 48 – Electrical Power Generation (limited to: photovoltaic, wind turbine, and energy storage systems attached to the building)
- 01 – General Requirements associated with above divisions
- Engineering and consulting services related to design and delivery of above.
- Modeling and other soft costs related to energy use and PACE application.

TECC shall not include the following Divisions

- 02– Existing Conditions
- 10– Specialties
- 13– Special Construction
- 30through 39(Site and Infrastructure Subgroup) including
 - Foundations and ground improvement
 - Soil and groundwater remediation
 - Soil characterization, management, and disposal
 - Demolition
 - Site development
 - Non-energy efficiency related scopes (i.e.. pools, fountains)
 - 40through 47 (Process Equipment Subgroup)
 - General conditions associated with excluded items

In addition, TECC shall not include the following

- Site acquisition and Enabling Costs
- Licensed Site Professional (LSP) Services
- Easements and permits
- Engineering, consulting, or other soft costs associated with excluded items

2. Project Developer Eligibility

PACE Massachusetts requires a qualified energy project developer (PD) to prepare the technical application package, baseline, and savings calculations and to use this information to calculate the SIR for new construction projects and retrofit projects requesting > \$2million in PACE financing. Retrofit projects requesting ≤\$ 2 million in PACE financing are not required to use a PD. A PD must have at least one of the following qualifications:

- Registered architect or Registered professional engineer⁹
- Investor Confidence Project (ICP) PD Credential¹⁰
- Association of Energy Engineers Certified Energy Manager® Certification¹¹
- The North American Board of Certified Energy Practitioners (NABCEP) Photovoltaic Design Specialist certification
- For Energy Consumption Reduction Improvements that use the standard or targeted ICP protocols only, at least five years (minimum) of demonstrated experience calculating energy savings in lieu of formal certification.
- MassSave® Program Administrator
- Energy Management Association Energy Management Professional (EMP) certification¹²

Please note: DOER will not recommend a PD or assist a building owner with PD selection.

3. Application Requirements

A. Overview of application

The components of a PACE Massachusetts project required for technical review are:

- PACE Massachusetts application
- Narrative describing the project, including:
 - New construction: ground up or gut renovation/adaptive reuse
 - Building characteristics, i.e., type, age, size
 - Proposed changes to the building if it is an existing structure
 - Description of type, size and efficiency of existing and proposed energy systems
 - New construction pathway and related TECC percentage or retrofit ICP protocol selected
 - An explanation of the extent to which project benefits will be passed down to tenants or the surrounding community (if applicable)
 - Other information to support DOER's project technical review.
- For projects requiring a Savings to Investment Ratio (Retrofit and renewable energy improvement pathways)
 - Documentation set forth in Section 4.A or 4.B, as applicable
 - Estimated project costs including PACE financing costs and fees provided by MassDevelopment

⁹ <https://www.mass.gov/orgs/board-of-registration-of-professional-engineers-and-land-surveyors>

¹⁰ <https://www.eepformance.org/how-does-pd-credentialing-work.html>

¹¹ <https://www.aeecenter.org/certified-energy-manager/>

¹² <https://www.energygmt.org/energy-management-professional-certification/>

- Supporting documentation, where applicable, including:
- Documentation and estimation of incentives including APS, RPS, or those available through the energy efficiency programs offered by Mass Save® or Municipal Light Plants (MLPs) in addition to all applicable components above, for new construction projects:
- Documentation set forth in Section 4.C

B. Project Comprehensiveness and Post Construction Requirements

1. Applicants are encouraged to consider both Energy Consumption Reduction (e.g. efficiency measures) and Renewable Energy Improvements (e.g., solar) when proposing PACE projects.
2. Applicants are encouraged to utilize all possible financial incentives and explore all economically feasible Energy improvements. If utilized, applicants should provide evidence of engagement with incentive programs, e.g., MassSave®. Examples of satisfactory documentation of engagement include, but are not limited to, a letter from the energy efficiency vendor, a copy of a rebate check, or a copy of a previous audit with documentation of steps taken in response. If an applicant has interacted with the programs but has chosen to forgo incentives or technical assistance, the reason should be stated in writing in the application.
3. Upon construction completion, the property owner shall provide the following:
 - One or more Certificates of Occupancy (CofO). A copy of each fully executed Certificate of Occupancy will subsequently be provided by the Capital Provider to MassDevelopment and DOER. In addition, the property owner/ financing agreement shall authorize the capital provider, MassDevelopment and DOER to inspect the property and property owner records (as necessary) to assure completion of the energy improvements in accordance with the requirements of the PACE Massachusetts program.
 - A statement that systems have been installed in accordance with the contract documents, and that the systems are performing as expected; Costs for Commissioning of all Energy Improvements are eligible for PACE financing.

C. PACE Application review process

DOER encourages applicants to engage with DOER as early as possible in the process of project development and application preparation. This will enable DOER and its technical review consultant to answer any questions and guide the preparation of an application that meets the standards of the PACE Massachusetts program.

Applications that cannot meet the PACE Massachusetts technical standards for reasons including, but not limited to, the following:

- Projects that do not meet the eligibility criteria as listed in this guideline
- Unsubstantiated or unreasonable cost estimates
- Failure to adequately demonstrate compliance with the applicable pathway

DOER will take the following steps:

- Notify applicant and MassDevelopment via email
- Send written confirmation of the reason(s). Speak directly with the applicant and their project team to discuss which items do not comply with the PACE Massachusetts program guidelines.
- Request the timely submission of the remedial information.
- Review remedial information submitted by the applicant.

If the application still has significant deficiencies after remedial steps have been taken, DOER may reject the application for not complying with the PACE Massachusetts technical program standards. DOER will notify the applicant and MassDevelopment via email. After an application has been rejected, it may be updated and resubmitted for review. If an application for a project is resubmitted after a formal rejection has been issued, the applicant will need to restart the application process.

D. Project Developer Statement (Appendix K)

The Project Developer (PD) must include a written statement confirming that the project's technical details in the application are accurate and complete based on the professional's opinion. Please see the PACE Massachusetts Project Developer Statement Template ([Appendix K](#)).

For Project Developer completion by opt-up projects only I, the undersigned, attest the project outlined in this application meets the requirements of the (check one):

- Massachusetts Base Code, as outlined in 780 CMR, plus one of the following options
 - All-electric space heating as outlined in the technical standards (documentation provided)
 - Photovoltaic installation as outlined in the technical standards (documentation provided)
- Massachusetts Stretch Code, as outlined in 225 CMR 23.00.
- Massachusetts Specialized Code, as outlined in 225 CMR Chapter 23 and Appendix CC, and pursued the following pathway:
 - Mixed-Fuel Building Performance Standard (Sections CC105 and CC106)
 - All Electric Building Performance Standard (Section CC104)
 - Zero Energy Building Performance Standard (Section CC103)

4. Detailed Technical Requirements

The following section contains details on the specific eligibility criteria and application requirements for retrofits and new construction, as detailed in Table 1.

A. Existing Buildings / Energy Retrofits

To receive technical approval from DOER, a Retrofit Project for Energy Reduction must adhere to the requirements below.

1) Application

- (a) The PACE application for Energy Retrofits must include supporting studies

or other documentation. These should be submitted, as applicable:

- Design drawings or construction drawings
 - Equipment and Installation Cost Schedule
 - Relevant Warranty Information
 - Equipment Useful Life Assumptions
 - Proof of Incentive (if available)
 - Measurement and Verification Plan¹³ (if available)
 - Commissioning Plan
 - Operation and Maintenance Plan
 - Dispatch Schedule
 - Interconnection Agreement (if available)
 - Tax Credit Schedule
 - Energy Generation Schedule
 - SMART Payment Schedule
 - RECs, AECs, & CPECs Sales Schedule
- (b) The following types of building documentation may be used as part of a PACE application for an Energy Retrofit if it was completed no more than two years (24 months) prior to the date of application submission:
- American Society of Heating Refrigeration and Air Conditioning Engineers (ASHRAE) energy audit, minimum Level I, including estimated energy savings that will accrue from eligible energy improvements
 - Building energy use baseline
 - Technical assistance study prepared under a Mass Save[®] or MLP program
 - Other Energy Improvement project documentation prepared for a Mass Save[®] or MLP program

Please submit the documentation as an attachment to the PACE application. DOER will review information on a case-by-case basis and evaluate in accordance with current PACE program guidelines.

1. Supporting Documentation

- a. The PD must include supporting documentation that show how savings calculations were determined. See the SIR workbook for more detailed requirements.

¹³ All Energy Retrofit projects are encouraged, but not required, to undertake the detailed measurement and verification requirements. Costs for detailed measurement and verification of Energy Improvements may be included as part of the PACE financing.

- b. For projects that participate in Mass Save® programs that prepare technical assistance (TA) studies, the TA studies should be included as supporting documentation

B. Renewable Energy Improvement Projects

The following Renewable Energy Improvements are considered eligible for PACE Massachusetts:

- Massachusetts RPS Class I eligible technologies¹⁴
- Massachusetts APS renewable thermal eligible technologies¹⁵
- Energy storage technologies eligible for the SMART Massachusetts program¹⁶

Please note: Renewable Energy Improvements must be affixed to the benefitted property. Power purchase agreements and equipment leases are not eligible for PACE Massachusetts financing. Always refer to the latest APS and RPS Class I Regulations posted on the MA DOER web site¹⁷.

As of March 2023, the following fuels, energy resources and/or technologies are eligible for financing under PACE:

RPS Class I	APS Renewable Thermal	Other
Solar photovoltaic	Air Source Heat Pumps	Energy Storage
Solar thermal electric	Ground Source Heat Pumps	
Wind energy	Solar Hot Water	
Small hydropower	Solar Hot Air	
Landfill methane and anaerobic digester gas	Eligible Biomass	
Marine or hydrokinetic energy		
Geothermal energy		

1. Application

For Renewable Energy Improvements, the PACE Massachusetts application must include:

- 1) A description of the proposed renewable electric, renewable thermal energy, or paired storage system
- 2) Identification and evaluation of site/building suitability. A helioscope with production numbers is an example of sufficient information.
- 3) Identification of metering specifications (locations, # of meters, etc.)
- 4) Identification of the electricity and/or fuel rate structure

¹⁴ <https://www.mass.gov/doc/rps-class-i-11-28-22/download>> Please note that new biomass systems no longer qualify for the RPS Class I eligible technologies

¹⁵ <https://www.mass.gov/files/documents/2019/07/01/225%20CMR%2016%20APS%20Regulation%20CLEAN%20FINAL%20%28060619%29.pdf>

¹⁶ For the purposes of Massachusetts PACE, energy storage is defined as a commercially available technology that can absorb energy, store it for a period, and thereafter dispatch the energy.

¹⁷ <https://www.mass.gov/info-details/statutes-regulations-and-guidelines>

- 5) Assessment of the expected system performance and maintenance requirements
- 6) Identification of performance warranties and warranty term (if applicable)
- 7) For storage projects, operational information including:
 - A description of the proposed dispatch strategy for storage systems, including how the storage will be dispatched during times of peak electric grid load.
- 8) An estimate of the annual number of full charge and discharge cycles for the energy storage system Total cost for project
- 9) Please provide the following supporting documents:
 - Operation and Maintenance Plan (if available)
 - Dispatch Schedule (if available)
 - Interconnection Agreement (if available)
 - Estimate of Tax Credits (if applicable)
 - Energy Generation Schedule
 - SMART Payment Schedule
 - RECs, AECs, & CPECs Sales Schedule (if applicable)

2. Useful life

The useful life of Renewable Energy Improvements is determined by the product manufacturer or PD. All relevant product documentation (e.g. warranties or cut sheets) for all components of the Renewable Energy Improvements must be submitted in the PACE Massachusetts application. If the useful life is greater than the maximum financing term of 20 years, the savings in the years past the end of the financing term (up to 30 years) may be included.

3. Note on Resiliency and Microgrids

PACE Massachusetts will consider all equipment that is required for a project to be eligible for financing. For example, for a project that requires microgrid controls such as black start switch gears, main transfer switches and/or master controllers, the resiliency equipment may be included and financed through PACE.

4. Dispatch Strategy

When paired with a Renewable Energy Improvement, an energy storage system can be considered a part of a renewable measure if the SIR of the whole system is greater than one.

C. New Construction Projects

For **new construction projects**, the following conditions must be met.

1. Requirements

PACE financing amounts are determined by the pathway a project follows as set forth in Table 1.

2. Supporting documentation

- Narrative description of the project stating the code compliance pathway followed and any milestone dates that have passed such as permitting date, date of completion and certificate of occupancy
- All documentation required to show compliance with the code pathways at the time building was permitted or as stipulated in the Specialized Code and code guidelines.
- Itemized construction budget for items included in the Total Eligible Construction Cost(TECC)
 - Itemized construction budget of items delineated in accordance with Construction Specifications Institute (CSI) divisions, included in the TECC of 'as-designed' building.
 - Itemized construction budget of items delineated in accordance with Construction Specifications Institute divisions, included in the TECC of 'baseline' building where applicable and any milestone dates that have passed such as permitting date, date of completion and certificate of occupancy.
- Itemized construction budget for items included in the Total Eligible Construction Cost(TECC)
 - Itemized construction budget of items delineated in accordance with Construction Specifications Institute (CSI) divisions or similar, included in the TECC of the building.

All documentation required to show compliance with the applicable and appropriate new construction energy code pathways at the time the building was permitted, including:

- Design drawings
- Equipment cutsheets and AHRI certificates
- Energy Modeling Documentation (applicable for Stretch Code's Targeted Performance Pathway (C407.1) and Relative Performance Pathway (C407.2))
 - Energy model analysis report, stating all model inputs and outputs (results)
- Documentation applicable for Stretch Code's Certified Performance Pathway (C407.3-4):
 - Requirements to get a building permit(Phius): C407.3.2.1 or C407.3.2.2 C407.3.2.1 Phius Documentation.
 - 1. Prior to the issuance of a building permit, the following items must be provided to the Building Official:
 - a. A Passive House Verification report with results from the approved Passive House certification software which demonstrates project compliance with Phius CORE 2021 (or newer), or Phius ZERO 2021 (or newer) performance requirements.
 - b. A statement from the CPHC that the verification report results accurately reflect the plans submitted.
 - c. Evidence of project registration from Phius.
 - OR
 - a. A Design Certification Letter from
 - Itemized construction budget for items included in the Total Eligible Construction Cost (TECC) of the baseline building.
 - Itemized construction budget for items included in the Total Eligible Construction Cost

(TECC) of the as-designed building. This should be in .xls format and the differences in items from baseline building should be highlighted.

- Measurement and Verification Plan¹⁸ (if applicable)
- Commissioning Plan¹⁹ (if available)
- Operation and Maintenance Plan (if applicable)
- Dispatch Schedule
- Interconnection Agreement (if available)

Technical Approval Letters

DOER will issue an approval letter after a satisfactory technical review, which will contain the following information as applicable:

- Property owner and property/project address
- Outline of the Energy Improvements financed under PACE Massachusetts
- Which incentives, if any, were leveraged at the time of application

Approval letters are valid for 12 months from the date of issue. Up to two six-month extensions are available

¹⁸ All Energy Retrofit projects are encouraged, but not required, to undertake measurement and verification requirements.

¹⁹ 21 Commissioning costs are eligible for financing.

APPENDIX C: FINANCIAL STANDARDS

The financial standards describe the financing model that PACE Massachusetts will employ and all the steps an applicant must follow to access financing under the program.

1. Open Market Third Party Financing Structure

An open market, third party financing structure is employed for PACE Massachusetts to create a robust market that attracts a diverse range of capital providers including banks, credit unions and PACE focused capital providers. The open market third party financing structure allows more flexible financing options for PACE projects and it allows a property owner to select a capital provider that best suits the owner's needs, and to select them at any time during the process.

PACE Massachusetts requires capital providers to register with MassDevelopment before financing PACE projects in Massachusetts. Entities interested in becoming a PACE Massachusetts registered capital provider should respond to the open Request for Information for Capital Providers for the Commercial Property Assessed Clean Energy Massachusetts Program ("RFI") ([Capital Provider RFI](#)). If a capital provider provides the required RFI information, they will be registered as an interested PACE Massachusetts capital provider on the Registry maintained by MassDevelopment. Registered capital providers may be contacted about PACE Massachusetts project financing opportunities from property owners or MassDevelopment. The list of registered capital providers is maintained by MassDevelopment and available upon request to a property owner pursuing PACE financing. Property owner(s) will evaluate and select a capital provider based on their own criteria. The application interest rate and capital provider imposed fees (if any), and any financing terms will be established by the capital provider selected by the property owner, but must be commercially reasonable and incorporated in the PACE Massachusetts financing agreement. MassDevelopment will not make capital provider selections.

Please note MassDevelopment makes no assurances or certifications about registered capital providers.

2. Underwriting Standards

The PACE Massachusetts minimum financial underwriting standards required for projects are described below. The guideline standards will govern the terms and conditions under which financing for PACE Massachusetts projects will be made available. Additional underwriting standards will be required by capital providers.

In order for projects to pursue financing under PACE Massachusetts, the property owner must provide three (3) years of financial statements and certify in its application that:

- It is current with respect to mortgage loans and tax assessments, there have been no significant delinquencies in the recent past, and it is not currently and has not been in the prior seven years in a bankruptcy proceeding. See [Appendix A](#) for further details.
- It will have met the requirements in the technical standards to receive DOER approval. See [Appendix B](#) for further details.

- The PACE assessment financing term will not exceed the lesser of: (1) the useful life of the longest-lived asset of the commercial energy improvements comprising the commercial PACE project financed by such betterment assessment; or (2) twenty years.

Property owners must also provide three (3) years of financial statements, or if owned less than three (3) years financial statements from the date they began ownership, with their application.

3. Municipal Opt-In Provision

PACE Massachusetts is available to property owners located in all municipalities within the Commonwealth, subject to the applicable municipality's initial, one time election to participate/opt-in to the program. A municipality must authorize its participation in PACE Massachusetts through adoption of the PACE Opt-in Resolution by the appropriate municipal process. This authorization is typically accomplished through a vote by the municipality's City Council or Select Board. Municipalities are not responsible for and do not authorize participation in PACE by each project. MassDevelopment will coordinate and support the efforts to assist each municipality that wishes to opt-in to PACE Massachusetts. Municipalities interested in PACE should contact MassDevelopment directly to discuss the PACE Massachusetts program. A copy form of the municipal opt-in resolution is included as [Appendix J](#).

Once a municipality has opted in to PACE Massachusetts, MassDevelopment staff coordinate with municipal staff to set up the assessment process including execution of the Municipal Assessment and Assignment agreement, the a form of which is included as [Appendix G](#).

Entities desiring to use PACE Massachusetts are urged to contact MassDevelopment early to determine whether the municipality in which the project is located has elected or has plans to elect to participate in the program. If a municipality has not already been introduced to PACE Massachusetts, MassDevelopment will initiate discussions with them to do so.

4. Program Fees

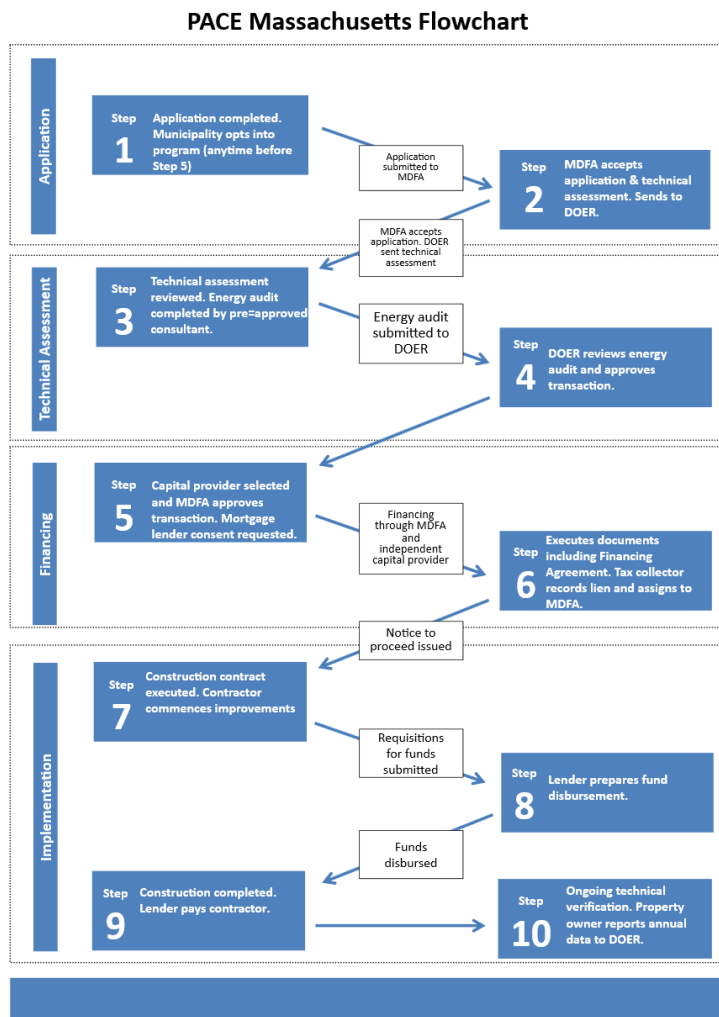

PACE Massachusetts program costs that will be charged to participants are to cover the administration of the program. A program administration and annual servicing fee schedule, set by MassDevelopment, will be applicable and charged to each project. The program administration and annual servicing fee schedule is available from MassDevelopment upon request and is subject to change. Annual servicing fees will be included in the amount of the PACE betterment assessment. Prior to the closing of the PACE financing, the borrower will receive in writing information regarding the proposed financing, including the aggregate amount of the PACE betterment assessment, the payment schedule, the applicable interest rate, and a description of all applicable fees.

