(L) The PACE Lien is being assigned concurrently with the execution and delivery of this Agreement from the Municipality to MassDevelopment, and from MassDevelopment to the Capital Provider, as security for the repayment of the Financing.

(N) The Owner will not permit any other PACE lien to be imposed on the Property, without the prior written consent of the Capital Provider.

(O) The PACE Betterment Assessment, the PACE Lien and this Agreement shall run with the Property and shall be binding on the Property and the Owner and all successors in interest notwithstanding any alienation or conveyance of the Property by the Owner or a subsequent owner to a new owner of the Property.

(P) The Owner acknowledges that the Assessment Installment Payments will be collected on the property tax bills administered by the Municipality and that the Assessment Installment Payments will include the Administrative Costs to the extent set forth in **Exhibit A**.

(Q) The Owner may prepay the PACE Betterment Assessment in accordance with the provisions of Section 12.

(R) The Owner has obtained the written consent to the imposition of the PACE Lien on the Property from all mortgage holders or loan servicers, if any, of any loan or indebtedness secured by a mortgage or other lien or encumbrance on the Property. (S) The Owner agrees to adjust any applicable mortgage escrow, or to fund one, if requested by a mortgage holder or loan servicer of any mortgage pertaining to the Property, to include the equivalent of the Assessment Installment Payments.

(T) The Improvements confer direct special benefits to the Property equal to or in excess of any amounts due hereunder, and such amounts due hereunder represent a fair and reasonable apportionment, in all respects, of the costs and charges attributed to the Property in connection with the acquisition, construction and financing of the Improvements.

(U) The term for the repayment of the Financing, as set forth in **Exhibit C**, does not exceed the lesser of (i) the useful life of the longest-lived Improvement or (ii) 20 years.

(V) The plans and specifications submitted by the Owner to the Capital Provider and approved thereby, if any (the "Plans"), in accordance with **Exhibit D**, are and will be a true and accurate reflection of the Project (when completed) and have been approved, or will be approved prior to the first disbursement request, as required by all governmental authorities having jurisdiction over the Project and the Property. The budget for construction of the Project (the "Budget") submitted by the Owner to the Capital Provider in accordance with **Exhibit D** is an accurate current estimate of all costs necessary to undertake the Project in accordance with the Plans and the costs of the Project are not expected to exceed the costs set forth in the Budget. The Owner acknowledges that it is responsible for any costs in excess of the Approved Amount.

(W) The Owner acknowledges that it is solely responsible for obtaining all permits, approvals and licenses necessary to undertake the Project and the construction and installation of the Improvements (collectively, the "Permits"), and for selecting and engaging the Contractor. The Owner shall provide copies of the Permits to the Capital Provider in accordance with **Exhibit D**.

(X) The Owner acknowledges that any inspection of the Improvements required by applicable building codes, the Program or the Capital Provider do not ensure quality of workmanship, and the Owner is solely responsible for ensuring that the Improvements are completed as proposed in the Submittal Package and the proposal, estimate, and/or binding written invoice provided by the Contractor.

(Y) The Owner consents to providing the Capital Provider with access to the Property, at reasonable times during normal business hours and upon reasonable notice, for purposes of inspecting the Improvements.

(Z) The Owner agrees to provide the reports, if any, as required by DOER pursuant to the Approval Letter at the times required therein, and any utility records requested by DOER or the Capital Provider to assist in tracking utility savings resulting from the Improvements.

(AA) The Owner agrees to execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, from time to time such supplements hereto and such further instruments, corrective or otherwise, as may reasonably be required to carry out the intention of this Agreement.

(BB) The Owner has not made and will not make to the Capital Provider, in this Agreement or otherwise, any untrue statement of a material fact, nor has it omitted to state a material fact necessary to make any statement made to the Capital Provider not misleading.

(CC) The request by the Owner for a disbursement of the Disbursement Amount shall constitute a certification by the Owner that the representations and warranties contained herein are true and correct as of the date of such request, unless otherwise notified to the Capital Provider by the Owner in writing.

