3. Assignment of PACE Lien.

(a) MassDevelopment hereby agrees to assign to the Capital Provider the PACE Lien as security for the Financing, and shall execute and deliver to the Capital Provider the Assignment of PACE Lien concurrently with the execution and delivery of this Agreement. Upon such assignment, the Capital Provider shall have and possess the same powers and rights at law or in equity as MassDevelopment and the Municipality and its tax collector would have had if the PACE Lien had not been assigned, with regard to the precedence and priority of such lien, the accrual of interest, and the fees and expenses of collection. In accordance with the PACE Act, the Capital Provider shall have the same rights to enforce such PACE Lien as any private party holding a lien on real property, including, but not limited to, foreclosure in a manner consistent with the rights afforded a mortgagee under the provisions of M.G.L. Ch. 183, § 21, and an action of contract, or any other appropriate action, suit or proceeding.

(b) MassDevelopment shall record or cause to be recorded the Assignment of PACE Lien in the Registry concurrently with the recording of the Betterment Assessment Statement. Upon recording of the Assignment of PACE Lien, MassDevelopment shall provide or cause to be provided a copy of the recorded Assignment of PACE Lien to the Capital Provider and the Owner, together with recorded copies of the Betterment Assessment Statement and the Municipal Assignment. The Capital Provider may assign its rights under the PACE Lien and this Agreement in connection with the assignment of its rights under the Financing Agreement, subject to the provisions of Section 11(b).

(c) As provided in the PACE Act, each PACE Lien shall be continued, recorded and released by the Capital Provider in the manner provided for property tax liens of the Municipality, and shall take precedence over all other liens or encumbrances except a lien for real property taxes of the Municipality on the Property.

4. Payment of PACE Betterment Assessment.

(a) The Capital Provider acknowledges that it has received a copy of the Municipal Agreement and represents that it accepts the procedures, obligations, responsibilities and limitations of liability of the Municipality and MassDevelopment relating to the assessing, billing, collecting and enforcing of the PACE Betterment Assessment and the PACE Lien contained therein.

(b) The Capital Provider acknowledges and agrees that:

i. attached hereto as **Exhibit C** is a true and correct copy of the payment schedule for the Financing (the “Payment Schedule”), and that the Payment Schedule is the same as the payment schedule included as Exhibit C to the Financing Agreement;

ii. MassDevelopment, directly or through its paying agent, will pay over or cause to be paid over to the Capital Provider the applicable Net Amount Due Capital Provider on each Capital Provider Payment Date, as set forth in **Exhibit C**, but only from amounts received from the Municipality as payment of the PACE Betterment Assessment; and

iii. notwithstanding any provision of this Agreement, the Municipal Agreement, the Financing Agreement, or the Payment Schedule to the contrary, receipt by the Capital Provider of the Net Amount Due Capital Provider not later than the corresponding Capital Provider Payment Date shall constitute timely payment of the Assessment Installment Payments due under the Financing Agreement.

(c) The Capital Provider shall provide prompt written notice to MassDevelopment and the Servicer of the prepayment by the Owner of the PACE Betterment Assessment.

(d) The Capital Provider, at its own expense, shall have the right to audit the records maintained by the Municipality relating to the PACE Betterment Assessment upon reasonable prior written notice to the Municipality and during the Municipality's normal business hours.

#### 5. Delinquent Payments.

(a) The Servicer shall give written notice to the Capital Provider by Electronic Means if any Assessment Installment Payment has not been received by the Servicer within 35 days following the applicable Assessment Installment Payment Date.

(b) The Capital Provider acknowledges and agrees that pursuant to the Municipal Agreement and the PACE Act, the Municipality has no obligation to take actions to collect delinquent PACE Betterment Assessment payments or to enforce the PACE Lien, other than providing a notice of demand to the Owner within 30 days following an Assessment Installment Payment Date and continuing to include the PACE Betterment Assessment on the property tax bill for the Property, including any penalties and fees in the same manner applicable to delinquent real property taxes of the Municipality, as set forth in the Municipal Agreement.