5. Application Development

We encourage interested parties to contact and start early discussions with MassDevelopment if considering PACE Massachusetts financing. This helps an applicant determine if they are eligible before investing additional time and resources to compile the data for necessary for technical submission approval.

6. Application Steps

Below describes the process to follow once an application is ready for formal review and financing requirements for closing if the application is approved. The information provided is intended to act as a guide for participants and to help expedite the review. All projects differ and applicants may go through steps in a different succession. Property owners may select and begin working with a Capital provider at any point in their energy project development but are encouraged to select one before submitting their application.

A. Project Application

First, an interested property owner will submit a completed PACE Massachusetts project application ([see Appendix A](#)). The application requires basic information about the proposed project in order to confirm the eligibility of a particular property/project for participation in PACE Massachusetts. If an applicant cannot complete the application, it should be filled out with as much information that is known as that time. MassDevelopment or DOER may contact the property owner with follow up questions about the application. A \$250 application fee and a technical review fee will be due to MassDevelopment if the application moves to technical review.

B. Technical Review

If a project application has been positively reviewed and accepted, MassDevelopment and DOER will inform the applicant and invite them to submit the remaining required data for technical review ([see Appendix B](#))

The applicable technical review fee will be determined and communicated to the applicant after the list of proposed energy improvements has been reviewed.

After the technical review has been completed, applicants may be asked to update their application as necessary, if any information was revised.

C. Mortgage Holder Consent

If there is an existing mortgage on the property, the consent of each mortgage holder will be required. Mortgage holder(s) will be notified of the property owner's request to consent to a PACE Massachusetts financing through a standard Notice of Proposed Betterment Assessment and Request for Mortgage Holder Consent form ([Appendix D](#)). Each mortgage holder will be required to execute and return a Mortgage Holder Consent to PACE Betterment Assessment in the form of [Appendix E](#).

D. Financing Agreement between Property Owner and Capital provider

The capital provider selected by the property owner will enter into a financing agreement with the owner to finance the project. The form of the PACE Massachusetts financing agreement is included as [Appendix F](#). Each capital provider will determine the interest rate, term, and any fees they require. Capital providers will use their own underwriting criteria in determining whether or not to finance a PACE Massachusetts project.

E. Betterment Assessment and Repayment

As part of closing of the financing, MassDevelopment will coordinate the levying of a PACE Massachusetts betterment assessment on the property and the recording of a corresponding lien on the property with the host municipality. Billing and collection of the PACE Massachusetts betterment assessment will be done via the municipality's property tax billing and collection process in accordance with the project's payment schedule. MassDevelopment will work with the project's Capital Provider to synchronize the payment of the PACE Massachusetts betterment assessment with the municipality's tax collection schedule. The PACE assessment may be billed annually, semi-annually or annually, depending on the host municipality's collection schedule and its ability to accommodate other payment schedules. The PACE Massachusetts betterment assessment will be listed on the municipality's property tax bill as a separate line item and payment will be due to the municipality on the applicable payment date. Once received, the municipality will be required to disburse the PACE assessment funds to MassDevelopment's designated servicer for disbursement to the project's capital provider.

MassDevelopment will work with each municipality to understand its existing or preferred procedure for billing and collection of the PACE Massachusetts betterment assessments to ensure the procedure employed by PACE Massachusetts requires no undue effort by the municipality. The form of Municipal Assessment and Assignment agreement is included as [Appendix D](#).

F. Security

Each PACE Massachusetts financing will be secured by a non-accelerating PACE betterment assessment levied on the property and a corresponding lien placed on the property at closing by the applicable municipality. At closing, the lien is assigned by the municipality to MassDevelopment, and by MassDevelopment to the applicable capital provider who holds the lien for the duration of the financing.

Under PACE Massachusetts, the PACE betterment assessment and lien will run with the property. This means if a property is sold and the PACE betterment assessment has not fully amortized at the time of sale, the balance of the PACE betterment assessment will remain on the property secured by the lien and the obligation to pay the PACE betterment assessment automatically will transfer to the next property owner.

The lien will be senior to other private mortgage liens or encumbrances on the property, except a lien for municipal property taxes. This means that the PACE betterment assessment lien will be senior to and have priority over all private mortgage liens on the property (if any), and be junior in priority only to a municipal tax lien. As previously noted, a prerequisite for the placement of the lien and for participation in PACE Massachusetts is the prior written consent of all existing mortgage holders to the levying of the PACE betterment assessment and the placement of such lien.

In event of default, the PACE betterment assessment lien can be enforced in the same manner as any private party holding a lien on real property including but not limited to, foreclosure in a manner consistent with the rights afforded a mortgagee. To the extent the betterment assessments are paid in installments and any such installment is not paid when due, the betterment assessment lien may be foreclosed to the extent of any unpaid installment payments and any penalties, interest and fees related thereto. In the event the betterment assessment is foreclosed, such lien shall survive the judgment of foreclosure to the extent of any unpaid installment payments of the betterment assessment secured by such lien that were not the subject of such judgment foreclosure. In the event a lien for property taxes of the municipality is foreclosed, the betterment assessment lien shall be extinguished solely with regard to any installments that were due and owing on the date of the foreclosure of such tax lien, and the betterment assessment lien shall otherwise survive the foreclosure.

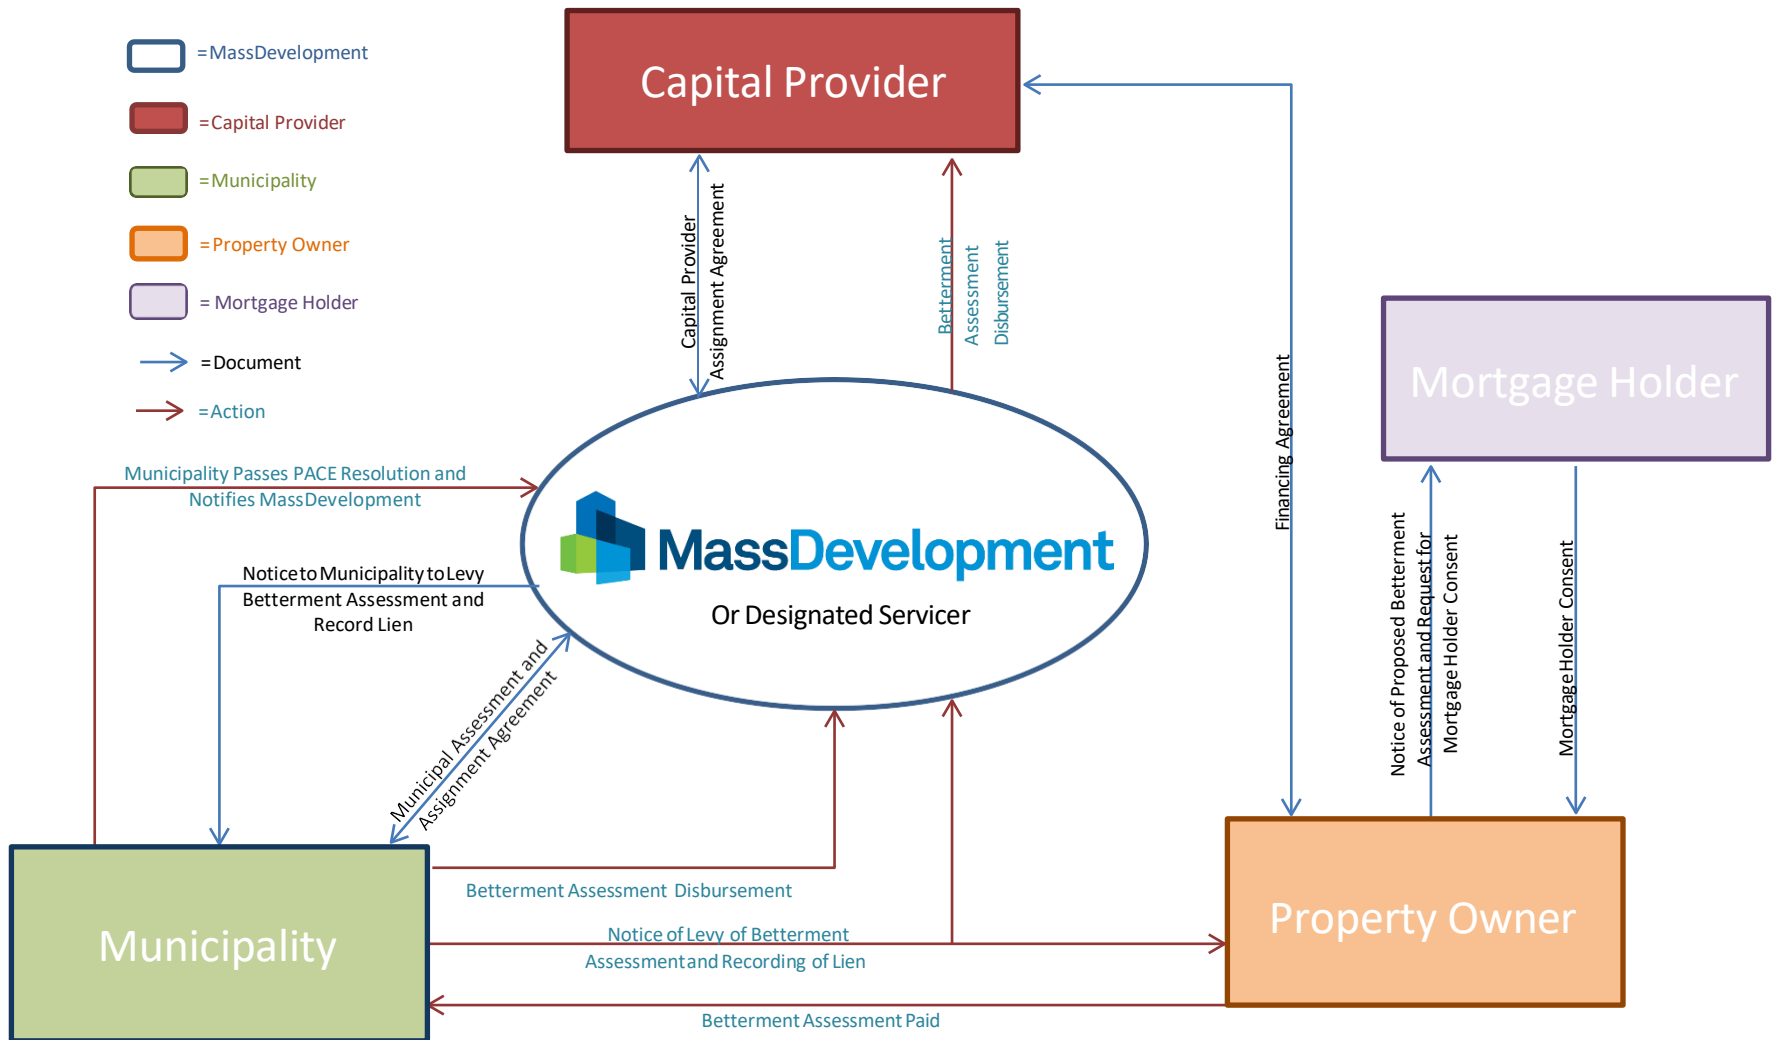

G. Owner Disclosure Statement and Agreement

Each property owner will be required to sign a PACE Massachusetts Owner Disclosure Statement and Agreement ([Appendix H](#)). This document provides for disclosure to, acknowledgement and agreement from each property owner of the risks and characteristics of PACE Massachusetts as set forth in the disclosure statement and agreement.

H. Capital provider Assignment Agreement

Each capital provider will be required to sign a PACE Massachusetts Capital provider Assignment Agreement ([Appendix I](#)). This document allows MassDevelopment to assign the PACE lien to the capital provider as security for the financing subject to the terms of the financing agreement.

Commercial PACE Structure

APPENDIX D: REQUEST FOR MORTGAGE HOLDER CONSENT TO PROPOSED PACE BETTERMENT ASSESSMENT

This notice advises the existing mortgage holder that the property owner wishes to install energy improvements using financing provided through the PACE Massachusetts program and the property owner requests consent from any existing mortgage holder.

**PACE MASSACHUSETTS
REQUEST FOR MORTGAGE HOLDER CONSENT
TO PROPOSED PACE BETTERMENT ASSESSMENT AND LIEN**

Date:

Name of Mortgage Holder:

Property Address:

Property Owner/Borrower:

Municipality:

Loan Number:

Please be advised that the owner/borrower listed above (the "Owner") owns the property located at the address above (the "Property"). This notice and request for consent is being provided to you, as the holder of a mortgage lien on the Property.

NOTICE OF PROPOSED PARTICIPATION IN PACE MASSACHUSETTS

The Owner wishes to participate in the Massachusetts Commercial Property Assessed Clean Energy Program ("PACE Massachusetts" or the "Program"), authorized, pursuant to M.G.L.c. 23M, as amended (the "PACE Act"), and established, in consultation with the Massachusetts Department of Energy Resources ("DOER"), and administered by the Massachusetts Development Finance Agency ("MassDevelopment"). A copy of the PACE Act is attached as **Exhibit A**.

Through PACE Massachusetts, the owners of commercial, industrial, and multifamily properties (five or more units) can obtain financing to construct, renovate or retrofit their properties to reduce energy consumption or install renewable energy systems ("commercial energy improvements"). Under PACE Massachusetts, commercial energy improvements are eligible for financing, provided that the commercial energy improvements are permanently affixed to the property (the "benefitted property").

Under the Program, the financing of the commercial energy improvements is repaid through a betterment assessment (a "PACE betterment assessment") levied upon the benefitted property by the municipality in which the benefitted property is located. Municipal betterment assessments have long been used by cities and towns to finance improvements to real property that meet a public policy objective, such as the installation of sidewalks and sewer systems. Betterment assessments, including PACE betterment assessments, are levied on the benefitted property and collected in the same manner as municipal property taxes, including, in the event of a default or delinquency, with respect to any penalties, fees, and lien priorities.

The Owner wishes to undertake commercial energy improvements to the Property and to finance such improvements through PACE Massachusetts. Through providing this notice to you, the Owner is hereby requesting your consent to its participation in PACE Massachusetts, as described below.

QUALIFYING PACE PROJECTS

For a project to qualify for financing under the Program, the following basic criteria must be met:

- The property is located in a municipality that has opted to participate in the Program and has entered into a Municipal Assessment and Assignment Agreement with MassDevelopment (the "Municipal Agreement"), which governs the municipality's participation in the Program. Under the Municipal Agreement, the municipality is required to levy a PACE betterment assessment and impose a PACE betterment assessment lien (a "PACE Lien") on each benefitted property located in the municipality, in an amount determined by MassDevelopment to be needed to repay the PACE financing. The municipality also is required to collect the PACE betterment assessment payments and pay them over to MassDevelopment, for payment to the provider of the financing (the "PACE credit provider").
 - The property is a commercial, industrial, or multi-family (five or more units) property.
- The proposed project consists of commercial energy improvements that meet the technical eligibility requirements established by DOER, and DOER has reviewed and approved the project for participation in PACE Massachusetts.
 - The proposed commercial energy improvements are permanently affixed to the property.
- All municipal property taxes and any other betterment assessments levied on the property have been paid to date.
 - The property owner receives consent from all existing mortgage holders.

CONSIDERATIONS FOR PROVIDING CONSENT

- **Improvements financed through PACE Massachusetts are expected to reduce building operating costs.** Under the Program's technical guidelines, a proposed project must have a Savings to Investment Ratio (SIR) greater than one, meaning that the energy cost savings from the commercial energy improvements over the useful life of the improvements exceeds the costs of the improvements (which costs include financing costs and associated fees), as reflected in DOER's approval of the project.
- **PACE betterment assessments do not accelerate.** In the event a mortgage holder were to foreclose on the benefitted property, only the amount of the PACE betterment assessment currently due and/or in arrears would be required to be satisfied as a senior lien on the benefitted property. In the event of a sale or transfer of the benefitted property, PACE betterment assessments run with the property and transfer to the new property owner.
- **Improvements financed through PACE Massachusetts generally improve properties, often reducing maintenance and repair costs.** In addition, energy measures improve the efficiency, health, and comfort of a building, making it more attractive to tenants and future owners.

WHAT YOU SHOULD KNOW

The Owner is seeking to participate in PACE Massachusetts to obtain financing for the proposed commercial energy improvements to the Property outlined in **Exhibit B**. If the proposed commercial energy improvements are ultimately approved for financing under the Program, a PACE betterment assessment would be levied on the Property and a PACE Lien recorded against the Property pursuant to the Municipal Agreement. Under the PACE Act, the PACE Lien, subject to the consent of existing mortgage holders, will take precedence over all other liens or encumbrances on the Property, except a lien of the Municipality for real property taxes. The PACE Lien will be assigned by the Municipality to MassDevelopment, and

MassDevelopment expects to further assign the PACE Lien as security for the financing to the PACE credit provider. A PACE Lien can be enforced in the same manner as any private party holding a lien on real property, including foreclosure in a manner consistent with the rights afforded a mortgagee. However, a PACE betterment assessment cannot be accelerated. The expected total amount of the PACE betterment assessment and the proposed payment schedule are set forth in **Exhibit C**.

PURPOSE OF THIS NOTICE

As required by the PACE Act, the Owner is sending this Request for Consent to Proposed PACE Betterment Assessment and Lien to you, as Mortgage Holder, to (i) provide notice of the Owner's proposed participation in PACE Massachusetts, (ii) inform you that if the proposed commercial energy improvements to the Property are ultimately approved for financing under PACE Massachusetts, a PACE betterment assessment will be levied upon the Property and collected in installments on the property tax bill in the same manner as and subject to the same penalties, fees and lien priorities as real property taxes assessed against the Property by the Municipality, (iii) declare the Owner's agreement to pay on a timely basis both the existing obligations secured by the Property (including the Loan) and the proposed PACE betterment assessment, (iv) request your consent, as the holder of a mortgage on the Property, to the Owner's participation in PACE Massachusetts, and to the levying of a PACE betterment assessment and the imposition of a PACE Lien on the Property, pursuant to the Municipal Agreement as described above, and (v) obtain your confirmation that the levying of the PACE betterment assessment and the imposition of the PACE Lien will not trigger a default or an event of default with respect to the Loan, or the exercise of any remedies under the documents and security instruments governing the Loan.

REQUEST FOR EXECUTION AND RETURN OF CONSENT

The Owner hereby confirms its intention to pay on a timely basis all existing obligations secured by liens on the Property, including the Loan, and the proposed PACE betterment assessment. Accordingly, the Owner hereby requests that you execute the attached Mortgage Holder Consent to Proposed PACE Betterment Assessment and Lien and return it to the undersigned at your earliest convenience.

Very truly yours,

APPENDIX E: MORTGAGE HOLDER CONSENT TO PACE BETTERMENT ASSESSMENT

This form acknowledges that the property owner intends to install energy improvements using financing provided through the PACE Massachusetts program and the mortgage holder agrees to the PACE Betterment Assessment. Each existing mortgage holder will be required to provide consent by signing this form.

**PACE MASSACHUSETTS
MORTGAGE HOLDER CONSENT TO PACE BETTERMENT ASSESSMENT AND LIEN**

Date:

Name of Mortgage Holder:

Property Address:

Property Owner/Borrower:

Municipality:

Loan Number:

This Mortgage Holder Consent to PACE Betterment Assessment and Lien (this "Consent") is given by the undersigned entity (the "Mortgage Holder") with respect to the above-referenced loan (the "Loan"), which is secured by a mortgage lien granted to the Mortgage Holder by the above-referenced property owner (the "Owner") on the above-referenced property (the "Property").

RECITALS

A. The Lender is in receipt of a Request for Mortgage Holder Consent to Proposed PACE Betterment Assessment and Lien (the "Notice") from the Owner stating that the Owner proposes to finance the installation on the Property of certain commercial energy improvements that will be permanently fixed to the Property (the "Qualifying Improvements") through participation in the Massachusetts Commercial Property Assessed Clean Energy Program ("PACE Massachusetts"). PACE Massachusetts is administered by the Massachusetts Development Finance Agency ("MassDevelopment").

B. The Mortgage Holder understands that as a result of the Owner's participation in PACE Massachusetts, the PACE betterment assessment described in the Notice will be levied on the Property and a PACE betterment assessment lien (the "PACE Lien") will be placed on the Property by the above-referenced Municipality, and that the PACE betterment assessment will be collected in installments on the property tax bill issued by the Municipality, in the same manner as and subject to the same penalties, fees and lien priorities as real property taxes assessed against the Property by the Municipality. The PACE Lien will be assigned by the Municipality to MassDevelopment, and MassDevelopment expects to further assign the PACE Lien as security for the financing. A PACE Lien can be enforced in the same manner as any private party holding a lien on real property, including a mortgagee.

CONSENT

The undersigned hereby represents that it is authorized to execute this Consent on behalf of the Mortgage Holder. The Mortgage Holder hereby confirms, acknowledges and agrees:

A. The Mortgage Holder is in receipt of the Notice from the Owner stating that the Owner proposes to finance Qualifying Improvements that will be permanently fixed to the Property through participation in PACE Massachusetts.