Section 5. OWNER COVENANTS AND AGREEMENTS. By execution hereof, the Owner covenants and agrees as follows:

(A) The Owner will pay the Assessment Installment Payments at the times and in the amounts set forth on **Exhibit C**, and acknowledges that failure to pay any Assessment Installment

Payment at the time and in the amounts due may result in loss of title to the Property, as described in Section 11.

(B) The Owner will make all Assessment Installment Payments, together with any penalties, interest and fees thereon, to the tax collector of the Municipality, in accordance with the property tax bill received from the Municipality.

(C) The Owner will pay in a timely manner, as and when due, (i) all property taxes, charges, liens and any other assessments levied on the Property by the Municipality, (ii) all other liens and charges levied on or against the Property, and (iii) all mortgage debt, if any, secured by the Property.

(D) The Owner will undertake and complete the Project and the Improvements in accordance with the Approval Letter, the Plans, the Budget and the schedule for the Project agreed to by the Capital Provider, and will otherwise comply with the provisions set forth in **Exhibit D**. The Owner agrees to maintain the Improvements and provide for the timely repair of the Improvements, at the Owner's expense, throughout the term of this Agreement.

(E) The Owner has in place insurance with respect to the Property and the Project and will maintain the same throughout the term of this Agreement, through financially sound and reputable insurers authorized to do business in the Commonwealth, against such casualties and contingencies as shall be in accordance with the general practices of businesses engaged in similar activities as the Owner in similar geographic areas as the Property, and in amounts, containing such terms, with such self-insured retentions, in such forms and for such periods as may be reasonable and prudent. Such policies of insurance shall be issued in form and content reasonably acceptable to the Capital Provider, and shall name the Capital Provider as an additional insured as its interest may appear. Each policy shall provide for not less than 10 days' prior notice to the Capital Provider in the event of cancellation or nonrenewal. The Owner shall, upon request by the Capital Provider, provide the Capital Provider with certificates evidencing the insurance required to be maintained hereunder.

(F) The Owner promptly will notify the Capital Provider if the Project is damaged or destroyed by a casualty or any other cause (each such occurrence, a "casualty"). Upon the occurrence of such casualty, the Owner will apply any insurance proceeds received to the repair, restoration and reconstruction (collectively, the "repair") of the Project, provided that the Owner shall be responsible for any costs of repairing the Project in excess of the amount of insurance proceeds received.

(G) If the Project, or any part thereof, or the Property are taken by any Governmental Authority as the result or in lieu or in anticipation of the exercise of the right of condemnation or eminent domain (a "condemnation"), or are subject to an imminent threat of condemnation, the Owner will not be entitled to any further disbursements of the Disbursement Amount unless, in the Capital Provider's commercially reasonable judgment, the Property and the Project can be replaced and restored in a manner which will enable the Project to be functionally and economically utilized as originally intended. If the Capital Provider so decides that the Project can be so replaced and restored, then the Owner shall undertake the repair of the Project with the proceeds of any condemnation awards received in the same manner as described in the prior paragraph regarding a casualty. If the Capital Provider decides in its commercially reasonable judgment that the Property and the Project cannot be replaced and restored in a manner which will enable the Project to be functionally and economically utilized as originally intended, then any undisbursed portion of the Disbursement Amount will be applied by the Capital Provider, on behalf of the Owner, to the prepayment of the PACE Betterment Assessment.

(H) Upon the Owner becoming aware of the violation of any Environmental Law with respect to all or any portion of the Property, or the presence or any release or any threat of release of any Hazardous Materials on, under or from all or any portion of the Property, whether or not caused by the Owner, the Owner shall promptly notify the Capital Provider of the same and take all actions necessary or required by applicable Environmental Laws to cure, remediate, or eliminate any such violation.

(I) Upon request of the Capital Provider, the Owner will take any actions and execute any further documents as the Capital Provider reasonably deems necessary or appropriate to carry out the purposes of this Agreement.

Section 6. COLLECTION OF PACE BETTERMENT ASSESSMENT ON PROPERTY TAX BILL; CAPITALIZED INTEREST.