(c) The Capital Provider acknowledges and agrees that, in accordance with the Municipal Agreement, if the Owner fails to pay in full on any payment date the full amount then due of real property taxes, betterment assessments (including the PACE Betterment Assessment), and any other charges due to the Municipality and included on the property tax bill for the Property, any amounts received by the Municipality in payment of such taxes, assessments and charges, including any amounts received in payment of penalties or interest for prior delinquent payments, shall be applied first, to pay such real property taxes, betterment assessments (other than the PACE Betterment Assessment), and other charges (collectively, "Municipal Charges"), including penalties and interest included in such property tax bill for any prior delinquent Municipal Charges, and second, to pay the PACE Betterment Assessment, including any penalties and interest included in such property tax bill for any prior delinquent PACE Betterment Assessment payments. The Capital Provider further acknowledges and agrees that, in accordance with the Municipal Agreement, any subsequent payments received by the Municipality with respect to such Municipal Charges and the PACE Betterment Assessment shall be applied in the same order as set forth in the prior sentence, provided that nothing in this paragraph (c) is intended to affect the lien priority established with respect to PACE Liens under the PACE Act.

(d) MassDevelopment, directly or through the Servicer, promptly shall provide or cause to be provided to the Capital Provider a copy of any notice received from the Municipality with respect to the sale or assignment of the Municipality's real property taxes or any institution of a foreclosure, tax taking or other proceeding against the Property for delinquent real property taxes or other applicable betterment assessments.

(e) Notwithstanding any provision of the Financing Agreement to the contrary, the Capital Provider shall not commence to exercise any rights to enforce the PACE Lien for failure to receive the scheduled Net Amount Due Capital Provider (a "payment default") on the respective Capital Provider Payment Date, earlier than 60 days following such Capital Provider Payment Date. If the Capital Provider elects to exercise its rights to sell the Property due to such payment default under Section 11 of the Financing Agreement and the PACE Act, not less than 30 days prior to the Capital Provider commencing to exercise its remedies under the Financing Agreement by giving the notices required to be given to the Owner and any holders of a mortgage or other lien on the Property in accordance with the provisions of M.G.L. Ch. 244, §14 (the "Statutory Notices"), the Capital Provider shall provide to MassDevelopment, the Municipality, the Owner and each holder of an interest in the Property junior to the PACE Lien, notice of the payment default and of the Capital Provider's intention to sell the Property pursuant to the PACE Act and M.G.L. Ch. 183, §21.

6. Amendment of the PACE Betterment Assessment.

If the final amount of the Financing needs to be adjusted at the completion of the Improvements, whether due to an increase or decrease in the Approved Amount, in accordance with the provisions of the Financing Agreement, or any other time after the levying of the PACE Betterment Assessment and recording of the PACE Lien, the Capital Provider shall notify MassDevelopment and provide MassDevelopment for its review and confirmation an updated Payment Schedule, and, subject to the approval of DOER, MassDevelopment will promptly notify the Municipality of such change, and provide the Municipality with an amended Betterment Assessment Statement, including the updated Payment Schedule, as confirmed by MassDevelopment, and the new amount of the PACE Betterment Assessment. The Municipality shall adjust the PACE Betterment Assessment in the assessing and taxing records of the Municipality to permit the adjusted PACE Betterment Assessment to be included on the property tax bill for the Property as soon as practicable. MassDevelopment shall deliver or cause to be delivered the amended Betterment Assessment Statement executed by the Municipality to the Capital Provider, following receipt of the same from the Municipality. The Capital Provider shall be responsible for recording or causing to be recorded, at its sole cost and expense, the amended Betterment Assessment Statement in the Registry and for providing a copy of the same to the Owner.

7. MassDevelopment's Representations and Warranties.

MassDevelopment hereby represents and warrants to, and agrees with the Capital Provider as follows:

(a) MassDevelopment is a body politic and corporate and a public instrumentality of the Commonwealth, established under Chapter 23G, with the power under and pursuant to the Act, to execute and deliver this Agreement, the Municipal Agreement and the Assignment of PACE Lien, and to perform its obligations hereunder and thereunder.