B. The Lender understands that as a result of the Owner's participation in PACE Massachusetts, (i) the PACE betterment assessment described in the Notice will be levied on the Property by the Municipality, and that the PACE betterment assessment will be collected in installments on the property tax bill issued by the Municipality in the same manner as and subject to the same penalties, fees and lien priorities as real property taxes assessed against the Property by the Municipality, (ii) a PACE Lien

will be placed on the Property by the Municipality, which lien will be assigned by the Municipality to MassDevelopment, and that MassDevelopment expects to further assign the PACE Lien to the provider of the financing (the "PACE Capital Provider"), as security for the financing, and (iii) a PACE betterment assessment can be enforced in the same manner as any private party holding a lien on real property, including a mortgagee.

C. The Mortgage Holder consents to the levying of the PACE betterment assessment and the imposition of the PACE Lien on the Property by the Municipality.

D. The Mortgage Holder agrees that the levying of the PACE betterment assessment and the imposition of the PACE Lien on the Property will not constitute a default or an event of default by the Owner with respect to the Loan, or trigger the exercise of any remedies under the documents and security instruments governing the Loan.

E. The Mortgage Holder hereby acknowledges that the Owner, MassDevelopment, the Municipality and the applicable PACE Capital Provider will rely on the representations and consent of the Mortgage Holder as set forth in this Consent.

ACTIVE 56682466v1

APPENDIX F: FORM OF FINANCING AGREEMENT

Each capital provider must use the attached form of PACE Massachusetts financing agreement for financings through the PACE Massachusetts program.

FORM OF PACE MASSACHUSETTS FINANCING AGREEMENT

FINANCING AGREEMENT

This Financing Agreement (this "Agreement") is made and entered into on _____, 20____, by _____, a _____ duly organized and validly existing under the laws of _____ [and qualified to do business in The Commonwealth of Massachusetts (the "Commonwealth")], with a principal office at _____, Massachusetts (the "Owner") and _____, a _____, with an address at _____ (the "Capital Provider").

RECITALS

WHEREAS, the Owner wishes to install commercial energy improvements to the property owned by the Owner (the "Project") and located in the municipality identified on **Exhibit A** attached hereto (the "Municipality"), and described on **Exhibit A** attached hereto (the "Property"), which will provide a special benefit to the Property, using financing provided through the Massachusetts Commercial Property Assessed Clean Energy Program ("PACE Massachusetts" or the "Program"), established pursuant to M.G.L. Ch. 23M, as amended (the "PACE Act"); and

WHEREAS, in accordance with the PACE Act and the technical guidelines developed thereunder by the Massachusetts Department of Energy Resources ("DOER"), DOER has approved the commercial energy improvements to the Property proposed by the Owner and described in **Exhibit B** (the "Improvements") and determined that such Improvements constitute qualifying commercial energy improvements as defined in the PACE Act; and

WHEREAS, in accordance with the PACE Act and the financial underwriting guidelines developed thereunder by Massachusetts Development Finance Agency ("MassDevelopment"), as the administrator of PACE Massachusetts, MassDevelopment has determined that the financing of the Improvements complies with MassDevelopment's guidelines to permit the Owner's participation in PACE Massachusetts and the financing of the Improvements through the Program; and

WHEREAS, the Owner wishes to obtain financing for the costs of the Improvements through participation in PACE Massachusetts by entering into this Agreement with the Capital Provider; and

WHEREAS, the Owner has consented to the filing of a betterment assessment and corresponding lien on the Property by the Municipality (the "PACE Betterment Assessment"), and the assignment of the same from the Municipality to MassDevelopment, and from MassDevelopment to the Capital Provider, as security for the financing; and

WHEREAS, the Capital Provider is willing to provide the financing for the costs of the Improvements (the "Financing"), subject to the terms of this Agreement;

NOW THEREFORE, in consideration of the mutual covenants contained herein and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

Section 1. INCORPORATION OF RECITALS AND APPENDICES. The recitals stated above are true and correct and, together with the appendices attached hereto, are incorporated herein as a material part of this Agreement.

Section 2. DEFINITIONS. In addition to the terms defined in the Recitals above, as used in this Agreement, the following terms shall have the following meanings.

“Administrative Costs” means, collectively, (i) MassDevelopment’s Program Origination Fee, (ii) the costs of recording of the PACE Lien and any assignments thereof, (iii) the fees of DOER, if any, in connection with its review and approval of the Improvements for financing through the Program, (iv) the fees and costs of MassDevelopment’s counsel, (v) Collection Costs, and (iv) any other fees or costs listed in **Exhibit A**, all in the amounts set forth in **Exhibit A**.

“Application” means the application and related documentation and information filed by the Owner with MassDevelopment for participation in PACE Massachusetts.

“Approval Letter” means the letter from DOER to the Owner approving the Improvements for financing through the Program and setting forth the Approved Amount and any additional Project requirements.

“Approved Amount” means the total cost of the Improvements, as approved by DOER and set forth in the Approval Letter, together with all costs relating to the closing of the Financing and capitalized interest, if any, as set forth on **Exhibit A**.

“Assessment Installment Payments” means the [semi-annual/quarterly] installments of the PACE Betterment Assessment levied by the Municipality and included on the property tax bill for the Property, including interest as set forth in **Exhibit C**.

“Budget” has the meaning set forth in Section 4(V).

“Business Day” means any day which is not (i) a Saturday, or (ii) a Sunday, or (iii) another day of the year on which banks in Boston, Massachusetts are required or authorized by law or by executive order to close.

“Capital Provider Payment Date” means the first day of the month immediately following an Assessment Installment Payment Date.

“Collection Costs” means the annual costs associated with collection of the Assessment Installment Payments, which costs may include paying agent fees and administrative expenses incurred directly and indirectly by the Municipality and MassDevelopment, and their respective agents, including the Servicer.

“Contract” means, collectively, each contract and/or agreement between the Owner and the Contractor.

“Contractor” means, collectively, all contractors, including subcontractors, engineers, designers, materialmen, vendors and suppliers engaged by the Owner to provide, design, construct, deliver and/or install the Improvements.

“Construction Representative” has the meaning set forth in **Exhibit D**.

“Disbursement Amount” means the costs of the acquisition, construction, and installation of the Improvements to be disbursed to the Owner, or directly to a Contractor, as evidenced by a binding written invoice provided by such Contractor to the Owner, a copy of which has been received by the Capital Provider, which in the aggregate shall not exceed the Approved Amount.

“Effective Date” means the Effective Date set forth in **Exhibit A**.

“Environmental Laws” means all applicable federal, state and local laws, codes, ordinances, rules, regulations and interpretations now or in the future existing, and all applicable orders of administrative

agencies including, but not limited to, the Comprehensive Environmental Response Compensation and Liability Act, the Resource Conservation and Recovery Act of 1976, the Superfund Amendments and Reauthorization Act of 1986, and Massachusetts General Laws, Chapters 21C and 21E (as each may be amended from time to time), and all other Legal Requirements relating to the environment, health, safety, sanitation, underground storage tanks and the “release or threat of release” of Hazardous Materials.

“Governmental Authority” means any federal, state, local or other governmental or administrative body, instrumentality, department, or agency or any court, tribunal, administrative hearing body, arbitration panel, commission, or other similar dispute-resolving panel or body.

“Hazardous Materials” means and includes asbestos, flammable materials, explosives, radioactive or nuclear substances, polychlorinated biphenyls, other carcinogens, oil and other petroleum products, radon gas, urea formaldehyde, chemicals, gases, solvents, pollutants or contaminants that could be a detriment or pose a danger to the environment or to the health or safety of any person, and any other pollution, contamination or hazardous or toxic materials, wastes and substances which are defined, determined or identified as such in any Environmental Laws.

“Lease” means the [Lease Agreement, dated as of _____, between _____, as lessor, and the Owner, as lessee, relating to the Owner’s lease of the Property.]

“Legal Requirements” means all statutes, ordinances, by-laws, codes, rules, rulings, regulations, restrictions, orders, judgments, decrees, writs, judicial or administrative interpretations and injunctions (including, without limitation, all applicable building, health code, zoning, subdivision and other land use statutes, ordinances, by-laws, codes, rules and regulations), whether now or hereafter enacted, promulgated or issued by any Governmental Authority affecting the Owner, the Property, or any of the Improvements, or the ownership, construction, development, maintenance, management, repair, use, occupancy, possession or operation of any of the foregoing.

“Net Amount Due Capital Provider” means the total Assessment Installment Payment due and payable on each Assessment Installment Payment Date, less the portion of the Annual Administration Fee included in such Assessment Installment Payment, as set forth in **Exhibit C** hereto.

“Municipal Agreement” means the PACE Massachusetts Municipal Assessment and Assignment Agreement, dated as of _____, 20__, between the Municipality and MassDevelopment.

“PACE Betterment Assessment” means the non-ad valorem assessment levied by the Municipality on the Property in accordance with the Municipal Agreement and pursuant to the PACE Act, as more particularly described in Section 3 hereof.

“PACE Lien” means the PACE Betterment Assessment Statement filed by the Municipality on the Property, as directed by MassDevelopment in accordance with the provisions of the Municipal Agreement.

“Permits” has the meaning set forth in Section 4(W).

“Permitted Transferee” means a “qualified institutional buyer,” as such term is defined in Rule 144A of the Securities and Exchange Commission under the Securities Act of 1933, or an “accredited investor” as that term is defined 17 C.F.R. §230.501(a) (excluding clauses (a)(5) and (a)(6) thereof).

“Plans” has the meaning set forth in Section 4(V).

“Program Administrator” means, collectively, MassDevelopment and its designated agents, including the Servicer.

“Registry” means the Registry of Deeds or Registry District of the Land Court identified in **Exhibit A**.

“Servicer” means the Servicer designated in **Exhibit A**, engaged by MassDevelopment to provide certain Program administration services.

“Submittal Package” means, collectively, the Application, and all filings, documents, certifications, consents, contracts and other information required to be provided to MassDevelopment or DOER in connection with the Application.

“Tax Year” means the period from July 1 through the following June 30 of each year.

Section 3. PACE BETTERMENT ASSESSMENT AND LIEN.

The Owner and the Capital Provider each acknowledge and agree as follows:

Upon execution of this Agreement, the Property shall be subject to a PACE Betterment Assessment levied by the Municipality in the principal amount set forth in **Exhibit A**. Such PACE Betterment Assessment shall be collected in the same manner as the real property taxes of the Municipality, including, in the event of default or delinquency, with respect to any penalties, fees and lien priorities.

The Owner hereby expressly consents to the levying of the PACE Betterment Assessment and placing of the corresponding PACE Lien on the Property in order to finance the Improvements, and the assignment of such PACE Lien from the Municipality to MassDevelopment, and from MassDevelopment to the Capital Provider, as security for the Financing. The Owner acknowledges that the Capital Provider may further sell or assign the PACE Lien, subject to the provisions of Section 17, and that the Capital Provider and any assignee(s) of the PACE Lien shall have and possess the same powers and rights at law or in equity as the Municipality and its tax collector would have if the PACE Lien had not been assigned with regard to the precedence and priority of the PACE Lien, the accrual of interest thereon, and the fees and expenses of collection; provided, however that the Capital Provider shall have the same rights to enforce the PACE Lien as a mortgagee has to enforce a mortgage under M.G.L. Ch. 183, §21, as set forth in Section 11. The Owner further acknowledges that the PACE Lien will be continued, recorded and released upon repayment in full of the PACE Betterment Assessment in the manner provided for real property tax liens of the Municipality.

Upon execution of this Agreement, MassDevelopment will give notice to the Municipality to levy the PACE Betterment Assessment and MassDevelopment, on behalf of the Municipality, will record the PACE Lien in the Registry at the Owner’s expense, in accordance with the Municipal Agreement.

Upon recording of the PACE Lien, the entire balance of the PACE Betterment Assessment (including any penalties, interest and fees related thereto) shall constitute a legal, valid and binding non-ad valorem betterment assessment and a resulting lien upon the Property. The PACE Lien shall take precedence over all other liens or encumbrances on the Property, except a lien for real property taxes of the Municipality, which lien for real property taxes shall have priority over the PACE Lien.

MassDevelopment has not conducted any investigation or otherwise undertaken to confirm or verify any of the information or representations included in or filed with the Application, and MassDevelopment does not make any warranties, guarantees, or representations with respect to the same.

Section 4. OWNER REPRESENTATIONS, WARRANTIES, COVENANTS AND ACKNOWLEDGEMENTS. By execution hereof, the Owner represents, warrants, acknowledges, consents and declares as follows as of the date hereof:

The Owner is an entity as described in the first paragraph hereof. The Owner has all necessary power and authority to own its properties, conduct its business and enter into the transactions contemplated hereby. The Owner has the right to enter into and perform this Agreement, and the execution, delivery and performance of this Agreement and any other document executed in connection therewith or with the PACE Betterment Assessment or the PACE Lien, or required hereby or thereby, have been duly

authorized, executed and delivered by the Owner and constitute valid and binding obligations of the Owner, each enforceable in accordance with its respective terms.

All financial statements of the Owner delivered to the Capital Provider by the Owner are true and correct, have been prepared in accordance with United States generally accepted accounting principles consistently applied, fairly represent the financial condition of the Owner as of the date(s) thereof, and no material adverse change has occurred in the financial condition of the Owner as presented therein, except as otherwise disclosed to the Capital Provider in writing.

The Owner represents that the information contained in the Application, including in all documents submitted therewith, is true and correct. The Owner has not incurred any obligation secured by a lien on the Property, other than as set forth in the Application.

There are no actions, suits or proceedings pending, or to the best knowledge of the Owner threatened, against or affecting it or the Property which could materially adversely affect the financial condition of the Owner.

The Owner is not in default under this Agreement or any Legal Requirement with respect to the Property, and to the best knowledge of the Owner, it is complying and will comply in all material respects with all applicable Legal Requirements.

No Insolvency Event (as hereinafter defined) has occurred and is continuing with respect to the Owner. The Owner is not aware of any circumstances or conditions with respect to the Owner that would reasonably be expected to have a material adverse effect on any of the Owner, the Project, the Property, the PACE Betterment Assessment or the PACE Lien. For purposes hereunder, "Insolvency Event" shall mean the Owner has (i) consented to the appointment of a conservator or receiver or liquidator in any insolvency, bankruptcy, readjustment of debt, marshalling of assets and liabilities or similar proceeding or of relating to the Owner or relating to all or substantially all of such Owner's property, or (ii) admitted in writing its inability to pay its debts as they become due, filed a petition to take advantage of any applicable insolvency or reorganization statute, made an assignment for the benefit of its creditors, or voluntarily suspended payment of its obligations.

[The Owner, and no other person, is vested with fee simple title of record to the Property, and the Owner has good record and marketable title to the Property. The Property is not subject to any lien or encumbrance, other than as set forth on **Exhibit A-1.**] [The Owner, and no other person, has a valid and enforceable leasehold interest in the entire Property, in accordance with the Lease and has not encumbered or assigned any of its interests and rights under, in, and to the Lease. Neither the Property nor such leasehold interest in the Property is subject to any lien or encumbrance, other than as set forth in Exhibit A-1.] The Owner will not transfer its interests in the Property, prior to the completion of the Improvements, without the prior written consent of the Capital Provider, which consent shall not be unreasonably withheld, delayed or conditioned.

The Owner represents that (i) all property taxes and any other assessments levied on the Property by the Municipality to date have been paid, there are no delinquent property taxes or assessments that have not been paid, and no property taxes or other assessments have been delinquent at any time during the preceding three years or the Owner's period of ownership, whichever is less; (ii) there are no involuntary liens, including, but not limited to, mechanic's or materialmen's liens on the Property; (iii) no notices of default or other evidence of property-based debt delinquency have been issued or recorded during the preceding three years or the Owner's period of ownership, whichever is less; and (iv) the Owner is current on all mortgage debt on the Property, if any, and no notices of default or foreclosure due to non-payment of property taxes or mortgage loan payments have been issued or recorded within the preceding three years or the Owner's period of ownership, whichever is less.

The Owner has complied and will comply in all material respects with all Environmental Laws regarding the existence, use, discharge, release, containment, transportation, generation, storage,

management or disposal of Hazardous Materials at, to or from the Property, including, but not limited to notifying Governmental Authorities, observing restrictions on use, transferring, modifying or obtaining permits, licenses, approvals and registrations, making required notices, certifications and submissions, complying with financial liability requirements, managing Hazardous Materials, and responding to the presence or release of Hazardous Materials connected with operation of its business or the Property; (ii) the Owner will not and will not permit others to use, generate, treat, store, discharge or manage Hazardous Materials on the Property, except in full compliance in all material respects with Environmental Laws; (iii) the Owner will take prompt action in full compliance with Environmental Laws to respond to the on-site or off-site release of Hazardous Materials connected with its operation of the Property; and (iv) the Owner does not know of any prior non-compliance with Environmental Laws at the Property that has not been fully remedied, and the Owner has not received a notice from any Governmental Authority regarding any of the foregoing that has not been fully complied with or remedied.

The Property is undamaged by waste, vandalism, fire, hurricane, earthquake or earth movement, windstorm, flood, tornado or other casualty materially adversely affecting the value of the Property or the use for which the Property is intended, and the Property is in substantially the same condition it was at the time the Owner filed the Application, except with respect to any activities related to the Project or other improvements to the Property. There is no proceeding pending or, to the knowledge of the Owner, threatened for the total or partial condemnation of the Property.

The Owner freely and willingly consents to the PACE Betterment Assessment and the PACE Lien and waives all rights to subsequently challenge the PACE Betterment Assessment or the PACE Lien on the basis of procedural irregularities, notice or due process claims, insufficient benefits, improper or unfair apportionment or any other basis, and acknowledges that this Agreement provides an alternative and extraordinary payment opportunity and is fundamental consideration given by the Capital Provider in exchange for resolving all questions about the validity, appropriateness, and enforceability of the PACE Betterment Assessment and the PACE Lien and upon execution of this Agreement any question or controversy regarding the PACE Betterment Assessment or the PACE Lien shall forever be conclusively resolved.

The PACE Lien is being assigned concurrently with the execution and delivery of this Agreement from the Municipality to MassDevelopment, and from MassDevelopment to the Capital Provider, as security for the repayment of the Financing.

The PACE Lien will be recorded in the Registry, and that upon such recording, the PACE Lien shall take precedence over all other liens or encumbrances on the Property, except a lien for real property taxes of the Municipality, which lien for real property taxes shall have priority over the PACE Lien.

The Owner will not permit any other PACE lien to be imposed on the Property, without the prior written consent of the Capital Provider.

The PACE Betterment Assessment, the PACE Lien and this Agreement shall run with the Property and shall be binding on the Property and the Owner and all successors in interest notwithstanding any alienation or conveyance of the Property by the Owner or a subsequent owner to a new owner of the Property.

The Owner acknowledges that the Assessment Installment Payments will be collected on the property tax bills administered by the Municipality and that the Assessment Installment Payments will include the Administrative Costs to the extent set forth in **Exhibit A**.

The Owner may prepay the PACE Betterment Assessment in accordance with the provisions of Section 12.

The Owner has obtained the written consent to the imposition of the PACE Lien on the Property from all mortgage holders or loan servicers, if any, of any loan or indebtedness secured by a

mortgage or other lien or encumbrance on the Property. The Owner has provided to MassDevelopment and to the Capital Provider a true and correct copy of any such written consents prior to the execution hereof.

The Owner agrees to adjust any applicable mortgage escrow, or to fund one, if requested by a mortgage holder or loan servicer of any mortgage pertaining to the Property, to include the equivalent of the Assessment Installment Payments.

The Improvements confer direct special benefits to the Property equal to or in excess of any amounts due hereunder, and such amounts due hereunder represent a fair and reasonable apportionment, in all respects, of the costs and charges attributed to the Property in connection with the acquisition, construction and financing of the Improvements.

The term for the repayment of the Financing, as set forth in **Exhibit C**, does not exceed the lesser of (i) the useful life of the longest-lived Improvement or (ii) 20 years.

The plans and specifications submitted by the Owner to the Capital Provider and approved thereby, if any (the "Plans"), in accordance with **Exhibit D**, are and will be a true and accurate reflection of the Project (when completed) and have been approved, or will be approved prior to the first disbursement request, as required by all governmental authorities having jurisdiction over the Project and the Property. The budget for construction of the Project (the "Budget") submitted by the Owner to the Capital Provider in accordance with **Exhibit D** is an accurate current estimate of all costs necessary to undertake the Project in accordance with the Plans and the costs of the Project are not expected to exceed the costs set forth in the Budget. The Owner acknowledges that it is responsible for any costs in excess of the Approved Amount.

The Owner acknowledges that it is solely responsible for obtaining all permits, approvals and licenses necessary to undertake the Project and the construction and installation of the Improvements (collectively, the "Permits"), and for selecting and engaging the Contractor. The Owner shall provide copies of the Permits to the Capital Provider in accordance with **Exhibit D**.

The Owner acknowledges that any inspection of the Improvements required by applicable building codes, the Program or the Capital Provider do not ensure quality of workmanship, and the Owner is solely responsible for ensuring that the Improvements are completed as proposed in the Submittal Package and the proposal, estimate, and/or binding written invoice provided by the Contractor.

The Owner consents to providing the Capital Provider with access to the Property, at reasonable times during normal business hours and upon reasonable notice, for purposes of inspecting the Improvements.

The Owner agrees to provide the reports, if any, as required by DOER pursuant to the Approval Letter at the times required therein, and any utility records requested by DOER or the Capital Provider to assist in tracking utility savings resulting from the Improvements.

The Owner agrees to execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, from time to time such supplements hereto and such further instruments, corrective or otherwise, as may reasonably be required to carry out the intention of this Agreement.