(A) Assessment Installment Payments, including Administrative Costs to the extent set forth in **Exhibit A** and interest on the PACE Betterment Assessment as provided in paragraph (C) below, shall be collected on the property tax bills issued by the Municipality pertaining to the Property as provided for in the PACE Act and M.G.L. Ch. 80. The Assessment Installment Payments due in any Tax Year shall be payable in the same manner and at the same times as the ad valorem taxes on the Property are payable and shall become delinquent at the same times and shall be subject to the same interest, fees and penalties as delinquent ad valorem taxes. By execution hereof, the Owner acknowledges that the failure to pay the PACE Betterment Assessment or any Assessment Installment Payment as and when due may result in the loss of title to the Property, as set forth in Section 11 below.

(B) Following recording of the PACE Lien in the Registry, Assessment Installment Payments, as set forth in **Exhibit C**, shall be collected on the property tax bill issued by the Municipality with respect to the Property, on the Assessment Installment Payment Dates set forth in **Exhibit C**.

(C) Interest shall accrue on the unpaid PACE Betterment Assessment commencing on the date set forth in Item 12 of **Exhibit A**, at a simple interest rate per annum equal to the rate set forth in Item 11 of **Exhibit A**. If applicable, initial Assessment Installment Payments may consist solely of capitalized interest representing interest accruing on the PACE Betterment Assessment as set forth in Item 9 of **Exhibit A** and shall be payable from proceeds of the Disbursement Amount. The amount of capitalized interest, if any, is set forth in Item 9 of **Exhibit A**.

(D) Failure to pay the Assessment Installment Payments as and when due will result in interest, fees and penalties being assessed against the Property, in the same manner as in an event of default or delinquency in the payment real property taxes of the Municipality.

Section 7. DISBURSEMENT.

(A) [If sole disbursement is to be at Project completion: Subject to the terms and conditions set forth herein and in **Exhibit D**, upon (i) execution and delivery of this Agreement, (ii) completion of the Improvements, (iii) submission by the Owner to the Capital Provider of a completed Requisition in the Form of **Exhibit D-1**, and (iv) inspection and approval of the completed Improvements by the Capital Provider, the Capital Provider shall cause disbursement of the Disbursement Amount either directly to the Contractor, or to the Owner to reimburse the Owner, if the Owner has provided to the Capital Provider satisfactory evidence that the Owner has paid the Disbursement Amount to the Contractor directly.] [If disbursements are to be made in installments: Subject to the terms and conditions set forth herein and in **Exhibit D**, upon (i) execution and delivery of this Agreement, and (ii) submission by the Owner to the Capital Provider of a completed Requisition in the Form of **Exhibit D-1** and compliance with the applicable provisions of **Exhibit D**, the Capital Provider shall cause to be disbursed the Disbursement Amount at the times and in the amounts set forth on **Exhibit D-2**, either directly to the Contractor, or to the Owner to reimburse the Owner, if the Owner has provided to the Capital Provider satisfactory evidence that the Owner has paid the Disbursement Amount to the Contractor directly.]

(B) By execution hereof, to the extent set forth in the applicable Requisition, the Owner directs disbursement of the Disbursement Amount directly to the Contractor in the amounts set forth in each completed Requisition submitted by the Owner to the Capital Provider.

Section 8. USE OF PROCEEDS.

Funds advanced by the Capital Provider hereunder shall be used for the sole purpose of paying the costs and expenses of undertaking, acquiring, constructing and installing the Improvements. Such costs and expenses may include, in addition to the costs of the Improvements, Administrative Costs to the extent set forth in **Exhibit A**, costs associated with energy audits, if applicable, including reimbursement to the Owner for energy audits related to the Improvements and approved by DOER, and capitalized interest, if applicable. Such costs and expenses are described in **Exhibit A**. In no event shall the aggregate of all such costs, including the costs and expenses of acquiring, constructing and installing the Improvements, exceed the Approved Amount as set forth in the Approval Letter, without the prior written consent of DOER, which consent shall be in the form of an amendment to the Approval Letter. If required due to a change in the Approved Amount or, if at completion of the Improvements, a portion of the Disbursement Amount remains unspent, the PACE Betterment Assessment and the PACE Lien will be adjusted upward or downward, as applicable, in the same manner set forth in Section 11(D), and upon recording of the revised PACE Betterment Assessment Statement, as set forth in said section, the Capital Provider shall provide a copy of the same to the Owner.

