MASSEVELOPMENT CONTRACTOR POLICY

MassDevelopment must comply with certain laws, including M.G.L. c. 29, § 29F(h), which prohibits public agencies from soliciting or considering offers, bids, or proposals from, and from executing, renewing, or extending any contract with, a debarred or suspended contractor, and prohibits a contractor from contracting for supplies or services from a debarred or suspended subcontractor on any public contract. Agency policy requires that for construction costs financed by the Agency (including Brownfields Program funds), borrowers/grantees must not knowingly engage with vendors listed as debarred or suspended by any of the aforementioned entities. “Vendors” includes construction contractors and construction managers as well as consultants and other individuals or businesses with which a borrower might contract for a project.

The Recipient agrees it will comply with MassDevelopment’s Contractor Policy. By signing below, Recipient agrees that for costs of the Project which are to be financed by MassDevelopment, Recipient or its affiliates have not and will not enter into a contract with any vendor listed as debarred or suspended on the debarment lists maintained by the Commonwealth of Massachusetts’ Division of Capital Asset Management and Maintenance, the Department of Transportation, the Department of Industrial Accidents, the Office of the Attorney General and the Federal Government (the “Debarment Lists”).

Recipient is required to provide the name of its general contractor or construction manager (if one is engaged) to MassDevelopment at least 10 business days prior to a disbursement. At the time of the disbursement, Recipient must certify that it has checked the Debarment Lists and that for costs of the project financed by MassDevelopment it has not and will not contract with any general contractor, construction manager or other vendor listed on the Debarment Lists. Recipient must also require that its general contractor or construction manager (if one is engaged) certify in the contract with applicant for MassDevelopment financed work that the general contractor or construction manager: (i) will check the Debarment Lists before directly engaging a subcontractor or other vendor; and (ii) has not and not will contract directly with a subcontractor or other vendor listed on a Debarment List. The certification in the general contractor or construction manager contract shall further provide that general contractor or construction manager understands and acknowledges that noncompliance may result in debarment from future MassDevelopment funded projects for a period of one year from the date of written notification of noncompliance. The form of Contractor’s certification is below.

If Recipient cannot make the above certifications at the time of disbursement, MassDevelopment reserves the right not to proceed with the Recipient’s disbursement. MassDevelopment will not advance any proceeds against requisitions for payment of vendors that MassDevelopment learns were debarred or suspended at the time the relevant contract was created.

The Commonwealth’s Executive Office of Administration and Finance has a webpage with a link to the above named lists, <http://www.mass.gov/anf/property-mgmt-and-construction/design-and-construction-of-public-bldgs/vendor-debarment.html>.