The Owner has not made and will not make to the Capital Provider, in this Agreement or otherwise, any untrue statement of a material fact, nor has it omitted to state a material fact necessary to make any statement made to the Capital Provider not misleading.

The request by the Owner for a disbursement of the Disbursement Amount shall constitute a certification by the Owner that the representations and warranties contained herein are true and correct as of the date of such request, unless otherwise notified to the Capital Provider by the Owner in writing.

Section 5. OWNER COVENANTS AND AGREEMENTS. By execution hereof, the Owner covenants and agrees as follows:

The Owner will pay the Assessment Installment Payments at the times and in the amounts set forth on **Exhibit C**, and acknowledges that failure to pay any Assessment Installment Payment at the time and in the amounts due may result in loss of title to the Property, as described in Section 11.

The Owner will make all Assessment Installment Payments, together with any penalties, interest and fees thereon, to the tax collector of the Municipality, in accordance with the property tax bill received from the Municipality.

The Owner will pay in a timely manner, as and when due, (i) all property taxes, charges, liens and any other assessments levied on the Property by the Municipality, (ii) all other liens and charges levied on or against the Property, and (iii) all mortgage debt, if any, secured by the Property.

The Owner will undertake and complete the Project and the Improvements in accordance with the Approval Letter, the Plans, the Budget and the schedule for the Project agreed to by the Capital Provider, and will otherwise comply with the provisions set forth in **Exhibit D**. The Owner agrees to maintain the Improvements and provide for the timely repair of the Improvements, at the Owner's expense, throughout the term of this Agreement.

The Owner has in place insurance with respect to the Property and the Project and will maintain the same throughout the term of this Agreement, through financially sound and reputable insurers authorized to do business in the Commonwealth, against such casualties and contingencies as shall be in accordance with the general practices of businesses engaged in similar activities as the Owner in similar geographic areas as the Property, and in amounts, containing such terms, with such self-insured retentions, in such forms and for such periods as may be reasonable and prudent, and shall otherwise comply with the provisions, if any, set forth in **Exhibit D**. Such policies of insurance shall be issued in form and content reasonably acceptable to the Capital Provider, and shall name the Capital Provider as an additional insured as its interest may appear. Each policy shall provide for not less than 10 days' prior notice to the Capital Provider in the event of cancellation or nonrenewal. The Owner shall, upon request by the Capital Provider, provide the Capital Provider with certificates evidencing the insurance required to be maintained hereunder.

The Owner promptly will notify the Capital Provider if the Project is damaged or destroyed by a casualty or any other cause (each such occurrence, a "casualty"). Upon the occurrence of such casualty, the Owner will not be entitled to any further disbursements of the Disbursement Amount unless, in the Capital Provider's commercially reasonable judgment, the Property and the Project can be repaired, restored and/or reconstructed (collectively, "repaired"), to the extent necessary, to enable the Project to be functionally and economically utilized as originally intended. If the Capital Provider so determines in the exercise of its commercially reasonable judgment that the Project can be so repaired, then the Owner may elect to (i) undertake the repair of the Project with the proceeds of any insurance proceeds received, provided that the Owner shall be responsible for any costs of repairing the Project in excess of the amount of insurance proceeds received, and in which event the Capital Provider shall make available to the Owner the Disbursement Amount in accordance with provisions of this Agreement, or (ii) prepay the PACE Betterment Assessment in accordance with the provisions of Section 12. If the Capital Provider decides in its commercially reasonable judgment that the Property and the Project cannot be repaired in a manner which will enable the Project to be functionally and economically utilized as originally intended, then any undisbursed portion of the Disbursement Amount will be applied by the Capital Provider, on behalf of the Owner, to the prepayment of the PACE Betterment Assessment.

The Owner promptly will notify the Capital Provider if the Project, or any part thereof, or the Property are taken by any Governmental Authority as the result or in lieu or in anticipation of the exercise of the right of condemnation or eminent domain (a "condemnation"), or are subject to an imminent threat of condemnation. In such event, the Owner will not be entitled to any further disbursements of the Disbursement Amount unless, in the Capital Provider's commercially reasonable judgment, the Property and the Project can be replaced and restored, to the extent necessary, to enable the Project to be

functionally and economically utilized as originally intended. If the Capital Provider so determines in the exercise of its commercially reasonable judgment that the Project can be so replaced and restored, then the Owner may elect to (i) undertake the repair and restoration of the Project with the proceeds of any condemnation awards received, provided that the Owner shall be responsible for any costs of repairing and replacing the Project in excess of the amount of condemnation proceeds received, and in which event the Capital Provider shall make available to the Owner the Disbursement Amount in accordance with provisions of this Agreement, or (ii) prepay the PACE Betterment Assessment in accordance with the provisions of Section 12. If the Capital Provider decides in its commercially reasonable judgment that the Property and the Project cannot be replaced and restored in a manner which will enable the Project to be functionally and economically utilized as originally intended, then any undisbursed portion of the Disbursement Amount will be applied by the Capital Provider, on behalf of the Owner, to the prepayment of the PACE Betterment Assessment.

Upon the Owner becoming aware of the violation of any Environmental Law with respect to all or any portion of the Property, or the presence or any release or any threat of release of any Hazardous Materials on, under or from all or any portion of the Property, whether or not caused by the Owner, the Owner shall promptly notify the Capital Provider of the same and take all actions necessary or required by applicable Environmental Laws to cure, remediate, or eliminate any such violation.

The Owner shall not subdivide, or permit a subdivision of the Property, without providing at least 30 days' prior written notice to the Capital Provider, and consenting to an amendment to the PACE Betterment Assessment and the PACE Lien, if necessary, to ensure the continued collection and enforceability of the entire PACE Betterment Assessment.

Upon request of the Capital Provider, the Owner will take any actions and execute any further documents as the Capital Provider reasonably deems necessary or appropriate to carry out the purposes of this Agreement.

Section 6. COLLECTION OF PACE BETTERMENT ASSESSMENT ON PROPERTY TAX BILL; CAPITALIZED INTEREST.

Assessment Installment Payments, including Administrative Costs to the extent set forth in **Exhibit A** and interest on the PACE Betterment Assessment as provided in paragraph (C) below, shall be collected on the property tax bills issued by the Municipality pertaining to the Property as provided for in the PACE Act and M.G.L. Ch. 80. The Assessment Installment Payments due in any Tax Year shall be payable in the same manner as the ad valorem taxes on the Property are payable and shall become delinquent at the same times and shall be subject to the same interest, fees and penalties as delinquent ad valorem taxes. By execution hereof, the Owner acknowledges that the failure to pay the PACE Betterment Assessment or any Assessment Installment Payment as and when due may result in the loss of title to the Property, as set forth in Section 11 below.

Following recording of the PACE Lien in the Registry, Assessment Installment Payments, as set forth in **Exhibit C**, shall be collected on the property tax bill issued by the Municipality with respect to the Property, on the Assessment Installment Payment Dates set forth in **Exhibit C**.

Interest shall accrue on the unpaid PACE Betterment Assessment commencing on the date set forth in Item 12 of **Exhibit A**, at a simple interest rate per annum equal to the rate set forth in Item 11 of **Exhibit A**. If applicable, initial Assessment Installment Payments may consist solely of capitalized interest representing interest accruing on the PACE Betterment Assessment as set forth in Item 9 of **Exhibit A** and shall be payable from the Disbursement Amount. The amount of capitalized interest, if any, is set forth in Item 9 of **Exhibit A**.

Failure to pay the Assessment Installment Payments as and when due will result in interest, fees and penalties being assessed against the Property, in the same manner as in an event of default or delinquency in the payment real property taxes of the Municipality.

Section 7. DISBURSEMENT.

[If sole disbursement is to be at Project completion: Subject to the terms and conditions set forth herein and in **Exhibit D**, upon (i) execution and delivery of this Agreement, (ii) completion of the Improvements, (iii) submission by the Owner to the Capital Provider of a completed Requisition in the Form of **Exhibit D-1**, and (iv) inspection and approval of the completed Improvements by the Capital Provider, the Capital Provider shall cause disbursement of the Disbursement Amount either directly to the Contractor, or to the Owner to reimburse the Owner, if the Owner has provided to the Capital Provider satisfactory evidence that the Owner has paid the Disbursement Amount to the Contractor directly.] [If disbursements are to be made in installments: Subject to the terms and conditions set forth herein and in **Exhibit D**, upon (i) execution and delivery of this Agreement, and (ii) submission by the Owner to the Capital Provider of a completed Requisition in the Form of **Exhibit D-1** and compliance with the applicable provisions of **Exhibit D**, the Capital Provider shall cause to be disbursed the Disbursement Amount at the times and in the amounts set forth on **Exhibit D-2**, either directly to the Contractor, or to the Owner to reimburse the Owner, if the Owner has provided to the Capital Provider satisfactory evidence that the Owner has paid the Disbursement Amount to the Contractor directly.]

By execution hereof, to the extent set forth in the applicable Requisition, the Owner directs disbursement of the Disbursement Amount directly to the Contractor in the amounts set forth in each completed Requisition submitted by the Owner to the Capital Provider.

Section 8. USE OF PROCEEDS.

Funds advanced by the Capital Provider hereunder shall be used for the sole purpose of paying the costs and expenses of undertaking, acquiring, constructing and installing the Improvements. Such costs and expenses may include, in addition to the costs of the Improvements, Administrative Costs to the extent set forth in **Exhibit A**, costs associated with energy audits, if applicable, including reimbursement to the Owner for energy audits related to the Improvements and approved by DOER, and capitalized interest, if applicable. Such costs and expenses are described in **Exhibit A**. In no event shall the aggregate of all such costs, including the costs and expenses of acquiring, constructing and installing the Improvements, exceed the Approved Amount as set forth in the Approval Letter, without the prior written consent of DOER, which consent shall be in the form of an amendment to the Approval Letter. If required due to a change in the Approved Amount or, if at completion of the Improvements, a portion of the Disbursement Amount remains unspent, the PACE Betterment Assessment and the PACE Lien will be adjusted upward or downward, as applicable, in the same manner set forth in Section 11(D), and upon recording of the revised PACE Betterment Assessment Statement, as set forth in said section, the Capital Provider shall provide a copy of the same to the Owner.

Section 9. REBATES AND CREDITS. The Owner bears sole responsibility for identifying, applying for and obtaining any rebates, refunds, credits or allowances pertaining to the Improvements which may be available from manufacturers, federal, state or local authorities or any other source.

Section 10. WORK AT THE PROPERTY. The parties hereto acknowledge that site preparation or other work at the Property may be necessary prior to installation of the Improvements, and the Owner bears the responsibility for ensuring that the cost of such preparation and/or other work has been included in the Submittal Package, and approved by DOER within the Approved Amount, if such cost is to be financed as part of the Improvements. The Owner agrees and acknowledges that the Capital Provider shall have no obligation to fund costs associated with preparation of the site or other work at the Property, including repair work for any structure, building or facility to which the Improvements shall be affixed, which were not included in the Submittal Package and the Approved Amount. Costs associated with such preparation or repair work not included in the Approved Amount will be the sole responsibility of the Owner and shall not be payable from the Disbursement Amount.

Section 11. DEFAULT; FORECLOSURE AND OTHER REMEDIES.

Defaults. The following shall constitute a “default” under this Agreement:

(1) The Owner shall fail to make an Assessment Installment Payment within 30 days following the date such Assessment Installment Payment is due;

(2) The Owner shall fail to observe or perform any of its other obligations under to be observed or performed by it under this Agreement (other than as set forth in paragraph (1) above) and such failure shall continue for 30 days after the Owner receives written notice of such failure from the Capital Provider, provided that if such failure cannot be cured within such 30-day period, and so long as the Owner commences and diligently proceeds to cure such default within such 30-day period, the period of time to cure such default shall be extended for an additional 60 days; or

(3) Any financial statement, representation, warranty, or certificate made or furnished by or with respect to the Owner to the Capital Provider in connection with the Project, the PACE Betterment Assessment, or this Agreement, or as inducement to the Capital Provider to enter into this Agreement, or in any separate statement or document to be delivered to the Capital Provider hereunder, shall be materially false, incorrect, or incomplete when made.

Remedies.

(1) Payment Default; Foreclosure. The Owner’s failure to make an Assessment Installment Payment as and when due as set forth in subsection (A)(1) above shall constitute a payment default under this Agreement and shall subject the Property to the enforcement mechanisms available to the Capital Provider under the PACE Act, which may result in loss of title to the Property, as described below. The Capital Provider reserves the right to enforce any payment default by the Owner or any successor owner of the Property in any manner authorized by law including foreclosure. The Owner shall pay all reasonable costs incurred by the Capital Provider for such enforcement, including reasonable attorney’s fees and costs, provided that the Capital Provider will not be entitled to seek to accelerate the unpaid and not yet due balance of the PACE Betterment Assessment upon any such payment default.

(a) Foreclosure Sales. If the Capital Provider fails to receive the applicable Net Amount Due Capital Provider on the corresponding Capital Provider Payment Date due to a payment default by the Owner, which failure continues for more than 60 days following such Capital Provider Payment Date, the Capital Provider may, in accordance with the PACE Act and consistent with the rights afforded a mortgagee under M.G.L. c. 183, §21, commence to exercise the STATUTORY POWER OF SALE and to sell the Property, either as a whole or in parcels, together with all improvements that may be thereon, by public auction on or near the Property, or, if more than one parcel is subject to the PACE Lien, on or near one of said parcels, after first complying with the provisions of M.G.L. Ch. 244, §14 relating to notices to the Owner and any holders of a mortgage or other lien on the Property (the “Statutory Notices”), and related matters, and all other applicable Massachusetts law relating to the foreclosure of mortgages by the exercise of a power of sale, and may convey the Property, or any parcels constituting the same, by proper deed or deeds to the purchaser or purchasers absolutely and in fee simple; and such sale shall forever bar the Owner and all persons claiming under it from all right and interest in the Property, whether at law or in equity. In addition to the Statutory Notices required to be given in accordance with the provisions of M.G.L. Ch. 244, §14, the Capital Provider also shall provide not less than 30 days prior to the giving of the first Statutory Notice, notice to MassDevelopment, the Municipality, the Owner and each holder of an interest in the Property junior to the PACE Lien, of the payment default and of Capital Provider’s intention to commence its rights to sell the Property pursuant to this Section 11 and the PACE Act. Notwithstanding the foregoing, in the event of a payment default hereunder, the Capital Provider may foreclose the PACE Lien only to the extent of any due and unpaid Assessment Installment

Payments, and any penalties, interest and fees related thereto. In the event such portion of the PACE Lien is so foreclosed, the PACE Lien otherwise shall survive the foreclosure to the extent of any unpaid and not yet due Assessment Installment Payments that were not the subject of such foreclosure.

(b) Foreclosure Expenses, Surplus. If foreclosure, bankruptcy or other legal proceedings involve the Capital Provider's interest under this Agreement, whether the proceedings are begun by the Capital Provider or others and whether the proceedings are suspended or terminated or the Property redeemed, the Capital Provider will be entitled to collect and the Owner agrees to reimburse the Capital Provider for all reasonable costs, including reasonable attorneys' fees and costs, incurred by the Capital Provider in the foreclosure, bankruptcy or other legal proceeding. If surplus proceeds are realized from a foreclosure sale, the Capital Provider will not be liable for interest on the proceeds pending distribution, and all reasonable costs, including reasonable attorneys' fees and costs, incurred by it in proceedings to determine the person or persons entitled to the surplus will be paid from the surplus proceeds.

(2) Additional Remedies. In addition to the right to sell the Property as described above following the occurrence of a payment default, upon the occurrence of a payment default or any other default under this Agreement, the Capital Provider shall have all other rights and remedies available to it under applicable law including the PACE Act, and including an action of contract or any other appropriate action, suit or proceeding

Forbearance not a Waiver. The liability of the Owner hereunder will not be reduced, the priority of the PACE Lien will not be affected, and the rights of the Capital Provider with respect to the PACE Betterment Assessment and the PACE Lien will not be impaired by any of the following events, regardless of whether the Capital Provider receives additional consideration: (i) the sale of all or part of the Property, (ii) a forbearance by the Capital Provider, (iii) an extension of the time for payment or performance of the Owner's obligations hereunder, or (iv) an indulgence given by the Capital Provider to the Owner or to any other person having an interest in the Property or liability for the Owner's obligations hereunder. The Owner waives notice of any extension, forbearance or indulgence and agrees that no waiver, express or implied, by the Capital Provider of a payment default by the Owner under this Agreement will constitute a waiver of a future payment default.

Default Prior to Project Completion. If a payment default occurs hereunder as described above prior to the completion of the Project, the Capital Provider may undertake the completion of the Project and apply any remaining balance of the Disbursement Amount to the costs of such completion. Any amount necessary to so complete the Project in excess of the remaining balance of the Disbursement Amount, with the approval of DOER, may be added to the amount of the PACE Betterment Assessment. In such event and in accordance with the Municipal Agreement, MassDevelopment shall provide to the Municipality for execution a revised PACE Betterment Assessment Statement, including a revised Payment Schedule prepared by the Capital Provider and approved by MassDevelopment, and the new amount of the PACE Betterment Assessment and PACE Lien. The Municipality will adjust the PACE Betterment Assessment in the assessing and taxing records of the Municipality to permit the adjusted PACE Betterment Assessment to be included on the property tax bill for the applicable benefitted property as soon as practicable. MassDevelopment shall send the revised PACE Betterment Assessment Statement executed by the Municipality to the Capital Provider, upon receipt of the same from the Municipality, and the Capital Provider shall record such revised PACE Betterment Statement with the Registry. Alternatively, this Agreement, and the rights and obligations of the Owner hereunder to complete the Project, including the right to disbursement of the remaining balance of the Disbursement Amount subject to the conditions of this Agreement, may be transferred to a new owner of the Property taking title following a sale and foreclosure by the Capital Provider pursuant to paragraph (A) of this Section 11.

Section 12. PREPAYMENT OF PACE BETTERMENT ASSESSMENT. Subject to the Additional Prepayment Provisions, if any, set forth in **Exhibit A**, the Owner may prepay the PACE Betterment Assessment by paying the principal amount owing on the PACE Betterment Assessment, and

accrued interest, less a credit for interest not yet accrued. The Owner shall notify MassDevelopment, the Servicer, and the Capital Provider in writing of the Owner's determination to prepay the PACE Betterment Assessment at least 15 Business Days prior to the date the Owner intends to prepay the PACE Betterment Assessment. The PACE Betterment Assessment shall be prepaid in full only, except that a partial prepayment may be made pursuant to the provisions of Sections 5(G) and (H). The Capital Provider shall provide written notice to MassDevelopment and the Servicer of the prepayment of the PACE Betterment Assessment.

Section 13. TRANSFER; DISCLOSURE UPON TRANSFER. Subject to the provisions of Section 4(G), the Owner may sell or otherwise transfer its interest in the Property, in accordance with the provisions of this Agreement. The Owner agrees that at or before the time a purchaser executes a contract for the sale and purchase of the Property or the Owner otherwise executes a contract to transfer the Owner's interest in the Property, the Owner shall give the prospective purchaser or transferee a written disclosure statement in the form of **Exhibit E** attached hereto, which shall be set forth in the contract or in a separate writing, together with a copy of this Agreement (together with any amendments or supplements hereto), as executed by the Owner and the Capital Provider. The Owner shall notify MassDevelopment, the Servicer, and the Capital Provider in writing not less than 30 days prior to any such proposed sale or transfer, providing the name and address of the proposed purchaser or transferee, and providing the Capital Provider any information that may be required pursuant to Section 19 with respect to such proposed purchaser or transferee. The unpaid and not yet due balance of the PACE Betterment Assessment shall not be subject to acceleration upon the sale or transfer of the Property to a subsequent owner, subject to the provisions of Section 19. The PACE Betterment Assessment and the PACE Lien run with the Property and are binding on the Property and the Owner and all successors in interest, notwithstanding any alienation or conveyance of the Property by the Owner or a subsequent owner to a new owner of the Property.

Section 14. INDEMNIFICATION. The Owner shall indemnify and hold harmless the Capital Provider, including its directors, members, officers, agents and employees, and their respective successors and assigns (each, an "Indemnified Party") from, and, if requested, shall defend them against, any and all claims, damages, losses, liabilities, costs or expenses, incurred by an Indemnified Party on account of or in connection with this Agreement, including any untrue statement or alleged untrue statement of any material fact contained or incorporated by reference in this Agreement or in any materials furnished by or on behalf of the Owner in connection with the Financing, or the omission or alleged omission to state therein a material fact necessary to make such statements, in light of the circumstances under which they are or were made, not misleading, or in connection with or arising out of (i) the manufacture, supply or installation of the Improvements, or any condition of the Property, or the use, occupancy or management thereof; (ii) any accident, injury or damage to any person occurring in or about the Property or the Improvements; (iii) any breach by the Owner of its obligations under this Agreement, or any act or omission of the Owner or any of its agents, contractors, servants, employees or licensees, including any violation of any Legal Requirements; (iv) the Owner's failure to comply with Environmental Laws; and (v) a release or threat of release of Hazardous Materials at or from the Property. This indemnification shall survive the termination of this Agreement. The foregoing indemnity shall include, without limitation, the costs and expenses of defending or preparing to defend against any claim of liability, including reasonable fees of attorneys, consultants, and experts and related costs, provided that the Owner shall have no liability to indemnify any Indemnified Party for such Indemnified Party's own gross negligence or willful misconduct. The Owner shall pay any amounts owing to an Indemnified Party pursuant to the provisions of this Section 14, within 30 days of receipt from such Indemnified Party of a written notice, setting forth the amount due to such Indemnified Party, including in reasonable detail the basis for and calculation of, such amount.