Section 9. REBATES AND CREDITS. The Owner bears sole responsibility for identifying, applying for and obtaining any rebates, refunds, credits or allowances pertaining to the Improvements which may be available from manufacturers, federal, state or local authorities or any other source.

Section 10. WORK AT THE PROPERTY. The parties hereto acknowledge that site preparation or other work at the Property may be necessary prior to installation of the Improvements, and the Owner bears the responsibility for ensuring that the cost of such preparation and/or other work has been included in the Submittal Package, and approved by DOER within the Approved Amount, if such cost is to be financed as part of the Improvements. The Owner agrees and acknowledges that the Capital Provider shall have no obligation to fund costs associated with preparation of the site or other work at the Property, including repair work for any structure, building or facility to which the Improvements shall be affixed, which were not included in the Submittal Package and the Approved Amount. Costs associated with such preparation or repair work not included in the Approved Amount will be the sole responsibility of the Owner and shall not be payable from the Disbursement Amount.

Section 11. DEFAULT; FORECLOSURE AND OTHER REMEDIES. Failure to make an Assessment Installment Payment as and when due shall constitute a default under this Agreement (a "payment default") and shall subject the Property to the enforcement mechanisms available to the Capital Provider under the PACE Act, which may result in loss of title to the Property, as described below. The Capital Provider reserves the right to enforce any payment default by the Owner or any successor owner of the Property in any manner authorized by law including foreclosure. The Owner shall pay all reasonable costs incurred by the Capital Provider for such enforcement, including reasonable attorney's fees and costs, provided that the Capital Provider will not be entitled to seek to accelerate the unpaid and not yet due balance of the PACE Betterment Assessment upon any such payment default.

(A) Foreclosure Sales. If the Capital Provider fails to receive the applicable Net Amount Due Capital Provider on the respective Capital Provider Payment Date due to a payment default, which failure continues for more than 60 days following such Capital Provider Payment Date, the Capital Provider may, in accordance with the PACE Act and consistent with the rights afforded a mortgagee under M.G.L. c. 183, §21, commence to exercise the STATUTORY POWER OF SALE and to sell the Property, either as a whole or in parcels, together with all improvements that may be thereon, by public auction on or near the Property, or, if more than one parcel is subject to the PACE Lien, on or near one of said parcels, after first complying with the provisions of M.G.L. Ch. 244, §14 relating to notices to the Owner and any holders of a mortgage or other lien on the Property (the "Statutory Notices"), and related matters, and all other applicable Massachusetts law relating to the foreclosure of mortgages by the exercise of a power of sale, and may convey the Property, or any parcels constituting the same, by proper deed or deeds to the purchaser or purchasers absolutely and in fee simple; and such sale shall forever bar the Owner and all persons claiming under it from all right and interest in the Property, whether at law or in equity. In addition to the Statutory Notices required to be given in accordance with the provisions of M.G.L. Ch. 244, §14,

the Capital Provider also shall provide not less than 30 days prior to the giving of the first Statutory Notice, notice to MassDevelopment, the Municipality, the Owner and each holder of an interest in the Property junior to the PACE Lien, of the payment default and of Capital Provider's intention to commence its rights to sell the Property pursuant to this Section 11 and the PACE Act. Notwithstanding the foregoing, in the event of a payment default hereunder, the Capital Provider may foreclose the PACE Lien only to the extent of any due and unpaid Assessment Installment Payments, and any penalties, interest and fees related thereto. In the event such portion of the PACE Lien is so foreclosed, the PACE Lien otherwise shall survive the foreclosure to the extent of any unpaid and not yet due Assessment Installment Payments that were not the subject of such foreclosure.

(B) Foreclosure Expenses, Surplus. If foreclosure, bankruptcy or other legal proceedings involve the Capital Provider's interest under this Agreement, whether the proceedings are begun by the Capital Provider or others and whether the proceedings are suspended or terminated or the Property redeemed, the Capital Provider will be entitled to collect and the Owner agrees to reimburse the Capital Provider for all reasonable costs, including reasonable attorneys' fees and costs, incurred by the Capital Provider in the foreclosure, bankruptcy or other legal proceeding. If surplus proceeds are realized from a foreclosure sale, the Capital Provider will not be liable for interest on the proceeds pending distribution, and all reasonable costs, including reasonable attorneys' fees and costs, incurred by it in proceedings to determine the person or persons entitled to the surplus will be paid from the surplus proceeds.