(b) MassDevelopment has taken all necessary action and has complied with all provisions of the Constitution of the Commonwealth and the Act, required to make this Agreement, the Municipal Agreement and the Assignment of PACE Lien, the valid obligations they purport to be; and when executed and delivered by the parties hereto and thereto, this Agreement, the Municipal Agreement and the Assignment of PACE Lien, will constitute legal, valid and binding agreements of MassDevelopment, will be enforceable against MassDevelopment in accordance with their respective terms, except as enforceability may be subject to the exercise of judicial discretion in accordance with general equitable principles and to applicable bankruptcy, insolvency, reorganization, moratorium and other laws for the relief of debtors heretofore or hereafter enacted to the extent that the same may be constitutionally applied and, to the actual knowledge and belief of MassDevelopment, will not violate or conflict with or constitute a breach of or default under the Act or any material agreement to which MassDevelopment is a party.

8. Capital Provider's Representations and Warranties.

The Capital Provider hereby represents and warrants to, and agrees with MassDevelopment as follows:

(a) The Capital Provider is an entity as described in the first paragraph hereof, with the full power, and all licenses necessary, to own its properties to carry on its business as now being conducted, and has full power to enter into this Agreement and the Financing Agreement, and to carry out the terms and conditions contained herein and therein; and the execution of this Agreement and the Financing Agreement on its behalf and its participation in the transactions specified herein and therein is in its ordinary course of business and within the scope of its existing corporate authority.

(e) Each of this Agreement and the Financing Agreement constitute the legal, valid and binding obligation of the Capital Provider, enforceable against the Capital Provider in accordance with its terms, except as enforceability may be subject to the exercise of judicial discretion in accordance with general equitable principles and to applicable bankruptcy, insolvency, reorganization, moratorium and other laws for the relief of debtors heretofore or hereafter enacted to the extent that the same may be constitutionally applied.

(f) The Capital Provider has independently and without reliance upon MassDevelopment or DOER or any agent or employee of MassDevelopment or DOER, or any representation or warranty, express or implied, of MassDevelopment or DOER or any agent or employee of MassDevelopment or DOER (i) conducted its own credit evaluation of the Owner, (ii) determined that the Owner owns or has valid leasehold rights to, as applicable, the Property, (iii) conducted its own investigation to determine that the Improvements meet the requirements of the PACE Act and the guidelines established for PACE Massachusetts by DOER, and (iv) reviewed such information as it deemed adequate, necessary and appropriate and made its own analysis of the PACE Act, this Agreement, the Municipal Agreement, the Financing Agreement, and the Assignment of PACE Lien to evaluate the merits and risks of undertaking the Financing.

(g) The Capital Provider acknowledges that neither MassDevelopment nor DOER takes any responsibility for any information, financial or otherwise, regarding the Owner, the Property, or the Improvements furnished to the Capital Provider by or on behalf of MassDevelopment or DOER, including, but not limited to, the information contained in the application and related documents submitted to MassDevelopment by the Owner for participation in PACE Massachusetts.

9. Default.

Each party shall give the other party written notice of any breach of any covenant or agreement under this Agreement and shall allow the defaulting party 30 days from the date of its receipt of such notice within which to cure any such default or, if it cannot be cured within the 30 days, to commence and thereafter diligently pursue to completion, using good faith efforts to effect such cure and to thereafter notify the other party of the actual cure of any such default. The parties shall have all other rights and remedies provided by law, including, but not limited to, specific performance.

10. Indemnification.

The Capital Provider agrees that it will protect, defend, indemnify and hold harmless MassDevelopment and DOER and their respective directors, officers, agents and employees (each an "Indemnified Party") from and against all claims, damages, losses, liabilities, costs or expenses, incurred by an Indemnified Party arising out of or in connection with the actions of an Indemnified Party under this Agreement. This indemnification shall survive the termination of this Agreement. The foregoing indemnity shall include, without limitation, the costs and expenses of defending or preparing to defend against any claim of liability, including reasonable fees of attorneys, consultants, and experts and related costs, provided that the Capital Provider shall have no liability to indemnify any Indemnified Party for such Indemnified Party's own gross negligence or willful misconduct.

11. Term.

The term of this Agreement shall commence upon the date first written above. This Agreement shall be and remain in full force and effect until the PACE Betterment Assessment has been paid in full or deemed no longer outstanding.