Section 15. SEVERABILITY. Each and every provision of this Agreement is, and shall be construed to be, a separate and independent covenant and agreement. If any term or provision of this Agreement or the application thereof shall to any extent be held to be invalid or unenforceable, the remainder of this Agreement, or the application of such term or provision to circumstances other than those to which it is invalid or unenforceable, shall not be affected thereby, and each term and provision of this Agreement shall be valid and shall be enforced to the extent permitted by law.

Section 16. GOVERNING LAW; VENUE. This Agreement shall be governed by the laws of the Commonwealth. Unless otherwise required by law, venue for any action or proceeding to construe or enforce the provisions of this Agreement or any matters associated therewith shall lie in the federal and state courts located in the City of Boston, Suffolk County, Massachusetts.

Section 17. ASSIGNMENT. The Capital Provider, at its option and without obtaining the consent of the Owner, may (i) assign its rights and obligations under this Agreement, and (ii) pledge and assign its right to receive the PACE Betterment Assessment and any other payments due to the Capital Provider hereunder and its rights under the PACE Lien, in whole, but not in part, or participate its interests hereunder, but only to a Permitted Transferee. The instrument of assignment shall include a representation from the assignee that the assignee is a Permitted Transferee. The Capital Provider may enter into participation agreements on terms and conditions acceptable to it, in its sole discretion. In the event that the Capital Provider assigns or transfers its rights and obligations under this Agreement, such assignee shall thereupon succeed to and become vested with all rights, powers, privileges and duties of the Capital Provider hereunder, and the Capital Provider, to the extent of such assignment, shall thereupon be discharged and relieved from its future duties and obligations hereunder. No such transfer or assignment shall affect or limit the rights and obligations of the Owner set forth herein.

Section 18. TERM. The term of this Agreement shall be until the PACE Betterment Assessment, including all accrued interest thereon, has been paid in full.

Section 19. CUSTOMER IDENTIFICATION PROGRAM. To help the government fight the funding of terrorism and money laundering activities, federal law requires financial institutions to obtain, verify and record information that identifies each person who opens an account. Accordingly, the Capital Provider may require the Owner to provide the name and address of the Owner and of its successors in interest (including any proposed purchaser or transferee pursuant to Section 13), if any, and of their respective beneficial owners, if any, and other information to allow the Capital Provider to identify the Owner and its successors in interest, and their respective beneficial owners, if any, in accordance with all applicable federal law and regulations, and to determine compliance with such applicable federal law and regulations and the provisions of Section 4(E), including with respect to any proposed successors in interest of the Owner.

Section 20. ENTIRE AGREEMENT; COUNTERPARTS; AMENDMENT.

This Agreement is the entire agreement between the parties. Any other agreement related to the financing of the Improvements, and any amendment to this Agreement, must be signed in writing by both parties. If there is more than one "Owner," the obligations hereunder of all Owners shall be joint and several. This Agreement may be executed in several counterparts, each of which shall be deemed an original, and all of such counterparts together shall constitute one and the same instrument.

THE DECLARATIONS, ACKNOWLEDGEMENTS AND AGREEMENTS CONTAINED HEREIN SHALL RUN WITH THE LAND DESCRIBED IN EXHIBIT A-1 HERETO AND SHALL BE BINDING ON THE OWNER AND ON ALL PERSONS (INCLUDING CORPORATIONS, ASSOCIATIONS, TRUSTS, AND OTHER LEGAL ENTITIES) TAKING TITLE TO ALL OR ANY PART OF THE LAND, AND ITS SUCCESSORS IN INTEREST. BY TAKING SUCH TITLE, SUCH PERSONS SHALL BE DEEMED TO HAVE CONSENTED AND AGREED TO THE PROVISIONS OF THIS AGREEMENT TO THE SAME EXTENT AS IF THEY HAD EXECUTED IT AND BY TAKING SUCH TITLE, SUCH PERSONS SHALL BE ESTOPPED FROM CONTESTING, IN COURT OR OTHERWISE, THE VALIDITY, LEGALITY AND ENFORCEABILITY OF THIS AGREEMENT.

[SIGNATURE PAGE FOLLOWS.]

IN WITNESS WHEREOF, the Owner and the Capital Provider have entered into this Agreement as of the last day signed below.

EXHIBIT D

DISBURSEMENT CONDITIONS AND REQUIREMENTS

(Note: Additional conditions may be included by the Capital Provider prior to execution of the Agreement, with the approval of MassDevelopment)

The following provisions shall apply to disbursements of the Disbursement Amount, subject to the Capital Provider's right to waive from time to time any of the following (other than the requirements of Sections 3(b) and 4(b)):

1. Initial Disbursement: Prior to the Capital Provider approving the first disbursement of the Disbursement Amount following the closing of the Financing, the Owner shall have submitted to the Capital Provider for its approval, not less than 30 days prior to the date fixed for the first disbursement, in accordance with **Exhibit D-2** attached hereto:
 - a. the Plans and the Budget;
 - b. all major Contracts, as determined by the Capital Provider in its sole discretion, including major subcontracts; and
 - c. all Permits.
2. All Disbursements: As a condition precedent for the Capital Provider approving a disbursement of the Disbursement Amount:
 - a. the Owner shall be in compliance with all terms and conditions of the Agreement and no default as described in Section 11 of the Agreement shall have occurred and be continuing;
 - b. no order or notice shall have been given by any Governmental Authority stopping construction or stating that the Project is in violation of any Legal Requirement, unless such order or notice has been rescinded and a copy of such rescission has been delivered to the Capital Provider;
 - c. the Owner shall have submitted to the Capital Provider a completed Requisition in the form of **Exhibit D-1** attached hereto. Each Requisition shall be accompanied by all documentation reasonably deemed necessary by the Capital Provider to substantiate the requested payments;
 - d. at the Capital Provider's election, the Capital Provider, or a construction representative engaged by and inspecting on behalf of the Capital Provider at the cost and expense of the Owner (the "Construction Representative"), shall have performed a site inspection to ensure that the Project and the Improvements are consistent with the Plans and the Budget;
 - e. if requested by the Capital Provider, each Requisition shall be accompanied by notarized lien waivers from those Contractors (including sub-contractors and materialmen) whose invoices are included in such requisition and which have contracts in excess of \$50,000, such lien waivers to be consistent with applicable state law;
 - f. the insurance coverages required to be maintained by the Owner pursuant to Section 5(E) of the Agreement shall be in full force and effect, including any builder-risks' insurance coverages; and
 - g. each of the representations and warranties contained in the Agreement is true and correct in all material respects as if made on and as of the date hereof.

3. Final Disbursement. a. The Capital Provider's obligation to approve the final disbursement of the Disbursement Amount shall be subject to the satisfaction of the following conditions precedent, as determined by the Capital Provider in its sole discretion:
 - i. substantial completion of construction of the Project in accordance with the Plans;
 - ii. if applicable, receipt by the Capital Provider of a final unconditional Certificate of Occupancy ("C.O.") for the Project or a conditional C.O. which conditions are punch-list items only; and
 - iii. receipt by the Capital Provider of final notarized lien waivers from all Contractors (including sub-contractors and materialmen) which have contracts in excess of \$50,000, such lien waivers to be consistent with applicable state law.

b. The Capital Provider shall give MassDevelopment written notice following the final disbursement under the Agreement, within 15 days of the Capital Provider's approval of the same, including in such notice the total amount disbursed under the Agreement, and the amount, if any, of the Disbursement Amount remaining following such final disbursement.
4. Making of Disbursements: a. Subject to compliance by the Owner with the terms and conditions set forth in this **Exhibit D** and in the Agreement, the Capital Provider shall approve the disbursement of the Disbursement Amount, either directly to the Contractor or, if the costs were paid by the Owner, to reimburse the Owner, in accordance with the Disbursement Schedule attached hereto as **Exhibit D-2**.

b. In no event shall the aggregate amount of all disbursements exceed the Approved Amount.
5. Commencement: The Owner shall commence the Improvements not later than the Project Commencement Date set forth in **Exhibit A** to the Agreement and use all diligent efforts to complete the Project no later than the Project Completion Date set forth in **Exhibit A** to the Agreement, with labor and materials of high quality in accordance with the Approval Letter, the Plans and the Budget.
6. Additional Insurance Requirements. [None.]

EXHIBIT D-1
FORM OF REQUISITION

TO: [Name of Capital Provider] (the "Capital Provider")

Requisition No.: _____

Terms used in this Requisition and not otherwise defined shall have the same meanings assigned to them in PACE Massachusetts Financing Agreement, dated as of _____, 20__ (the "Agreement"), between the Capital Provider and _____ (the "Owner").

The Capital Provider is hereby requested to disburse a portion of the Disbursement Amount in the amount of \$_____ to the Contractor(s) listed below, and as set forth in the invoices attached.

Contractor	Invoice No.	\$	Amount
------------	-------------	----	--------

1. The undersigned hereby certifies on behalf of the Owner in connection with the payment(s) requested by this Requisition that the obligations set forth in this Requisition were incurred in connection with the Improvements, are included in the Approved Amount, and have not been the basis for a prior Requisition that has been paid.

2. The undersigned hereby further certifies:

a. there are no liens or other encumbrances on the Property (other than the PACE Lien and liens that were on the Property at the time of execution of the Agreement and set forth in Exhibit A-1 to the Agreement), and, to be the best of the undersigned's knowledge, there are no notices of contract or other notices of intention to file liens on the Property that have not been released, subordinated or waived;

b. as of the date hereof, the undersigned knows of no event that will or could negatively affect completion of the Improvements, or the Owner's ability to make the Assessment Installment Payments as and when due, as required under the Agreement; and

c. each of the representations and warranties contained in the Agreement is true and correct in all material respects as if made on and as of the date hereof.

EXHIBIT D-2

DISBURSEMENT SCHEDULE

[To be provided by the Capital Provider]

EXHIBIT E

FORM OF DISCLOSURE STATEMENT TO SUBSEQUENT OWNERS

Name of Owner:

Address of Property:

Name of Capital Provider:

The above-referenced Owner (the "Seller") of the above-referenced Property (the "Property") has installed qualifying commercial energy improvements (the "Improvements") at the Property, which Improvements were financed through the Seller's participation in the Massachusetts Property Assessed Clean Energy Program ("PACE Massachusetts"). In connection with such financing, the Seller has entered into a PACE Massachusetts Financing Agreement, dated _____, 20____ (as amended and supplemented to date, the "PACE Financing Agreement"), between the Seller and the above-referenced Capital Provider (the "Capital Provider"), a true, correct and complete copy of which is attached hereto. Terms used in this Disclosure Statement and not otherwise defined herein have the same meanings assigned to them in the PACE Financing Agreement.

A description of the Improvements is included in Exhibit B to the PACE Financing Agreement.

Under the PACE Financing Agreement, the financing of the Improvements (the "Financing") is repaid through a PACE Betterment Assessment levied on the Property by the [City/Town of _____, Massachusetts] (the "Municipality"). The Seller is obligated to repay the PACE Betterment Assessment in the same manner and at the same time as property taxes assessed by the Municipality on the Property are paid. **The amount of the PACE Betterment Assessment is set forth in Exhibit A to the PACE Financing Agreement, and the schedule of payment of the PACE Betterment Assessment is set forth in Exhibit C to the Financing Agreement.**

As provided in pursuant to M.G.L. Ch. 23M, as amended (the "PACE Act"), the PACE Betterment Assessment and the interest, fees and any penalties thereon constitute a legal, valid and binding non-ad valorem betterment assessment and a resulting lien upon the Property (the "PACE Lien"), equal in rank and priority with the lien of all municipal taxes and other assessments, and senior in priority to all other liens, titles and claims, until paid in full, notwithstanding the provisions of M.G.L. Ch. 80, Section 12, and continue notwithstanding any alienation or conveyance of the Property. The PACE Betterment Assessment and the PACE Lien run with the Property and are binding on the Property and the Owner and all successors in interest notwithstanding any alienation or conveyance of the Property by the Owner or a subsequent owner to a new owner of the Property. **Accordingly, upon a sale of the Property by the Seller, the PACE Betterment Assessment and PACE Lien will continue on the Property and you, as the new owner of the Property, will be obligated to repay the PACE Betterment Assessment in accordance with the provisions of the PACE Financing Agreement and the PACE Lien, and will be bound by the provisions of the PACE Financing Agreement.**

The PACE Betterment Assessment is collected in the same manner as the property taxes of the Municipality on real property, including, in the event of default or delinquency, with respect to any penalties, fees and lien priorities as provided by the PACE Act. **Failure to make a payment of the PACE Betterment Assessment as and when due will subject the Property to the enforcement mechanisms available to the Capital Provider under the PACE Act and the PACE Financing Agreement, which may result in loss of title to the Property. Under the PACE Financing Agreement, the Capital Provider reserves the right to enforce any payment delinquency or default by the Owner or any successor owner of the Property in any manner authorized by law including foreclosure.**

ACTIVE 6211907v19

APPENDIX G: MUNICIPAL ASSESSMENT AND ASSIGNMENT AGREEMENT

This agreement describes the role and requirements that a Municipality and MassDevelopment will be subject to under the PACE Massachusetts program.

**PACE MASSACHUSETTS
MUNICIPAL ASSESSMENT AND ASSIGNMENT AGREEMENT**

This Municipal Assessment and Assignment Agreement (this “Agreement”) is made and entered into as of the _day of _____, 20_, by and between the [CITY/TOWN OF _____] (the “Municipality”), a political subdivision of The Commonwealth of Massachusetts (the “Commonwealth”), and **MASSACHUSETTS DEVELOPMENT FINANCE AGENCY** (“MassDevelopment”), a body politic and corporate and a public instrumentality of the Commonwealth.

RECITALS

WHEREAS, pursuant to M.G.L. Ch. 23M (as amended from time to time, the “PACE Act”), the Commonwealth has established a commercial sustainable energy program known as the Massachusetts Property Assessed Clean Energy Program (“PACE Massachusetts”) to provide a financing mechanism to private owners of qualifying commercial and industrial properties for certain qualifying commercial energy improvements (“Improvements”); and

WHEREAS, pursuant to the PACE Act, PACE Massachusetts is administered by MassDevelopment, in consultation with the Massachusetts Department of Energy Resources (“DOER”); and

WHEREAS, under PACE Massachusetts, the owner of the qualifying commercial or industrial property benefitting from the improvements (the “benefitted property”) is required to repay the financing through the payment of a betterment assessment levied on such benefitted property by the municipality in which the benefitted property is located; and

WHEREAS, in order for an owner of qualifying commercial or industrial property (an “Owner”) to participate in PACE Massachusetts, the PACE Act requires that the municipality in which the benefitted property is located must elect to participate in PACE Massachusetts; and

WHEREAS, the Municipality, pursuant to a [vote/resolution], adopted on _____, -, 20__ has elected to participate in PACE Massachusetts as a “participating municipality” as provided in the PACE Act, to permit the Owners of qualifying commercial and industrial properties located in the Municipality to access financing for Improvements through PACE Massachusetts; and

WHEREAS, the Municipality and MassDevelopment desire to set forth their respective obligations with respect to the levying of betterment assessments and the imposition of betterment assessment liens upon benefitted properties within the Municipality to secure the financing of Improvements to such benefitted properties;

NOW THEREFORE, for and in consideration of the mutual covenants and agreements set forth herein and in order to effectuate the purposes of the PACE Act, the Municipality and MassDevelopment hereby agree as follows:

Section 1. Definitions.

In addition to the terms set forth in the Recitals to this Agreement, the following terms shall have the following meanings as used in this Agreement:

(a) “Bonds” means bonds, notes or other obligations issued or incurred by MassDevelopment in connection with providing funding for Improvements to benefitted properties within the Municipality.

(b) “Business Day” means any day which is not (i) a Saturday, or (ii) a Sunday, or (iii) another day of the year on which banks located in Boston, Massachusetts are required or authorized by law or by executive order to close.

(c) "Chapter 80" means M.G.L. Ch. 80, as amended from time to time.

(d) "Closing Date" means the date on which a Financing Agreement is to be effective, and all conditions to the execution and delivery of the Financing Agreement by an Owner and the applicable Capital Provider have been met.

(e) "Financing Agreement" means a PACE Massachusetts Financing Agreement between the Owner of benefitted property within the Municipality and a Capital Provider.

(f) "Capital Provider" means the provider of PACE financing for Improvements to benefitted property within the Municipality that has entered into a Financing Agreement with the Owner of such benefitted property.

(g) "PACE Betterment Assessment" means a betterment assessment levied by the Municipality on benefitted property located in the Municipality to secure the obligations of an Owner under a Financing Agreement, in accordance with the PACE Act and Chapter 80.

(h) "PACE Lien" means a lien on benefitted property imposed by the Municipality in connection with levying a PACE Betterment Assessment on such benefitted property, in accordance with the provisions of the PACE Act and Chapter 80.

(i) "Paying Agent" means Zions Bancorporation, National Association.

(j) "Payment Schedule" has the meaning assigned to such term in Section 2(b)(i).

(k) "Registry" means the Registry of Deeds or Registry District of the Land Court identified in **Exhibit B**.

(l) "Servicer" means MuniCap, Inc.

(m) "Term" has the meaning assigned to such term in Section 5.

Section 2. Obligations of MassDevelopment. MassDevelopment shall:

(a) Provide a Notice of Benefitted Property, in the form of **Exhibit A** attached hereto (the "Preliminary Notice"), to the Municipality when a project proposed by an Owner who has filed an application with MassDevelopment for participation in PACE Massachusetts has been approved by DOER and MassDevelopment has determined that the project complies with the financial underwriting guidelines for PACE Massachusetts established by MassDevelopment. The Preliminary Notice shall be signed by MassDevelopment and acknowledged by the applicable Owner. The Preliminary Notice shall include:

1. an estimate of the aggregate amount of the PACE Betterment Assessment to be levied on the benefitted property; and
2. appropriate documentation to identify the benefitted property for purposes of levying the PACE Betterment Assessment and recording the corresponding PACE Lien.

(b) Provide a Notice of PACE Betterment Assessment and Lien, in the form of **Exhibit B** attached hereto (the "Final Notice"), to the Municipality not later than seven Business Days prior to the applicable Closing Date, indicating the amount of the PACE Betterment Assessment to be levied on each benefitted property and of the corresponding PACE Lien to be placed upon such benefitted property. The total amount of the PACE Betterment Assessment shall include the total cost of the Improvements financed, including interest on such financing, and any fees and costs to be financed through such PACE Betterment Assessment. The Final Notice shall be signed by MassDevelopment and consented to by the applicable Owner. The Final Notice shall include:

1. a copy of the payment schedule (the "Payment Schedule") that is to be a part of the Financing Agreement, which shall indicate the portion of the PACE Betterment Assessment to be included on each property tax bill issued by the Municipality with respect to such benefited property, including the required PACE Betterment Assessment payment date. It is expected that the Payment Schedule will indicate that the PACE Betterment Assessment shall be payable in equal [semi-annual/quarterly installment payments on May 1 and November 1/February 1, May 1, August 1 and November 1] of each calendar year so that they are due at the same time as the [quarterly/semi-annual installments] of the Municipality's real property taxes. If the Municipality changes, or is required by law to change, its practices concerning the billing of real property taxes as to the number of installments and their due dates, MassDevelopment will endeavor to change the Payment Schedule, to the extent possible, to correspond with the Municipality's practices;
2. a completed Form of PACE Massachusetts Betterment Assessment Statement, in the form of **Exhibit C** attached hereto;
3. confirmation that all holders of mortgage liens on the benefited property have consented to the PACE financing and to the Municipality placing a PACE Lien upon the benefited property to secure the respective Owner's obligations with respect to such financing, which PACE Lien shall be senior to the liens of such mortgage holders;
4. a completed PACE Massachusetts Municipal Assignment with respect to the benefited property, in the form of **Exhibit D** attached hereto and
5. the date on which the PACE Betterment Assessment is to be levied and the PACE Lien recorded, which shall not be less than seven Business Days from receipt of the Final Notice from MassDevelopment.

(c) MassDevelopment or its designee shall promptly provide notice to the Municipality following MassDevelopment's receipt of notice under a Financing Agreement of an Owner's prepayment of its PACE Betterment Assessment.

(d) MassDevelopment or its designee shall promptly provide notice to the Municipality following MassDevelopment's receipt of notice under a Financing Agreement of an Owner's sale or transfer of the Property and the name of the subsequent Owner, as provided to MassDevelopment.

Section 3. Obligations of the Municipality.

(a) Acknowledgement of PACE Betterment Assessment. Upon receipt of a Preliminary Notice, in the form of a completed **Exhibit A**, from MassDevelopment, the Municipality shall acknowledge receipt, where indicated, and return a copy of the same to MassDevelopment within 10 Business Days following receipt.