(C) Forbearance not a Waiver. The liability of the Owner hereunder will not be reduced, the priority of the PACE Lien will not be affected, and the rights of the Capital Provider with respect to the PACE Betterment Assessment and the PACE Lien will not be impaired by any of the following events, regardless of whether the Capital Provider receives additional consideration: (i) the sale of all or part of the Property, (ii) a forbearance by the Capital Provider, (iii) an extension of the time for payment or performance of the Owner's obligations hereunder, or (iv) an indulgence given by the Capital Provider to the Owner or to any other person having an interest in the Property or liability for the Owner's obligations hereunder. The Owner waives notice of any extension, forbearance or indulgence and agrees that no waiver, express or implied, by the Capital Provider of a payment default by the Owner under this Agreement will constitute a waiver of a future payment default.

(D) Default Prior to Project Completion. If a payment default occurs hereunder as described above prior to the completion of the Project, the Capital Provider may undertake the completion of the Project and apply any remaining balance of the Disbursement Amount to the costs of such completion. Any amount necessary to so complete the Project in excess of the remaining balance of the Disbursement Amount, with the approval of DOER, may be added to the amount of the PACE Betterment Assessment. In such event and in accordance with the Municipal Agreement, MassDevelopment shall provide to the Municipality for execution a revised PACE Betterment Assessment Statement, including a revised Payment Schedule prepared by the Capital Provider and approved by MassDevelopment, and the new amount of the PACE Betterment Assessment and PACE Lien. The Municipality will adjust the PACE Betterment Assessment in the assessing and taxing records of the Municipality to permit the adjusted PACE Betterment Assessment to be included on the property tax bill for the applicable benefitted property as soon as practicable. MassDevelopment shall send the revised PACE Betterment Assessment Statement executed by the Municipality to the Capital Provider, upon receipt of the same from the Municipality, and the Capital Provider shall record such revised PACE Betterment Statement with the Registry. Alternatively, this Agreement, and the rights and obligations of the Owner hereunder to complete the Project, including the right to disbursement of the remaining balance of the Disbursement Amount subject to the conditions of this Agreement, may be transferred to a new owner of the Property taking title following a sale and foreclosure by the Capital Provider pursuant to paragraph (A) of this Section 11.

(E) Additional Remedies. In addition to the right to sell the Property as described above, the Capital Provider shall have all other rights and remedies available to it under applicable law, including the PACE Act, and including an action of contract or any other appropriate action, suit or proceeding.

Section 12. PREPAYMENT OF PACE BETTERMENT ASSESSMENT. Subject to the Additional Prepayment Provisions, if any, set forth in **Exhibit A**, the Owner may prepay the PACE Betterment Assessment by paying the principal amount owing on the PACE Betterment Assessment, and accrued interest, less a credit for interest not yet accrued. The Owner shall notify MassDevelopment, the Servicer, and the Capital Provider in writing of the Owner's determination to prepay the PACE Betterment Assessment at least 15 Business Days prior to the date the Owner intends to prepay the PACE Betterment Assessment. The Capital Provider shall provide written notice to MassDevelopment and the Servicer of the prepayment in full of the PACE Betterment Assessment.

Section 13. DISCLOSURE UPON TRANSFER. During the term of this Agreement, the Owner agrees that at or before the time a purchaser executes a contract for the sale and purchase of the Property, the Owner shall give the prospective purchaser a written disclosure statement in the form of **Exhibit E** attached hereto, which shall be set forth in the contract or in a separate writing, together with a copy of this Agreement (together with any amendments or supplements hereto), as executed by the Owner and the Capital Provider. The Owner shall notify MassDevelopment, the Servicer, and the Capital Provider in writing not less than 30 days prior to any such proposed sale of the Property, providing the name and address of the proposed purchaser, and providing the Capital Provider any information that may be required pursuant to Section 19. The unpaid and not yet due balance of the PACE Betterment Assessment shall not be subject to acceleration upon the transfer of the Property to a subsequent owner, subject to the provisions of Section 19. The PACE Betterment Assessment and the PACE Lien run with the Property and are binding on the Property and the Owner and all successors in interest, notwithstanding any alienation or conveyance of the Property by the Owner or a subsequent owner to a new owner of the Property.