(b) Levy of PACE Betterment Assessment. Upon receipt of a Final Notice, in the form of a completed **Exhibit B**, from MassDevelopment, the Assessing Board of the Municipality, on the date set forth in the Final Notice, shall levy the PACE Betterment Assessment on the benefited property, in accordance with the provisions of Chapter 80 to the extent applicable and consistent with the PACE Act, and shall place on and record, or cause to be recorded as set forth in paragraph (c) below, in the Registry a PACE Lien on the benefited property, in the form of the PACE Massachusetts Betterment Assessment Statement attached to the Final Notice, in accordance with Chapter 80 and the PACE Act. The PACE Massachusetts Betterment Assessment Statement will have three attachments: (i) the legal description of the benefited property, (ii) the Payment Schedule, and (iii) a copy of the Financing Agreement. As provided in the PACE Act, the PACE Betterment Assessment levied pursuant to this Agreement and the interest, fees and any penalties thereon shall constitute a lien against the benefited property until they are paid, notwithstanding the provisions of Chapter 80, Section 12, and shall continue notwithstanding any alienation

or conveyance of the benefitted property. The PACE Lien shall be collected in the same manner as the property taxes of the Municipality on real property, including, in the event of default or delinquency, with respect to any penalties, fees and lien priorities as provided in the PACE Act. The costs of recording the PACE Lien shall be paid by MassDevelopment, through its program origination fee paid by the applicable Owner.

(c) Notification of Recording; Designation of MassDevelopment. Upon recording of the PACE Lien in the Registry, the Assessing Board of the Municipality shall notify or cause to be notified the applicable Owner, providing a copy of the recorded PACE Lien. The Municipality hereby designates MassDevelopment as its designee to record, on behalf of the Municipality, the PACE Lien in the Registry, and upon recording, to notify the Owner in writing of such recording and provide a copy of the recorded PACE Lien to the Owner. MassDevelopment shall be responsible for recording the PACE Lien in the Registry, at the expense of the applicable Owner.

(d) Continuation, Recording and Release of PACE Lien. As provided in the Act, each PACE Lien shall be continued, recorded and released in the manner provided for property tax liens. Subject to the consent of existing mortgage holders, each PACE Lien shall take precedence over all other liens or encumbrances, except a lien for taxes of the Municipality on real property.

(e) Assignment of PACE Lien. The Municipality shall assign, in the form of **Exhibit D** as attached to the Final Notice, to MassDevelopment each PACE Lien recorded by or on behalf of the Municipality's tax collector, as provided in this Agreement. MassDevelopment shall be responsible for recording such assignment in the Registry, at the expense of the applicable Owner.

The Municipality acknowledges and agrees that MassDevelopment may sell or assign, for consideration, any and all PACE Liens so assigned to MassDevelopment by the Municipality. MassDevelopment also may assign its rights under this Agreement and any PACE Liens to a trustee for any Bonds that MassDevelopment may issue from time to time. The assignee of a PACE Lien shall have and possess the same powers and rights at law or in equity as MassDevelopment and the Municipality and its tax collector would have had if the PACE Lien had not been assigned with regard to the precedence and priority of such lien, the accrual of interest, and the fees and expenses of collection. The assignee shall have the same rights to enforce such PACE Lien as any private party holding a lien on real property, including, but not limited to, foreclosure in a manner consistent with the rights afforded a mortgagee under the provisions of M.G.L. Ch. 183, §21, and an action of contract or any other appropriate action, suit or proceeding, as provided in the PACE Act.

(f) Amendment of the PACE Betterment Assessment and Lien; Prepayment.

Pursuant to a Financing Agreement, the final amount of a PACE Betterment Assessment may be adjusted after the levy of the PACE Betterment Assessment and recording of the PACE Lien. In the event that the final PACE Betterment Assessment amount needs to be adjusted at the completion of the Improvements, or at any other time, MassDevelopment will notify the Municipality of such change, and provide the Municipality with an amended PACE Massachusetts Betterment Assessment Statement, including an updated Payment Schedule and new amount of the PACE Betterment Assessment and PACE Lien. The Municipality shall adjust the PACE Betterment Assessment in the assessing and taxing records of the Municipality to permit the adjusted PACE Betterment Assessment to be included on the property tax bill for the applicable benefitted property as soon as practicable. The Municipality will execute the amended PACE Massachusetts Betterment Assessment Statement and return the same to MassDevelopment. MassDevelopment or, if the applicable PACE Lien has been assigned by MassDevelopment, the applicable assignee will be responsible for the recording of the amended PACE Massachusetts Betterment Assessment Statement in the Registry.

(g) Billing and Collection; Payment to MassDevelopment.

1. The Municipality shall bill the PACE Betterment Assessments in the same manner and at the same time as it bills its [quarterly/semi-annual installments] of its real property taxes. The PACE Betterment Assessment payments shall be a separate clearly defined line item on the property tax bill for the benefitted property and shall be due on the dates set forth in the Payment Schedule. The amount of the PACE Betterment Assessment will be recorded on the Municipality's tax rolls in the same manner as any other betterment assessment, such that the public will have access to its existence and payment status. The penalties and interest on delinquent PACE Betterment Assessments shall be charged in the same manner and rate as the Municipality charges for delinquent real property taxes.
2. The Municipality shall pay or cause to be paid all amounts collected with respect to the PACE Betterment Assessments to the Paying Agent as soon as practicable but no later than 30 days after receipt by the Municipality of the collected amounts.

(h) Collection of Delinquent Payments.

1. In the event that any Owner fails to make a PACE Betterment Assessment payment at the applicable time and in the applicable amount set forth on the Payment Schedule and included in the property tax bill for the benefitted property, the Municipality shall, no later than 30 days following the due date of any such payment, send a notice of demand to the Owner setting forth the amounts due, in the same form as the Municipality provides for delinquent real property taxes. The Municipality shall provide or cause to be provided, at the same time the notice of demand is sent to the Owner, a copy of the notice to MassDevelopment and the Servicer. After providing such notice to MassDevelopment and the Servicer, the Municipality shall have no obligation to take any further actions to enforce the PACE Lien or to collect the delinquent PACE Betterment Assessment payments, other than continuing to include the PACE Betterment Assessment on the property tax bill for the applicable benefitted property, including any penalties, interest and fees in the same manner applicable to delinquent real property taxes, and including the delinquent PACE Betterment Assessment payments in any additional demand notices sent to the Owner with respect to delinquent real property tax payments, if any, unless the Municipality enters into a separate agreement with MassDevelopment described in the following paragraph 2.

2. If MassDevelopment makes a written request to the Municipality for its assistance in the collection of delinquent PACE Betterment Assessments and related charges, other than the providing of a notice of demand as set forth in paragraph (h)(1), the Municipality, in its sole discretion, and MassDevelopment may enter into a separate agreement for those services, which agreement shall provide for compensation to be paid to the Municipality for its collection services. The agreement may provide for the Municipality to pursue the collection of any delinquent PACE Betterment Assessment payments with the same diligence it employs in the collection of the Municipality's real property taxes, and to take such actions as are required to preserve the PACE Lien. The agreement may also provide that MassDevelopment shall have the right to take over the enforcement of any delinquent PACE Betterment Assessment payments upon written notice to the Municipality, and thereupon the Municipality will have no further responsibility to collect such amounts.

3. The Municipality will provide not less than 30 days' prior written notice to MassDevelopment and the Servicer, of any sale or assignment of its real property taxes, or any institution of a foreclosure, tax taking or other proceeding against any benefitted property for delinquent real property taxes or other betterment assessments. Similarly, MassDevelopment shall provide or cause to be provided not less than 30 days' prior written notice to the Municipality of the institution of a foreclosure or other proceeding, of which MassDevelopment has knowledge, against any benefitted property for delinquent PACE Betterment Assessment payments.

(i) Allocation of Insufficient Payments.

The Municipality and MassDevelopment each acknowledge and agree that if an Owner fails to pay in full on any payment due date the full amount of the real property taxes, betterment assessments (including PACE Betterment Assessment payments), and any other charges due to the Municipality and included on the property tax bill for a benefitted property, any amounts received by the Municipality in payment of such taxes, assessments and charges, including any amounts received in payment of penalties or interest for prior delinquent payments, shall be applied first, to pay such real property taxes, betterment assessments (other than the PACE Betterment Assessment payments), and other charges (collectively, "Municipal Charges"), including penalties, interest and fees included in such property tax bill for any prior delinquent Municipal Charges, and second, to pay the PACE Betterment Assessment payments due, including any penalties, interest and fees included in such property tax bill for any prior delinquent PACE Betterment Assessment payments. Any subsequent payments received by the Municipality with respect to such Municipal Charges and PACE Betterment Assessment payments shall be applied in the same order as set forth in the prior sentence. Nothing in this paragraph is intended to affect the lien priority established with respect to PACE Liens under the PACE Act.

(j) Records; Audits.

MassDevelopment and its agents, at MassDevelopment's own expense, shall have the right to audit the records maintained by the Municipality or its designee relating to the PACE Betterment Assessment payments upon reasonable notice and during the Municipality's normal business hours. The Municipality also will permit any assignee of MassDevelopment of a PACE Lien, at such assignee's own expense, to audit the records maintained by the Municipality or its designee relating to the PACE Betterment Assessment payments upon reasonable prior written notice to the Municipality and during the Municipality's normal business hours. MassDevelopment and the Municipality agree to provide each other with such reasonable information as they may request and as is available with respect to the PACE Betterment Assessment and payments; MassDevelopment and the Municipality agree to provide such information in a computer format satisfactory to the other.

(k) Promotion of Program; Assistance for PACE Financing; Payment to Municipality.

1. The Municipality shall use good faith efforts to assist MassDevelopment in local marketing efforts and outreach to the local business community to encourage participation in PACE Massachusetts, such as including PACE Massachusetts program information on the Municipality's website, distributing an informational letter from the Municipality to local businesses regarding the program, any such information to be prepared by MassDevelopment and provided to the Municipality, and joining with MassDevelopment in conducting business roundtable events held in the Municipality.

2. The Municipality shall use good faith efforts to assist in gathering and providing information to MassDevelopment for use in the offer, sale and issuance of Bonds or to otherwise assist in the obtaining of financing for Improvements to benefitted properties within the Municipality.

Section 4. No Liability.

Notwithstanding any other provision of law to the contrary, officers and officials of the Municipality, including, without limitation, municipal tax assessors and tax collectors, are not personally liable to MassDevelopment or any assignee or to any other person for claims, of whatever kind or nature, under or related to PACE Massachusetts, including, without limitation, claims for or related to uncollected PACE Betterment Assessments. Other than fulfillment of the obligations specified in this Agreement, the Municipality has no liability to any Owner or Capital Provider.

Section 5. Term.

The term of this Agreement shall commence upon the date first written above and shall continue in full force and effect until the later of (i) the Municipality elects to terminate this Agreement as provided below, and (ii) all of the PACE Betterment Assessments levied by the Municipality in accordance with this Agreement have been paid in full or are deemed no longer outstanding (the "Term"). The Municipality may elect to terminate its participation in PACE Massachusetts at any time on 60 days' prior written notice to MassDevelopment, provided that the provisions of this Agreement shall continue with regard to PACE Betterment Assessments assessed prior to such termination until those PACE Betterment Assessments have been paid in full or are no longer outstanding.

Section 6. Default.

Each party shall give the other party written notice of any breach of any covenant or agreement under this Agreement and shall allow the defaulting party 30 days from the date of its receipt of such notice within which to cure any such default or, if it cannot be cured within such 30-day period, to commence and thereafter diligently pursue to completion, using good faith efforts to effect such cure and to thereafter notify the other party of the actual cure of any such default. The parties shall have all other rights and remedies provided by law, including, but not limited to, specific performance; provided however, in no event shall either party have the right to terminate this Agreement prior to the expiration of the Term, except as provided in accordance with Section 5 of this Agreement.

Section 7. Miscellaneous Provisions.

(a) Assignment or Transfer. Except as provided in Section 3(e) hereof, a party may not assign or transfer its rights or obligations under this Agreement to another municipality, political subdivision or agency or department of the Commonwealth or to a private party or entity, without the prior written consent of the other party and, if required, the prior approval of any trustee for or holders of any Bonds outstanding. If approval of the assignment by any such trustee or holders of any such Bonds is required, such approval shall be obtained in accordance with the indenture or other documents entered into by MassDevelopment in connection with the issuance of the applicable Bonds.

(b) Designation of Servicer. Notwithstanding the provisions of Section 7(a), MassDevelopment may designate an entity to serve as the Servicer for purposes of Sections 3(g) and (h), or any other provision hereof, upon written notice to the Municipality. Such notice may be included in a Final Notice sent pursuant to Section 2(b), or at a later date.

(c) Severability. If any clause, provision or section of this Agreement is held to be illegal or invalid by any court, the invalidity of the clause, provision or section will not affect any of the remaining clauses, provisions or sections, and this Agreement will be construed and enforced as if the illegal or invalid clause, provision or section has not been contained in it.

(d) Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed, to be an original, and all of which together shall constitute but one and the same instrument.

(e) Notices. All notices, requests, consents and other communications shall be in writing and shall be in writing and shall be delivered by registered or certified mail, return receipt requested, by recognized courier service providing evidence of receipt, or delivered by hand during a Business Day to the parties as follows:

If to the Municipality:
CITY/TOWN NAME
STREET ADDRESS
CITY, STATE, ZIP CODE

Attention:

If to MassDevelopment:

Massachusetts Development Finance Agency
99 High Street
Boston, MA 02110
Attention: Executive Vice President for Finance Programs
With a copy sent to the same address addressed to:
Attention: General Counsel

If to the Servicer:

MuniCap, Inc.
8965 Guilford Road, Suite 210
Columbia, MD 21046
Attention: Keenan Rice

If to the Paying Agent:

Zions Bancorporation, National Association
444 Liberty Avenue, Suite 825
Pittsburgh, PA 15222
Attention: Patrick Smith, Vice President

(f) Amendment and Waivers. Except as otherwise set forth in this Agreement, any amendment to or waiver of any provision of this Agreement must be in writing and mutually agreed to by MassDevelopment and the Municipality.

(g) Applicable Law and Venue. This Agreement and its provisions shall be governed by and construed in accordance with the laws of the Commonwealth. In any action, in equity or law, with respect to the enforcement or interpretation of this Agreement, venue shall be in the City of Boston, Suffolk County, Massachusetts.

(h) Entire Agreement. This instrument constitutes the entire agreement between the parties and supersedes all previous discussions, understandings and agreements between the parties relating to the subject matter of this Agreement.

(i) Headings. The headings in this Agreement are solely for convenience, do not constitute a part of this Agreement and do not affect its meaning or construction.

[Remainder of this page intentionally left blank.]

IN WITNESS WHEREOF, the Municipality and MassDevelopment have each caused this Agreement to be executed and delivered as of the date indicated above:

FORM OF NOTICE OF BENEFITTED PROPERTY**

In accordance with that certain PACE Massachusetts Municipal Assessment and Assignment Agreement, dated as of _____, 20__ (the "Agreement"), between the [CITY/TOWN OF _____], MASSACHUSETTS (the "Municipality") and MASSACHUSETTS DEVELOPMENT FINANCE AGENCY ("MassDevelopment"), MassDevelopment hereby notifies the Municipality as follows (terms used in this notice and not otherwise defined herein have the same meanings assigned to such terms in the Agreement):

1. The owner (the "Owner") identified below of the property located in the Municipality at the address set forth below (the "Benefitted Property") has filed an application with MassDevelopment for participation in PACE Massachusetts.

2. The project proposed by the Owner (the "Project") has been approved by the Massachusetts Department of Energy Resources.

3. MassDevelopment has found that the Project complies with the financial underwriting guidelines for PACE Massachusetts.

4. The estimated amount of the PACE Betterment Assessment to be levied on the Benefitted Property at the time of execution and delivery of the Financing Agreement (the "Closing") is set forth below.

5. A copy of the current property tax bill issued by the Municipality with respect to the Benefitted Property is attached to this notice.

6. Not less than seven Business Days' prior to the Closing, MassDevelopment will provide the Municipality with the final amount of the PACE Betterment Assessment to be levied on the Benefitted Property and the corresponding PACE Lien to be placed upon the Benefitted Property, in the form of a completed PACE Massachusetts Betterment Assessment Statement, together with the other information and documentation required pursuant to Section 2 of the Agreement.

FORM OF NOTICE OF PACE BETTERMENT ASSESSMENT AND LIEN**

In accordance with that certain PACE Massachusetts Municipal Assessment and Assignment Agreement, dated as of _____, 20____ (the "Agreement"), between the [CITY/TOWN OF _____], MASSACHUSETTS (the "Municipality") and MASSACHUSETTS DEVELOPMENT FINANCE AGENCY ("MassDevelopment"), MassDevelopment hereby notifies the Municipality as follows (terms used in this notice and not otherwise defined herein have the same meanings assigned to such terms in the Agreement):

1. MassDevelopment has previously provided you with a Notice of Benefitted Property with respect to the property located in the Municipality at the address set forth below (the "Benefitted Property").
2. The owner of the Benefitted Property (the "Owner") has entered into the Financing Agreement that is an exhibit to the PACE Massachusetts Betterment Assessment Statement attached hereto.
3. All holders of mortgage liens, if any, on the Benefitted Property have consented to a PACE Betterment Assessment being levied upon the Benefitted Property and a PACE Lien being placed on the Benefitted Property to secure the Owner's obligations under the Financing Agreement.
4. The amount of the PACE Betterment Assessment to be levied on the Benefitted Property and the corresponding PACE Lien to be placed upon the Benefitted Property is set forth below.
5. Attached as **Attachment 1** is the Payment Schedule for the PACE Betterment Assessment to be levied by the Municipality on the Benefitted Property no later than the Levy Date set forth below and collected by the Municipality in accordance with the terms of the Agreement.
6. Attached as **Attachment 2** is the PACE Massachusetts Betterment Assessment Statement, together with all attachments, to be executed by the Collector Treasurer of the Municipality and returned to MassDevelopment at least two Business Days prior to the Recording Date set forth below for recording by MassDevelopment, on behalf of the Municipality's tax collector, in the Registry identified below.
7. Attached as **Attachment 3** is the PACE Massachusetts Municipal Assignment to be executed by the Municipality and returned to MassDevelopment at least two Business Days prior to the Recording Date set forth below for recording by MassDevelopment in the Registry identified below.

PACE MASSACHUSETTS BETTERMENT ASSESSMENT STATEMENT

THIS IS TO CERTIFY, in accordance with M.G.L. Ch. 23M, as amended (the "PACE Act"), and M.G.L. Ch. 80, as amended, that by [vote/resolution] of the [Board of Selectmen/Town Council/City Council] of the [City/Town] of _____, Massachusetts, dated _____, 20__, the [City/Town] of _____, Massachusetts (the "Municipality") has elected to participate in the Massachusetts Commercial Clean Energy Program ("PACE Massachusetts"), and has entered into a PACE Massachusetts Municipal Assessment and Assignment Agreement, dated _____, 20__ (the "Agreement"), with Massachusetts Development Finance Agency ("MassDevelopment") pursuant to said [vote/resolution], under which the Municipality has agreed that the [Assessing Board] of the Municipality will levy PACE betterment assessments for the costs of qualifying commercial energy improvements on those qualifying commercial and industrial properties located within the Municipality identified to the Municipality by MassDevelopment, and in the amounts determined by MassDevelopment, and that in accordance with such Agreement, MassDevelopment has notified the [Assessing Board] that a PACE betterment assessment in the amount set forth on **Attachment A** is to be levied on the property located in the Municipality and identified on **Attachment A** (the "Property"), and the [Assessing Board] has levied a PACE betterment assessment in such amount on the Property, which now constitutes a lien on the Property. Such PACE betterment assessment is to be paid in accordance with the Payment Schedule attached as **Attachment B** and the Financing Agreement attached as **Attachment C**. The PACE betterment assessment will be collected in the same manner as real property taxes of the Municipality, including in the event of default or delinquency, with respect to any penalties, fees and lien priorities. In accordance with the PACE Act, the PACE betterment assessment lien evidenced hereby shall take precedence over all other liens or encumbrances on the Property, except a lien of the Municipality for real property taxes. In accordance with the PACE Act, the PACE betterment assessment and lien run with the Property until such assessment is paid, and shall continue notwithstanding any alienation or conveyance of the Property.

IN WITNESS WHEREOF, the undersigned _____ of the [City/Town] of _____, duly authorized, has signed this notice this _____ day of _____, 20__.

FORM OF PACE MASSACHUSETTS MUNICIPAL ASSIGNMENT

KNOW ALL PERSONS BY THESE PRESENTS, that the [City/Town of _____], Massachusetts (the "Assignor"), acting herein by _____, its _____, pursuant to that certain PACE Massachusetts Municipal Assessment and Assignment Agreement, dated as of _____, 20__ (the "Agreement"), between the Assignor and Massachusetts Development Finance Agency (the "Assignee"), in consideration of One Dollar (\$1.00) and other good and valuable consideration paid to the Assignor by the Assignee, the receipt and sufficiency of which is hereby acknowledged, hereby grants, bargains, quit-claims, sells, conveys, assigns, transfers and sets over unto the Assignee, without warranty, guaranty or representation and without recourse (except as specifically set forth in the Agreement), all of its right, title and interest in and to that certain betterment assessment lien and the debts secured thereby together with such interest, fees, and expenses of collection as may be provided by law, recorded/filed in the [__ Registry of Deeds at Book __Page __ / _____ Registry District of the Land Court as Document No. _____ on Certificate of Title No. _____] on property owned on the date hereof in whole or in part by the entity identified on and as described on **Attachment A** attached hereto and made a part hereof (the "Lien"), to have and to hold the same unto the Assignee, its successor and assigns forever.

This Assignment is made, given and executed pursuant to M.G.L. Ch. 23M §3(h).

By execution of this Assignment, the Assignor assigns to the Assignee, and the Assignee assumes, as of the date hereof, all of the rights at law or in equity, obligations, powers and duties as the Assignor and its tax collector would have with respect to the Lien, if the Lien had not been assigned with regard to precedence and priority of such lien, the accrual of interest, charges, fees and expenses of collection.

This Assignment by the Assignor is absolute and irrevocable and the Assignor shall retain no interest, reversionary or otherwise, in the Lien.

APPENDIX H: OWNER DISCLOSURE STATEMENT AND AGREEMENT

**PACE MASSACHUSETTS
OWNER DISCLOSURE STATEMENT AND AGREEMENT**

Date:

Owner:

Property Address:

Municipality:

Capital Provider:

Date of Application:

This Owner Disclosure Statement and Agreement (this "Disclosure Statement") is being provided to you, as owner (the "Owner") of the above-referenced property (the "Property") in connection with your filing of an Application for PACE Massachusetts, dated the date set forth above (the "Application"), with Massachusetts Development Finance Agency ("MassDevelopment"), as the administrator of the Massachusetts Commercial Property Assessed Clean Energy Program ("PACE Massachusetts" or the "Program"), established pursuant to M.G.L. Chapter 23M, as amended (the "PACE Act"). As indicated in the Application, you propose to finance the acquisition, installation and construction of certain commercial energy improvements to the Property (the "Improvements") through PACE Massachusetts.

MassDevelopment, in consultation with the Massachusetts Department of Energy Resources ("DOER") has established PACE Massachusetts in accordance with the PACE Act, and developed program guidelines (the "Guidelines") governing the terms and conditions under which financing for commercial PACE projects ("PACE financing") may be made available through the Program. By executing a copy of this Disclosure Statement, where indicated below, you acknowledge that you have received a copy of the Guidelines. Terms used in this Disclosure Statement and not otherwise defined herein have the same meanings assigned to them in the Guidelines.

DOER has approved your proposed project under the Guidelines, and following such approval MassDevelopment has determined that the proposed project complies with the financial underwriting guidelines included in the Guidelines.

Accordingly, in consideration of your participation in PACE Massachusetts and in accordance with Sections 3(d) and (e) of the PACE Act, MassDevelopment notifies you of the following:

1. PACE Betterment Assessment. As a result of the Owner's participation in PACE Massachusetts, a PACE Betterment Assessment will be levied on the Property by the above-referenced Municipality (the "Municipality"). The PACE Betterment Assessment will be collected by the Municipality in installments on the property tax bill issued by the Municipality, in the same manner as and subject to the same penalties, fees and lien priorities as real property taxes assessed against the Property by the Municipality.
2. PACE Lien. In connection with levying the PACE Betterment Assessment, the Municipality will place a PACE Lien upon the Property. The PACE Lien will be assigned by the Municipality to MassDevelopment, and MassDevelopment will further assign it to the above-referenced PACE Capital Provider (the "Capital Provider"), as security for the PACE financing. A PACE Lien can be enforced in the same manner as any private party holding a lien on real property, including a holder of a mortgage on the Property, as further described below in paragraph 9.

3. Consent to PACE Betterment Assessment. The Owner has freely and willingly consented to the levying of the PACE Betterment Assessment and the imposition of the PACE Lien upon the Property. The Owner acknowledges and agrees that the benefit to the Property of the Improvements is at least equal to the amount of the PACE Betterment Assessment. Upon recording of the PACE Lien, the entire balance of the PACE Betterment Assessment (including interest thereon) will constitute a legal, valid and binding non-ad valorem betterment assessment and a resulting lien upon the Property, which, subject to the consent of each existing mortgage holder as described below in paragraph 4, will be senior in priority to all other liens on the Property, except a lien for real property taxes, until paid in full. Under the Financing Agreement to be entered into by the Capital Provider and the Owner (the “Financing Agreement”), the Owner waives all rights to subsequently challenge the PACE Betterment Assessment on the basis of procedural irregularities, notice or due process claims, insufficient benefits, improper or unfair apportionment or any other basis.
4. Mortgage Holder Consent. Each existing holder of a mortgage on the Property must consent to the levying of the PACE Betterment Assessment and the imposition of the PACE Lien. The Owner hereby represents to MassDevelopment that the Owner has notified all such mortgage holders of the Owner’s intention to participate in the Program and has requested the consent of each such mortgage holder to the levying of the PACE Betterment Assessment and the imposition of the PACE Lien.
5. Amount of PACE Betterment Assessment. The aggregate amount of the PACE Betterment Assessment, as set forth in **Exhibit A**, includes the costs of the Improvements financed, plus any fees and costs, as described in paragraphs 6 and 7, to be financed, plus interest on such financing. Attached to **Exhibit A** is a copy of the estimated payment schedule (the “Payment Schedule”), the final version of which will be included in the PACE Betterment Assessment and will be part of the Financing Agreement. The Payment Schedule sets forth the portion of the PACE Betterment Assessment (an “Assessment Installment Payment”) to be included on the corresponding property tax bill issued by the Municipality with respect to the Property on each Assessment Installment Payment Date shown in **Exhibit A**.
6. Program Origination Fee and Other Initial Fees.
 - a. At the time of closing, MassDevelopment will charge a program origination fee, in the amount set forth on **Exhibit A**, to cover MassDevelopment’s costs of implementing the PACE financing. This fee has been added to the amount of the PACE Betterment Assessment, if so indicated in **Exhibit A**.
 - b. The Owner also will be required to pay the costs of recording the PACE Lien and assignments, the initial costs of MassDevelopment’s Servicer and Paying Agent, and the fees and costs of MassDevelopment’s legal counsel, in the amounts set forth on **Exhibit A**. These fees and costs have been added to the amount of the PACE Betterment Assessment, if so indicated in **Exhibit A**.
 - c. If applicable, set forth on **Exhibit A** are the fees and costs for DOER’s review of the Application and the proposed Improvements for participation in the Program. If applicable to your Application, this fee has been added to the amount of the PACE Betterment Assessment, if so indicated in **Exhibit A**.
 - d. The fees and costs of the Capital Provider incurred in connection with the PACE financing, based solely on the information provided by the Capital Provider to MassDevelopment, are set forth in **Exhibit A**. These amounts have been added to the amount of the PACE Betterment Assessment, if so indicated in **Exhibit A**.

Please note that the amount of the PACE Betterment Assessment set forth in Exhibit A does not include your counsel’s fees or the fees of any other consultants that you may directly engage to assist you in the PACE Financing.

7. Annual Administration Fee. Each year, MassDevelopment will charge an annual administrative fee, in the amount set forth on **Exhibit A**. This fee has been added to the amount of the PACE Betterment Assessment.
8. Interest Rate. You will be charged interest on the total financed amount. Your interest rate will be set at the time your Financing Agreement is finalized. ***Interest rates may change from the date hereof to the date the Financing Agreement is finalized.*** An estimate of the interest rate is included on **Exhibit A** and reflected in the Payment Schedule attached as **Exhibit A-1**.
9. Foreclosure. If any installment of the PACE Betterment Assessment is not paid as and when due, the Property shall be subject to all enforcement mechanisms available to the Capital Provider under the PACE Act, which may result in the Owner's loss of title to the Property. The Capital Provider has the right to enforce any payment delinquency or default by the Owner or any successor owner of the Property in any manner authorized by law, including foreclosure. The Owner will be required to pay all reasonable costs incurred by the Capital Provider for such enforcement, including reasonable attorney's fees and costs; provided, however, the Capital Provider will not be entitled to accelerate the unpaid and not yet due balance of the PACE Betterment Assessment upon any such default.
10. Prepayment. The Owner may pre-pay the PACE Betterment Assessment in whole, but not in part, at any time, upon 15 Business Days' prior written notice to the Capital Provider and MassDevelopment.
11. No Endorsement, Warranty or Liability. Neither MassDevelopment nor DOER endorse any manufacturer, contractor, product, or system, or in any way warranty any equipment, or the installation or efficiency or production capability of any such equipment. MassDevelopment and DOER make no representations and have no responsibility regarding the Improvements and their installation/construction, including the quality, safety, cost savings, efficiency or production capability of the Improvements; or any compliance of the Improvements with any applicable laws, regulations, codes, standards or requirements. Further, neither MassDevelopment nor DOER shall be in any way liable for any incidental or consequential damages resulting from the Improvements or their construction/installation.
12. Indemnification. Except to the extent solely caused by the gross negligence or willful misconduct of MassDevelopment or DOER or their respective directors, officers, employees, and agents, the Owner will indemnify MassDevelopment and DOER and their respective directors, officers, employees, and agents against (a) any and all claims by any person related to the participation of MassDevelopment and DOER in the transactions contemplated in this Disclosure Statement and in PACE Massachusetts, including, without limitation, claims arising out of (i) any condition of the Property or the Improvements or the construction, installation use, occupancy or management thereof; (ii) any accident, injury or damage to any person occurring in or about or as a result of the Improvements or the Property; (iii) any breach by the Owner of its obligations under the Financing Agreement; or (iv) any act or omission of the Owner, or any of its agents, contractors, servants, employees or licensees; and (b) all losses, costs, counsel fees, expenses or liabilities reasonably incurred in connection with any such claim or any action or proceeding brought thereon. In case any action or proceeding is brought against MassDevelopment or DOER by reason of any such claim, the Owner will defend the same at its expense upon written notice from MassDevelopment or DOER, as applicable, and MassDevelopment and DOER, as the case may be, will (except in any case in which their interests are adverse to that of the Owner) cooperate with the Owner, at the expense of the Owner, in connection therewith. This indemnification shall survive the termination of the Financing Agreement, the PACE Betterment Assessment and the PACE Lien.
13. CUSTOMER IDENTIFICATION PROGRAM. To help the government fight the funding of terrorism and money laundering activities, federal law requires financial institutions to obtain, verify, and record information that identifies each person who opens an account. Accordingly, the Capital

Provider may require the Owner to provide the name and address of the Owner, and of its beneficial owners, if any, and other information that will allow the Capital Provider to identify the Owner, and its beneficial owners, if any, in accordance with federal law and regulations.

ACKNOWLEDGEMENT AND AGREEMENT

The undersigned, on behalf of the Owner, hereby (a) represents that it has received, read and understands the risks and characteristics of PACE Massachusetts described in this Disclosure Statement, including the terms set forth in **Exhibit A** attached hereto, and (b) in consideration of the Owner's participation in PACE Massachusetts, the sufficiency of which is hereby acknowledged, (i) acknowledges and agrees with each of the statements set forth above in this Disclosure Statement, (ii) confirms that the information in the Application is true and correct as of the date hereof, and (iii) represents that it is authorized to execute this Disclosure Statement on behalf of the Owner.

APPENDIX I: CAPITAL PROVIDER ASSIGNMENT AGREEMENT

This agreement allows MassDevelopment to assign the PACE lien to the capital provider as security for the financing.

**PACE MASSACHUSETTS
CAPITAL PROVIDER ASSIGNMENT AGREEMENT**

This **CAPITAL PROVIDER ASSIGNMENT AGREEMENT** (this "Agreement") is made and entered into as of the ___day of _____, 20___, by and between the **MASSACHUSETTS DEVELOPMENT FINANCE AGENCY** ("MassDevelopment"), a body politic and corporate and a public instrumentality of The Commonwealth of Massachusetts (the "Commonwealth"), and _____, a [national banking association/chartered bank/corporation], duly organized and validly existing under [federal/name of state] law [and duly authorized to do business in the Commonwealth], with an office at _____(the "Capital Provider"). Terms used in this Agreement and not otherwise defined herein shall have the same meanings assigned to them in the Financing Agreement (as hereinafter defined).

RECITALS

WHEREAS, pursuant to M.G.L. Ch. 23M, as amended (the "PACE Act"), the Commonwealth has authorized the establishment of a commercial sustainable, energy program known as the Massachusetts Property Assessed Clean Energy Program ("PACE Massachusetts") to provide a financing mechanism to private owners of qualifying commercial and industrial properties for certain qualifying commercial energy improvements ("Improvements"); and

WHEREAS, pursuant to the PACE Act, PACE Massachusetts has been established, in consultation with the Massachusetts Department of Energy Resources ("DOER"), and is administered by MassDevelopment; and

WHEREAS, under PACE Massachusetts, the owner of the qualifying commercial or industrial property benefitting from the Improvements (the "benefitted property") is required to repay the financing of the costs of the Improvements (the "Financing") through the payment of a betterment assessment levied on such benefitted property by the municipality in which the benefitted property is located; and

WHEREAS, _____, a _____organized and existing under the laws of _____, with a principal office at _____, Massachusetts (the "Owner") wishes to install Improvements at the property owned by the Owner and described in **Exhibit A** (the "Property"), which Property is located in the Municipality (as hereinafter defined), and to that end has entered into the Financing Agreement (as hereinafter defined); and

WHEREAS, the Owner has consented to the Municipality levying a betterment assessment on the Property (the "PACE Betterment Assessment") and placing a lien on the Property (the "PACE Lien"), pursuant to the PACE Act and the Municipal Agreement (as hereinafter defined), and the assignment of the PACE Lien by the Municipality to MassDevelopment and from MassDevelopment to the Capital Provider, as security for the Financing; and

WHEREAS, the Municipality, concurrently with the execution and delivery hereof, has caused MassDevelopment to record the Betterment Assessment Statement (as hereinafter defined), and has assigned the PACE Lien to MassDevelopment pursuant to the Municipal Assignment (as hereinafter defined); and

WHEREAS, the Capital Provider is willing to provide the Financing, subject to the terms of the Financing Agreement and this Agreement; and

WHEREAS, MassDevelopment is willing to assign the PACE Lien to the Capital Provider as security for the Financing, subject to the terms of this Agreement;

NOW THEREFORE, for and in consideration of the mutual covenants and agreements set forth herein and in order to effectuate the purposes of the PACE Act, MassDevelopment and the Capital Provider hereby agree as follows:

1. Definitions.

In addition to the terms set forth in the Recitals to this Agreement, the following terms shall have the following meanings as used in this Agreement:

- (a) “Act” means, collectively, Chapter 23G and the Pace Act.
- (b) “Assessment Installment Payment Date” means each [May 1 and November 1/February 1, May 1, August 1 and November 1] set forth in **Exhibit C** hereto.
- (c) “Assessment Installment Payments” means the [semi-annual/quarterly] installments of the PACE Betterment Assessment levied by the Municipality and included on the property tax bill for the Property, as set forth on Exhibit C to the Financing Agreement and in **Exhibit C** hereto.
- (d) “Assignment of PACE Lien” means the assignment of the PACE Lien by MassDevelopment to the Capital Provider, in the form set forth in **Exhibit B**.
- (e) “Betterment Assessment Statement” means the PACE Massachusetts Betterment Assessment Statement, dated as of the date hereof, executed by the Municipality and recorded in the Registry, evidencing the PACE Betterment Assessment and the PACE Lien.
- (f) “Business Day” means any day which is not (i) a Saturday, or (ii) a Sunday, or (iii) another day of the year on which banks located in Boston, Massachusetts are required or authorized by law or by executive order to close.
- (g) “Capital Provider Payment Date” means the first day of the month immediately following an Assessment Installment Payment Date.
- (h) “Chapter 23G” means M.G.L. Ch. 23G, as the same may be amended from time to time.
- (i) “Electronic Means” means a facsimile transmission, email transmission or other similar electronic means of communication providing evidence of transmission, including a telephone communication confirmed by any other method set forth in this definition.
- (j) “Financing Agreement” means the PACE Massachusetts Financing Agreement, dated the date hereof, between the Owner and the Capital Provider.
- (k) “Municipal Agreement” means the PACE Massachusetts Municipal Assessment and Assignment Agreement, dated as of _____, 20__, between the Municipality and MassDevelopment.
- (l) “Municipal Assignment” means the PACE Massachusetts Municipal Assignment, dated the date hereof, from the Municipality to MassDevelopment, recorded with the Registry concurrently with the recording of the Betterment Assessment Statement.
- (m) “Municipality” means the [City/Town] of _____, Massachusetts.
- (n) “Net Amount Due Capital Provider” means the total Assessment Installment Payment due and payable on each Assessment Installment Payment Date, less the portion of the Annual Administration Fee included in such Assessment Installment Payment, as set forth in Exhibit C to the Financing Agreement and in **Exhibit C** hereto.
- (o) “Paying Agent” means the Paying Agent identified in Section 12(e).
- (p) “Payment Schedule” has the meaning assigned to such term in Section 4(b)(i).

(q) “Permitted Transferee” means a “qualified institutional buyer,” as such term is defined in Rule 144A of the Securities and Exchange Commission under the Securities Act of 1933, or an “accredited investor” as that term is defined 17 C.F.R. §230.501(a) (excluding clauses (a)(5) and (a)(6) thereof).

(r) “Registry” means the _____[Registry of Deeds/District of the Land Court].

(s) “Servicer” means the Servicer identified in Section 12(e).

2. Financing of Improvements. The Capital Provider hereby agrees to undertake the financing of the Improvements on the terms and conditions set forth in the Financing Agreement. The Capital Provider covenants that it will not disburse, or approve the disbursement of, the Disbursement Amount to the Owner, any Contractor or any other person or entity to pay the costs of the Project and the Improvements, except in accordance with the terms and conditions of the Financing Agreement. The Capital Provider shall provide to MassDevelopment, within 15 days following the Capital Provider’s approval of the same, notice of the final disbursement of the Disbursement Amount, including in such notice the total amount disbursed under the Financing Agreement and the amount, if any, of the Disbursement Amount remaining after such final disbursement.

3. Assignment of PACE Lien.

(a) MassDevelopment hereby agrees to assign to the Capital Provider the PACE Lien as security for the Financing, and shall execute and deliver to the Capital Provider the Assignment of PACE Lien concurrently with the execution and delivery of this Agreement. Upon such assignment, the Capital Provider shall have and possess the same powers and rights at law or in equity as MassDevelopment and the Municipality and its tax collector would have had if the PACE Lien had not been assigned, with regard to the precedence and priority of such lien, the accrual of interest, and the fees and expenses of collection. In accordance with the PACE Act, the Capital Provider shall have the same rights to enforce such PACE Lien as any private party holding a lien on real property, including, but not limited to, foreclosure in a manner consistent with the rights afforded a mortgagee under the provisions of M.G.L. Ch. 183, § 21, and an action of contract, or any other appropriate action, suit or proceeding.

(b) MassDevelopment shall record or cause to be recorded the Assignment of PACE Lien in the Registry concurrently with the recording of the Betterment Assessment Statement. Upon recording of the Assignment of PACE Lien, MassDevelopment shall provide or cause to be provided a copy of the recorded Assignment of PACE Lien to the Capital Provider and the Owner, together with recorded copies of the Betterment Assessment Statement and the Municipal Assignment. The Capital Provider may assign its rights under the PACE Lien and this Agreement in connection with the assignment of its rights under the Financing Agreement, subject to the provisions of Section 12(b).

(c) As provided in the PACE Act, each PACE Lien shall be continued, recorded and released by the Capital Provider in the manner provided for property tax liens of the Municipality, and shall take precedence over all other liens or encumbrances except a lien for real property taxes of the Municipality on the Property.

4. Payment of PACE Betterment Assessment.

(a) The Capital Provider acknowledges that it has received a copy of the Municipal Agreement and represents that it accepts the procedures, obligations, responsibilities and limitations of liability of the Municipality and MassDevelopment relating to the assessing, billing, collecting and enforcing of the PACE Betterment Assessment and the PACE Lien contained therein.

(b) The Capital Provider acknowledges and agrees that:

i. attached hereto as **Exhibit C** is a true and correct copy of the payment schedule for the Financing (the "Payment Schedule"), and that the Payment Schedule is the same as the payment schedule included as Exhibit C to the Financing Agreement;

ii. MassDevelopment, directly or through the Paying Agent, will pay over or cause to be paid over to the Capital Provider the applicable Net Amount Due Capital Provider on each Capital Provider Payment Date, but only from amounts received from the Municipality as payment of the PACE Betterment Assessment; and

iii. notwithstanding any provision of this Agreement, the Municipal Agreement, the Financing Agreement, or the Payment Schedule to the contrary, receipt by the Capital Provider of the Net Amount Due Capital Provider not later than the corresponding Capital Provider Payment Date shall constitute timely payment of the Assessment Installment Payments due under the Financing Agreement.

(c) The Capital Provider shall provide prompt written notice to MassDevelopment and the Servicer of the prepayment by the Owner of the PACE Betterment Assessment.

(d) The Capital Provider, at its own expense, shall have the right to audit the records maintained by the Municipality relating to the PACE Betterment Assessment upon reasonable prior written notice to the Municipality and during the Municipality's normal business hours.

5. Delinquent Payments.

(a) MassDevelopment, directly or through the Servicer, shall give written notice to the Capital Provider by Electronic Means not less than five Business Days (the "notice date") prior to the applicable Capital Provider Payment Date if any Assessment Installment Payment has not been received by the applicable notice date.

(b) The Capital Provider acknowledges and agrees that pursuant to the Municipal Agreement and the PACE Act, the Municipality has no obligation to take actions to collect delinquent PACE Betterment Assessment payments or to enforce the PACE Lien, other than providing a notice of demand to the Owner within 30 days following an Assessment Installment Payment Date and continuing to include the PACE Betterment Assessment on the property tax bill for the Property, including any penalties and fees in the same manner applicable to delinquent real property taxes of the Municipality, as set forth in the Municipal Agreement.