Section 14. INDEMNIFICATION. The Owner shall indemnify and hold harmless the Capital Provider, including its directors, members, officers, agents and employees, and their respective successors and assigns (each, an "Indemnified Party") from, and, if requested, shall defend them against, any and all claims, damages, losses, liabilities, costs or expenses, incurred by an Indemnified Party on account of or in connection with this Agreement, including any untrue statement or alleged untrue statement of any material fact contained or incorporated by reference in this Agreement or in any materials furnished by or on behalf of the Owner in connection with the Financing, or the omission or alleged omission to state therein a material fact necessary to make such statements, in light of the circumstances under which they are or were made, not misleading, or in connection with or arising out of (i) the manufacture, supply or installation of the Improvements, or any condition of the Property, or the use, occupancy or management thereof; (ii) any accident, injury or damage to any person occurring in or about the Property or the Improvements; (iii) any breach by the Owner of its obligations under this Agreement, or any act or omission of the Owner or any of its agents, contractors, servants, employees or licensees, including any violation of any Legal Requirements; (iv) the Owner's failure to comply with Environmental Laws; and (v) a release or threat of release of Hazardous Materials at or from the Property. This indemnification shall survive the termination of this Agreement. The foregoing indemnity shall include, without limitation, the costs and expenses of defending or preparing to defend against any claim of liability, including reasonable fees of attorneys, consultants, and experts and related costs, provided that the Owner shall have no liability to indemnify any Indemnified Party for such Indemnified Party's own gross negligence or willful misconduct.

Section 15. SEVERABILITY. Each and every provision of this Agreement is, and shall be construed to be, a separate and independent covenant and agreement. If any term or provision of this Agreement or the application thereof shall to any extent be held to be invalid or unenforceable, the remainder of this Agreement, or the application of such term or provision to circumstances other than those to which it is invalid or unenforceable, shall not be affected thereby, and each term and provision of this Agreement shall be valid and shall be enforced to the extent permitted by law.

Section 16. GOVERNING LAW; VENUE. This Agreement shall be governed by the laws of the Commonwealth. Unless otherwise required by law, venue for any action or proceeding to construe or enforce the provisions of this Agreement or any matters associated therewith shall lie in the federal and state courts located in the City of Boston, Suffolk County, Massachusetts.

Section 17. ASSIGNMENT. The Capital Provider, at its option and without obtaining the consent of the Owner, may (i) assign its rights and obligations under this Agreement, and (ii) pledge and assign its right to receive the PACE Betterment Assessment and any other payments due to the Capital Provider hereunder and its rights under the PACE Lien, in whole, but not in part, or participate its interests hereunder, but only to a Permitted Transferee. The instrument of assignment shall include a representation from the assignee that the assignee is a Permitted Transferee.

Section 18. TERM. The term of this Agreement shall be until the PACE Betterment Assessment, including all accrued interest thereon, has been paid in full.

Section 19. CUSTOMER IDENTIFICATION PROGRAM. To help the government fight the funding of terrorism and money laundering activities, federal law requires financial institutions to obtain, verify and record information that identifies each person who opens an account. Accordingly, the Capital Provider may require the Owner to provide the name and address of the Owner and of its successors in interest, if any, and of their respective beneficial owners, if any, and other information that will allow the Capital Provider to identify the Owner and its successors in interest, and their respective beneficial owners, if any, in accordance with and to determine compliance with all applicable federal law and regulations.

Section 20. ENTIRE AGREEMENT; COUNTERPARTS; AMENDMENT.

This Agreement is the entire agreement between the parties. Any other agreement related to the financing of the Improvements, and any amendment to this Agreement, must be signed in writing by both parties. If there is more than one "Owner," the obligations hereunder of all Owners shall be joint and several. This Agreement may be executed in several counterparts, each of which shall be deemed an original, and all of such counterparts together shall constitute one and the same instrument.