(c) The Capital Provider acknowledges and agrees that, in accordance with the Municipal Agreement, if the Owner fails to pay in full on any payment date the full amount then due of real property taxes, betterment assessments (including the PACE Betterment Assessment), and any other charges due to the Municipality and included on the property tax bill for the Property, any amounts received by the Municipality in payment of such taxes, assessments and charges, including any amounts received in payment of penalties or interest for prior delinquent payments, shall be applied first, to pay such real property taxes, betterment assessments (other than the PACE Betterment Assessment), and other charges (collectively, "Municipal Charges"), including penalties and interest included in such property tax bill for any prior delinquent Municipal Charges, and second, to pay the PACE Betterment Assessment, including any penalties and interest included in such property tax bill for any prior delinquent PACE Betterment Assessment payments. The Capital Provider further acknowledges and agrees that, in accordance with the Municipal Agreement, any subsequent payments received by the Municipality with respect to such Municipal Charges and the PACE Betterment Assessment shall be applied in the same order as set forth in the prior sentence, provided that nothing in this paragraph (c) is intended to affect the lien priority established with respect to PACE Liens under the PACE Act.

(d) MassDevelopment, directly or through the Servicer, promptly shall provide or cause to be provided to the Capital Provider a copy of any notice received from the Municipality with respect to the sale or assignment of the Municipality's real property taxes or any institution of a foreclosure, tax taking or other proceeding against the Property for delinquent real property taxes or other applicable betterment assessments.

(e) Notwithstanding any provision of the Financing Agreement to the contrary, the Capital Provider shall not commence to exercise any rights to enforce the PACE Lien for failure to receive the scheduled Net Amount Due Capital Provider (a "payment default") on the corresponding Capital Provider Payment Date, earlier than 60 days following such Capital Provider Payment Date. If the Capital Provider elects to exercise its rights to sell the Property due to such payment default under Section 11 of the Financing Agreement and the PACE Act, not less than 30 days prior to the Capital Provider commencing to exercise its remedies under the Financing Agreement by giving the notices required to be given to the Owner and any holders of a mortgage or other lien on the Property in accordance with the provisions of M.G.L. Ch. 244, §14 (the "Statutory Notices"), the Capital Provider shall provide to MassDevelopment, the Municipality, the Owner and each holder of an interest in the Property junior to the PACE Lien, notice of the payment default and of the Capital Provider's intention to sell the Property pursuant to the PACE Act and M.G.L. Ch. 183, §21.

6. Amendment of the PACE Betterment Assessment.

If (i) the final amount of the Financing needs to be adjusted at the completion of the Improvements, whether due to an increase or decrease in the Approved Amount, in accordance with the provisions of the Financing Agreement, or any other time after the levying of the PACE Betterment Assessment and recording of the PACE Lien, or (ii) due to a subdivision by the Owner of a benefitted property, a PACE Betterment Assessment and PACE Lien need to be modified to ensure the continued collection and enforceability of the entire PACE Betterment Assessment, in accordance with the provisions of the Financing Agreement, the Capital Provider shall notify MassDevelopment that the Payment Schedule or the PACE Lien, or both, need to be amended, describing the proposed amendments and the reasons therefor. In the case of clause (i), the Capital Provider shall provide MassDevelopment for its review and confirmation an updated Payment Schedule, and, subject to the approval of DOER, MassDevelopment will promptly notify the Municipality of such change, and provide the Municipality with an amended Betterment Assessment Statement, including the updated Payment Schedule, as confirmed by MassDevelopment, and the new amount of the PACE Betterment Assessment. In the case of clause (ii), the Capital Provider shall provide MassDevelopment for its review and confirmation an amended Betterment Assessment Statement, including, if necessary, an updated Payment Schedule, and MassDevelopment will promptly notify the Municipality of such changes, and provide the Municipality with the amended Betterment Assessment Statement, including the updated Payment Schedule, as applicable, as confirmed by MassDevelopment, and the new amount of the PACE Betterment Assessment, if applicable. The Municipality shall adjust the PACE Betterment Assessment in the assessing and taxing records of the Municipality to permit the adjusted PACE Betterment Assessment to be included on the property tax bill for the Property as soon as practicable. MassDevelopment shall deliver or cause to be delivered the amended Betterment Assessment Statement executed by the Municipality to the Capital Provider, following receipt of the same from the Municipality. The Capital Provider shall be responsible for recording or causing to be recorded, at its sole cost and expense, the amended Betterment Assessment Statement in the Registry and for providing a copy of the same to the Owner.

7. MassDevelopment's Representations and Warranties.

MassDevelopment hereby represents and warrants to, and agrees with the Capital Provider as follows:

(a) MassDevelopment is a body politic and corporate and a public instrumentality of the Commonwealth, established under Chapter 23G, with the power under and pursuant to the Act, to execute and deliver this Agreement, the Municipal Agreement and the Assignment of PACE Lien, and to perform its obligations hereunder and thereunder.

(b) MassDevelopment has taken all necessary action and has complied with all provisions of the Constitution of the Commonwealth and the Act, required to make this Agreement, the Municipal Agreement and the Assignment of PACE Lien, the valid obligations they purport to be; and when executed and delivered by the parties hereto and thereto, this Agreement, the Municipal Agreement and the Assignment of PACE Lien, will constitute legal, valid and binding agreements of MassDevelopment, will be enforceable against MassDevelopment in accordance with their respective terms, except as enforceability may be subject to the exercise of judicial discretion in accordance with general equitable principles and to applicable bankruptcy, insolvency, reorganization, moratorium and other laws for the relief of debtors heretofore or hereafter enacted to the extent that the same may be constitutionally applied and, to the actual knowledge and belief of MassDevelopment, will not violate or conflict with or constitute a breach of or default under the Act or any material agreement to which MassDevelopment is a party.

8. Capital Provider's Representations and Warranties.

The Capital Provider hereby represents and warrants to, and agrees with MassDevelopment as follows:

(a) The Capital Provider is an entity as described in the first paragraph hereof, with the full power, and all licenses necessary, to own its properties to carry on its business as now being conducted, and has full power to enter into this Agreement and the Financing Agreement, and to carry out the terms and conditions contained herein and therein; and the execution of this Agreement and the Financing Agreement on its behalf and its participation in the transactions specified herein and therein is in its ordinary course of business and within the scope of its existing corporate authority.

(b) There is no action, suit or proceeding pending against the Capital Provider before or by any court, administrative agency or other governmental authority which brings into question the validity of, or might in any way impair, the execution, delivery or performance by the Capital Provider of this Agreement or the Financing Agreement.

(c) No approval of, or consent from, any governmental authority is required for the execution, delivery or performance by the Capital Provider of this Agreement or the Financing Agreement.

(d) The execution, delivery and performance by the Capital Provider of this Agreement and the Financing Agreement and the performance by the Capital Provider hereunder and thereunder, and the transactions contemplated hereby and thereby, (i) do not contravene any provisions of law applicable to the Capital Provider, (ii) do not conflict with its charter or bylaws, and (iii) do not violate or conflict with, and will not constitute a breach of or a default or require any consent under any material agreement to which the Capital Provider is a party, or by which the Capital Provider may be bound, or to which the Capital Provider or its property may be subject.

(e) Each of this Agreement and the Financing Agreement constitute the legal, valid and binding obligation of the Capital Provider, enforceable against the Capital Provider in accordance with its terms, except as enforceability may be subject to the exercise of judicial discretion in accordance with general equitable principles and to applicable bankruptcy, insolvency, reorganization, moratorium and other laws for the relief of debtors heretofore or hereafter enacted to the extent that the same may be constitutionally applied.

(f) The Capital Provider has independently and without reliance upon MassDevelopment or DOER or any agent or employee of MassDevelopment or DOER, or any representation or warranty, express or implied, of MassDevelopment or DOER or any agent or employee of MassDevelopment or DOER (i) conducted its own credit evaluation of the Owner, (ii) determined that the Owner owns or has valid leasehold rights to, as applicable, the Property, (iii) conducted its own investigation to determine that the Improvements meet the requirements of the PACE Act and the guidelines established for PACE Massachusetts by DOER, and (iv) reviewed such information as it deemed adequate, necessary and appropriate and made its own analysis of the PACE Act, this Agreement, the Municipal Agreement, the Financing Agreement, and the Assignment of PACE Lien to evaluate the merits and risks of undertaking the Financing.

(g) The Capital Provider acknowledges that neither MassDevelopment nor DOER takes any responsibility for any information, financial or otherwise, regarding the Owner, the Property, or the Improvements furnished to the Capital Provider by or on behalf of MassDevelopment or DOER, including, but not limited to, the information contained in the application and related documents submitted to MassDevelopment by the Owner for participation in PACE Massachusetts.

(h) The Capital Provider is experienced in making investments in commercial energy improvements of the type that qualify for financing under PACE Massachusetts, including the Improvements, it is financially able to undertake the risks involved in undertaking the Financing, and it, or its authorized representatives acting on its behalf, have sufficient knowledge and experience in business and financial matters necessary to evaluate the merits and risks of undertaking the Financing.

9. Default.

Each party shall give the other party written notice of any breach of any covenant or agreement under this Agreement and shall allow the defaulting party 30 days from the date of its receipt of such notice within which to cure any such default or, if it cannot be cured within the 30 days, to commence and thereafter diligently pursue to completion, using good faith efforts to effect such cure and to thereafter notify the other party of the actual cure of any such default. The parties shall have all other rights and remedies provided by law, including, but not limited to, specific performance.

10. Indemnification.

The Capital Provider agrees that it will protect, defend, indemnify and hold harmless MassDevelopment and DOER and their respective directors, officers, agents and employees (each an "Indemnified Party") from and against all claims, damages, losses, liabilities, costs or expenses, incurred by an Indemnified Party arising out of or in connection with the actions of an Indemnified Party under this Agreement. This indemnification shall survive the termination of this Agreement. The foregoing indemnity shall include, without limitation, the costs and expenses of defending or preparing to defend against any claim of liability, including reasonable fees of attorneys, consultants, and experts and related costs, provided that the Capital Provider shall have no liability to indemnify any Indemnified Party for such Indemnified Party's own gross negligence, bad faith or willful misconduct.

11. Term.

The term of this Agreement shall commence upon the date first written above. This Agreement shall be and remain in full force and effect until the PACE Betterment Assessment has been paid in full or deemed no longer outstanding.

12. Miscellaneous Provisions.

(a) Taxes and Charges. The Capital Provider shall pay any and all taxes and assessments, including sales or use taxes, if any, that may be imposed by any federal, state or local government authority on any remittances made by MassDevelopment, directly or through the Paying Agent, to the Capital Provider pursuant to this Agreement.

(b) Assignment. The Capital Provider may assign its rights and obligations under this Agreement and the Financing Agreement, in whole but not in part, only to a Permitted Transferee. The instrument of assignment shall include a representation from the assignee that the assignee is a Permitted Transferee. The Capital Provider shall give notice to MassDevelopment and to the Servicer of any such assignment and the name and contact information of the assignee not fewer than 30 days prior to the date that the next Assessment Installment Payment is due following the date of such assignment. Subject to the foregoing, this Agreement shall inure to the benefit of, and is binding upon, the successors and permitted assigns of the parties hereto.

(c) Severability. If any clause, provision or section of this Agreement is held to be illegal or invalid by any court, the invalidity of the clause, provision or section will not affect any of the remaining clauses, provisions or sections, and this Agreement will be construed and enforced as if the illegal or invalid clause, provision or section has not been contained in it.

(d) Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed, to be an original, and all of which together shall constitute but one and the same instrument.

(e) Notices. All notices, requests, consents and other communications shall be in writing and shall be delivered by registered or certified mail, return receipt requested, by recognized courier service providing evidence of receipt, or delivered by hand during a Business Day to the parties, as follows:

If to MassDevelopment:

(f) Amendment and Waivers. Except as otherwise set forth in this Agreement, any amendment to or waiver of any provision of this Agreement must be in writing and mutually agreed to by MassDevelopment and the Capital Provider.

(g) Applicable Law and Venue. This Agreement and its provisions shall be governed by and construed in accordance with the laws of the Commonwealth. In any action, in equity or law, with respect to the enforcement or interpretation of this Agreement, venue shall be in the City of Boston, Suffolk County, Massachusetts.

(h) Entire Agreement. This instrument constitutes the entire agreement between the parties and supersedes all previous discussions, understandings and agreements between the parties relating to the subject matter of this Agreement.

(i) Headings. The headings in this Agreement are solely for convenience, do not constitute a part of this Agreement and do not affect its meaning or construction.

(j) Not for the Benefit of Other Parties. This Agreement is not intended for the benefit of, and shall not be construed to create rights in, parties other than MassDevelopment, DOER, the Capital Provider, and the Municipality.

APPENDIX J: SAMPLE MODEL PACE RESOLUTION FOR MUNICIPAL OPT-IN

This is a sample model of PACE resolution for use by municipalities to enable PACE Massachusetts.

Vote/Resolution Authorizing the City/Town of _____ to Participate in the Massachusetts Commercial Property Assessed Clean Energy Program (PACE Massachusetts)

WHEREAS, pursuant to M.G.L. c. 23M, as amended (the "PACE Act"), the Commonwealth has established a commercial sustainable energy program known as the Massachusetts Property Assessed Clean Energy Program ("PACE Massachusetts") to provide a financing mechanism ("PACE financing") to private owners of commercial and industrial properties for certain qualifying commercial energy improvements ("improvements"); and

WHEREAS, pursuant to the PACE Act, PACE Massachusetts is administered by the Massachusetts Development Finance Agency ("MassDevelopment"), in consultation with the Massachusetts Department of Energy Resources; and

WHEREAS, under PACE Massachusetts, the owner of the commercial or industrial property benefitting from the improvements (the "benefitted property") is required to repay the PACE financing through the payment of a betterment assessment (a "PACE betterment assessment") placed on such benefitted property by the municipality in which the benefitted property is located; and

WHEREAS, in order for an owner of commercial or industrial property to participate in PACE Massachusetts, Section 2 of the PACE Act requires that the municipality in which such property is located must elect to participate in PACE Massachusetts; and

WHEREAS, the City/Town of _____ (the "Municipality") has determined that it is in the best interest of the Municipality to participate in PACE Massachusetts as a "participating municipality," as provided in the PACE Act, to permit the owners of commercial and industrial properties located in the Municipality to access PACE financing for qualifying commercial energy improvements through PACE Massachusetts;

WHEREAS, NOW THEREFORE, BE IT [VOTED/RESOLVED], as follows:

The [City Council of the City of _____ [with the approval of the Mayor]] [the Board of Selectmen/Town Council of the Town of _____] hereby approves the Municipality participating in PACE Massachusetts pursuant to the PACE Act, and authorizes the [Mayor/Town Manager] to enter into a PACE Massachusetts Municipal Assessment and Assignment Agreement (the "Agreement") with MassDevelopment, pursuant to which the Municipality will agree to (i) levy PACE betterment assessments and impose PACE betterment assessment liens on benefitted properties located in the Municipality, in the amounts determined by MassDevelopment to be sufficient to repay the PACE financing, (ii) assign the PACE betterment assessment liens to MassDevelopment, which MassDevelopment may in turn assign to the providers of the PACE financing (each a "capital provider"), as collateral for such PACE financing, (iii) include on the property tax bills for the benefitted properties the installment payments necessary to repay the PACE betterment assessments, in the amounts and at the times as determined by MassDevelopment, (iv) collect and pay over to MassDevelopment or its designee, the PACE betterment assessment installment payments, as and when collected, and (v) enforce, to the extent required by the Agreement, the PACE betterment assessments and liens; the Agreement to be substantially in the form presented to this meeting, with such changes, modifications and insertions as the [Mayor/Town Manager] may approve as being in the best interest of the Municipality. The Collector Treasurer of the City/Town or such other City/Town agency as may be designated in the Agreement is authorized to levy such PACE betterment assessments and impose the PACE betterment assessment liens on behalf of the City/Town without further authorization by this legislative body.

Notwithstanding any other provision of law to the contrary, officers and officials of the Municipality, including, without limitation, municipal tax assessors and tax collectors, are not personally liable to MassDevelopment or to any other person for claims, of whatever kind or nature, under or related to PACE Massachusetts, including, without limitation, claims for or related to uncollected PACE betterment assessments. Other than fulfillment of the obligations specified in the Agreement, the Municipality has no liability to the owner of the benefitted property or to any capital provider related to the Municipality's participation in PACE Massachusetts.

APPENDIX K: PROJECT DEVELOPER CERTIFICATION FORM

This is the form that Project Developers are required to prepare for each PACE Massachusetts project.

PACE Massachusetts Project Developer Affidavit

I confirm that the technical application and its attachments²⁰ were prepared and/or overseen by me in accordance with PACE Massachusetts program requirements. Additionally, I state that the following application components are accurate and complete in accordance with PACE Massachusetts program requirements to the best of my knowledge.

Please check all that apply:

For Renewable Energy Improvements in retrofit projects	
<input type="checkbox"/> Renewable Project Savings Calculations	<input type="checkbox"/> Savings Calculations
Other Requirements	
<input type="checkbox"/> Measurement and Verification	<input type="checkbox"/> SIR Calculation Workbook
For Energy Conservation Reduction Improvements ICP Protocol Used:	
Commercial <i>(Check One)</i>	<input type="checkbox"/> Large <input type="checkbox"/> Standard <input type="checkbox"/> Targeted
Multifamily <i>(Check One)</i>	<input type="checkbox"/> Large <input type="checkbox"/> Standard <input type="checkbox"/> Targeted
<input type="checkbox"/> Energy Use Baseline	
<input type="checkbox"/> Savings Calculations	
Supporting documentation for New Construction projects	
<input type="checkbox"/> Energy Efficiency Retrofits <input type="checkbox"/> Renewable Energy Improvements <input type="checkbox"/> Buildings that Meet the Specialized Code Pathway <input type="checkbox"/> Buildings that Meet the Stretch Code Pathway <input type="checkbox"/> Buildings that Meet the Base Code Pathway	

Please indicate which Project Developer certification(s) you possess. Please check all that apply:

- ICP Project Developer (PD) Credential
- Registered architect or Registered Professional Engineer
- MassSave® Program Administrator
- Association of Energy Engineers (AEE) Certified Energy Manager® (CEM®) Certification
- NABCEP PV Design Specialist Certification
- Five years (minimum) of demonstrated experience calculating energy savings
- Energy Management Association Energy Management Professional (EMP) certification

²⁰ The technical package, including energy modelling, baseline and energy savings calculations must be prepared by a qualified Project Developer. Documentation of costs should be confirmed by the energy project developer, capital provider or property owner

APPENDIX L: DEFINITIONS FOR PACE MASSACHUSETTS

Applicant: Collective term including the property owner, preparer, and/or the project developer responsible for the PACE application.

Alternative Energy Portfolio Standard (APS): Portfolio standard, set forth in 225 CMR 16, which provides requirements and incentives for alternative electricity and renewable thermal technologies. Qualified resources generate Alternative Energy Credits (AECs) for each megawatt hour or MMBTU equivalent of energy produced.

Energy Improvements: Collective term for eligible measures in PACE Massachusetts. Eligible measures include energy consumption reduction improvements and renewable energy improvements.

Clean Peak Energy Portfolio Standard (CPS): Portfolio standard set forth in 225 CMR 21.00 which provides requirements and incentives for clean energy technologies that can supply electricity or reduce demand during seasonal peak demand periods. Qualified resources generate Clean Peak Energy Certificates (CPECs) for each megawatt hour of energy and are adjusted for applicable Clean Peak Energy Certificate multipliers.

Commercial or industrial property: Any real property other than a residential dwelling containing fewer than five dwelling units.

Energy Consumption Reduction Improvements: Energy efficiency or conservation equipment installation.

Investor Confidence Project Protocol (ICP): Ready-made set of energy efficiency technical standards consisting of accepted industry standards and best practices set forth at the ICP website.

Owner: Owner of qualifying commercial or industrial property who desires to install energy improvements and who provides free and willing consent to the betterment assessment against the qualifying commercial or industrial property.

PACE Massachusetts: Commercial Property Assessed Clean Energy program, as set forth in G.L. c. 23M.

PACE project: With respect to a parcel of qualifying commercial or industrial property, (1) design, procurement, construction, installation and implementation of commercial energy improvements; (2) related energy audits; (3) renewable energy system feasibility studies; and (4) measurement and verification reports of the installation and effectiveness of such energy improvements. Also known as Commercial Pace project as defined within M.G.L. c 23M section 1.

Project Developer: Individual responsible for preparing a PACE application package, baseline, and savings calculations, pursuant to Section 4 of this appendix.

Renewable Energy Improvements: Equipment added to a commercial or industrial property to generate electricity or thermal energy by using renewable technologies that meet requirements for the RPS or renewable thermal generating units that meet the requirements for APS. Energy storage may be considered a Renewable Energy Improvement if paired with renewable generating equipment.

Renewable Energy Portfolio Standard (RPS): Portfolio standard, set forth in DOER regulations at 225 CMR 14 and 225 CMR 15, which provides requirements and incentives for renewable electricity generation technologies. Qualified resources generate Renewable Energy Credits (RECs) for each MWH produced.

Savings to Investment Ratio (SIR): The ratio of energy cost savings of the Energy Improvements over the useful life of the improvements to the costs of the improvements, including any financing costs and associated fees. The calculation is used to determine whether a PACE Project's savings are equal to or greater than the investment.

Solar Massachusetts Renewable Target Program (SMART): An incentive program, set forth in DOER regulations at 225 CMR 20, for solar photovoltaics.

Stand-Alone Energy Storage Systems: Energy storage that is not co-located with a renewable energy system, which is designed to dispatch coincident with annual peak electric grid load or is anticipated to be used for at least fifty-two (52) full cycles per year. Stand-Alone Energy Storage Systems must have at least a 65% round trip efficiency in normal operation.