THE DECLARATIONS, ACKNOWLEDGEMENTS AND AGREEMENTS CONTAINED HEREIN SHALL RUN WITH THE LAND DESCRIBED IN EXHIBIT A-1 HERETO AND SHALL BE BINDING ON THE OWNER AND ON ALL PERSONS (INCLUDING CORPORATIONS, ASSOCIATIONS, TRUSTS, AND OTHER LEGAL ENTITIES) TAKING TITLE TO ALL OR ANY PART OF THE LAND, AND ITS SUCCESSORS IN INTEREST. BY TAKING SUCH TITLE, SUCH PERSONS SHALL BE DEEMED TO HAVE CONSENTED AND AGREED TO THE PROVISIONS OF THIS AGREEMENT TO THE SAME EXTENT AS IF THEY HAD EXECUTED IT AND BY TAKING SUCH TITLE, SUCH PERSONS SHALL BE ESTOPPED FROM CONTESTING, IN COURT OR OTHERWISE, THE VALIDITY, LEGALITY AND ENFORCEABILITY OF THIS AGREEMENT.

EXHIBIT E

FORM OF DISCLOSURE STATEMENT TO SUBSEQUENT OWNERS

Name of Owner:

Address of Property:

Name of Capital Provider:

The above-referenced Owner (the "Seller") of the above-referenced Property (the "Property") has installed qualifying commercial energy improvements (the "Improvements") at the Property, which Improvements were financed through the Seller's participation in the Massachusetts Property Assessed Clean Energy Program ("PACE Massachusetts"). In connection with such financing, the Seller has entered into a PACE Massachusetts Financing Agreement, dated _____, 20__ (as amended and supplemented to date, the "PACE Financing Agreement"), between the Seller and the above-referenced Capital Provider (the "Capital Provider"), a true, correct and complete copy of which is attached hereto. Terms used in this Disclosure Statement and not otherwise defined herein have the same meanings assigned to them in the PACE Financing Agreement.

A description of the Improvements is included in Exhibit B to the PACE Financing Agreement.

Under the PACE Financing Agreement, the financing of the Improvements (the "Financing") is repaid through a PACE Betterment Assessment levied on the Property by the [City/Town of _____, Massachusetts] (the "Municipality"). The Seller is obligated to repay the PACE Betterment Assessment in the same manner and at the same time as property taxes assessed by the Municipality on the Property are paid. **The amount of the PACE Betterment Assessment is set forth in Exhibit A to the PACE Financing Agreement, and the schedule of payment of the PACE Betterment Assessment is set forth in Exhibit C to the Financing Agreement.**

As provided in pursuant to M.G.L. Ch. 23M, as amended (the "PACE Act"), the PACE Betterment Assessment and the interest, fees and any penalties thereon constitute a legal, valid and binding non-ad valorem betterment assessment and a resulting lien upon the Property (the "PACE Lien"), equal in rank and priority with the lien of all municipal taxes and other assessments, and senior in priority to all other liens, titles and claims, until paid in full, notwithstanding the provisions of M.G.L. Ch. 80, Section 12, and continue notwithstanding any alienation or conveyance of the Property. The PACE Betterment Assessment and the PACE Lien run with the Property and are binding on the Property and the Owner and all successors in interest notwithstanding any alienation or conveyance of the Property by the Owner or a subsequent owner to a new owner of the Property. **Accordingly, upon a sale of the Property by the Seller, the PACE Betterment Assessment and PACE Lien will continue on the Property and you, as the new owner of the Property, will be obligated to repay the PACE Betterment Assessment in accordance with the provisions of the PACE Financing Agreement and the PACE Lien, and will be bound by the provisions of the PACE Financing Agreement.**

The PACE Betterment Assessment is collected in the same manner as the property taxes of the Municipality on real property, including, in the event of default or delinquency, with respect to any penalties, fees and lien priorities as provided by the PACE Act. **Failure to make a payment of the PACE Betterment Assessment as and when due will subject the Property to the enforcement mechanisms available to the Capital Provider under the PACE Act and the PACE Financing Agreement, which may result in loss of title to the Property. Under the PACE Financing Agreement, the Capital Provider reserves the right to enforce any payment delinquency or default by the Owner or any successor owner of the Property in any manner authorized by law including foreclosure.**
